## **God Without Religion:**

*God without Religion* Andrew Farley, 2011-06-01 Andrew Farley's experience as a Christian was first characterized by self effort as he tried to please God at any cost His ruthless religion resulted in spiritual burnout and disillusionment with church Only then did he discover what relaxing in Jesus means and how enjoying God's intimate presence can transform everyday life Using a unique story driven format *God without Religion* dismantles common religious misconceptions revealing the true meaning of being filled with the Spirit the facts about judgment rewards and God's discipline the simple truth behind predestination and the divisions it causes the problem with the popular challenge to live radical Pulling no punches Farley shows how the truth about these controversial issues can liberate and unify believers as we discover how to rest in the unconditional love of God

**How to Experience God Without Religion** Denis Poisson, 2011-08-06 Curious about how you can experience God without having to leave sanity behind In this short no nonsense book World Religions specialist Denis Poisson gets straight to the point giving you simple techniques by which anyone can encounter the Divine without taboos or leaps of faith The methods shown here are the same methods that have been used by religions for millennia only they have been stripped of their obscure symbolic language and mystique while their simple beautiful biological and psychological origins are exposed in a way that anyone can understand Now you too can have a religious experience without the religion in seven simple accessible steps that anyone can follow regardless of what you believe or don't

*God Without Religion* Śaṅkara Śaranam, 2005 Disillusioned with organized religion some people escape into New Age movements and others retreat from their spiritual moorings altogether A more satisfying and transformative option is to embark on a quest to discover God on your own Using time tested tools of spiritual investigation it becomes possible to examine your present beliefs explore the nature of God and sense of self and ultimately expand your identity This book is a classic and introduces readers to an age old approach to spiritual inquiry Included are seventeen universal techniques for developing a personal relationship with God and broadening your view of yourself others and all of life

*God Without Religion* Michael Arnheim, 2016-06-29 Which is right atheism or organised religion Answer Neither What's wrong with atheism The intolerant radical New Atheists of today champion the theory of evolution by natural selection which may help to explain small changes and variations in living things but can't explain the origin of the universe or the origin of life because natural selection needs life to kick start it into action No life no natural selection Does organised religion do any better Not at all It simply has too much baggage Why does evil exist in the world And why are the good not rewarded and the wicked punished Organised religion has no answer except to kick these problems upstairs into the afterlife of which there is no evidence whatsoever What then of the claims of religious truth Most of the claims made for Jesus are demonstrably false Creed religions like Christianity and Islam believe that they alone hold the key to truth and salvation But communal religions like Hinduism Japanese Shinto and the religions of the ancient world tend to be more tolerant Orthodox Judaism starting out as a communal

religion has now adopted certain features of a creed religion and become more intolerant But more tolerant than either radical atheism or any organised religion is deism Unlike conventional religions which are based on belief in a personal god deism believes in an impersonal God who does not get involved in the day to day affairs of the world Back cover      **Religion Without God and God Without Religion** William Arthur,1885      God Without Religion Sankara Saranam,2001-09-07

Gooch,2015-12-05 Jesus was born into a religious heritage in the midst of a religious society However he deemphasized religious practices putting them in their proper place perspective and priority Alternatively he emphasized and demonstrated a deep spiritual connection to others and a life of obedience and conforming to the will of The Almighty God Jesus did not start a religion The apostle wrote They were first called Christians at Antioch and If any of you suffer as a Christian he should not be ashamed but instead glory in that name This is not reference to a religion called Christianity but religious people called them Christ like Christian because they Jesus followers were foolish enough to love the unlovable to prefer the well

being of others above themselves to bring words of hope in hopeless situations and to love God in the same way Jesus demonstrated love towards God with all of his heart soul and life The qualifications for calling oneself Christ like or Christian pale in the true light of what it means to be like Jesus full of the spirit of God full of compassion and dedicated to doing God's will Without theological opinions and religious gymnastics what did Jesus and his followers reportedly say think teach and live Is it Christ like to rejoice over the death of another person any person to hate any group of people because of their practices lifestyle occupation or disposition towards others or ourselves Is it Christ like to be prejudice racist hateful murderous vengeful indifferent unthankful self centered or religious Read for yourself **God Without the Supernatural**

Peter Forrest,1996 Peter Forrest expounds a program of best explanation apologetics He contends that since the existence of God would provide the best possible explanation of various facts those facts support theism Among the facts cited are the suitability of the universe for life the regularity of the universe the human capacity for intellectual progress the experience of a moral order and various forms of beauty The beauty that interests Forrest as evidence for the existence of God includes sensuous beauty the beauty of the natural order as revealed by the sciences and the beauty of necessity discovered by mathematicians In addressing the need for an adequate motive for creation Forrest conjectures that God created the universe for embodied persons not for their life on earth alone but also for an afterlife Forrest acknowledges the speculative nature of such an account He suggests that philosophical speculation is also required to defend theism against the charge that it is too extravagant a hypothesis to be warranted Providing a speculative defense against the argument from evil he explains how such speculations can be used to support best explanation arguments without the conclusions themselves being rendered purely speculative *God Without Religion* J Pitterson,Marie C a M Pierre,2024-10 Discover the essence of God
