Miles Huntley Hodges, 2020-02-19 This book is part of a three part series on America as a Covenant Nation This volume begins with the period in the early 1600s when two very different English societies were established in the New World one in Virginia and one in New England The Virginia society simply re created the rigidly class based feudal society of the times The New England society was a most unusual democracy of social equals covenanted to live under God s not man s personal rule These two American social types would find themselves in rather constant struggle as Americans found keeping covenant with God to be very difficult because of man s natural tendency to want to control life including the lives of others This volume will take the American narrative through the Christian Great Awakening the War of Independence the founding of a new American Republic the early years of social spread across the continent a Second Great Awakening mounting tensions over the slavery issue the American Civil War and finally the period of Reconstruction afterward This study goes deeply into social political and economic dynamics a study in social power but also blends this analysis with an equally deep inquiry into the cultural spiritual character of American society during these time periods and events **The Dismissing of America's Covenant with God**

Miles Huntley Hodges, 2020-04-30 This volume looks at how as America went through the 1960s its achievement of superpower status invited both deep Progressive political changes at home Johnson s Great Society and aggressive Democratic involvement abroad Vietnam in both instances resulting in social catastrophe The narrative continues describing the battle to hold America s traditional Christian political moral foundations based on the American family and local community against the urge of Congressional Progressivists a Liberal media idealistic academics a Boomer generation and federal judges to rewrite those same standards along more Secular lines It covers Nixon s diplomatic successes abroad yet his humiliation at home Watergate the resultant collapse of all social order in Indochina with the retreat of America from the region Carter s discovery that diplomatic niceness is not a good substitute for real power the restoration of American national pride during the Reagan Bush Sr and Clinton years thanks to strong but carefully measured policies the disaster that hit when Bush Jr decided to democratize Afghanistan and Iraq the deep Change that Obama attempted to bring to a centuries old traditional America and finally the arrival of Trump deeply contested by political adversaries It looks at the moral spiritual character rather universally Christian of America s national leadership since 1960 and how that had its own impact on the country even during this distinctly post Christian period The narrative concludes with a review of the various political moral lessons we should draw from America s own national narrative particularly the necessity of getting back into an all

Is God Done with America? Eric Carlson,2011-03-24 From the founder of a messianic congregation A powerful call to fulfill America s destiny by breaking down the barriers between Jews and Gentiles America drifting away from God and in a grave moral crisis stands at a major spiritual crossroads The truth of how this nation was founded and what its founders believed is being suppressed Is America a Christian nation Were America s founders Christians Does America have a prophetic destiny If so will America fulfill that destiny These questions and more are answered by Rabbi Eric Carlson in *Is God Done with America* Based upon the One New Man of Ephesians 2 15 America s spiritual DNA was established through a prayer spoken by the founding colonists of the Jamestown Settlement in Virginia the birthplace and spiritual root of America A portion of this prayer exactly as it was written and quoted from the book *Lawes*

Divine Morall and Martiall for the Colony of Virginea printed in the year 1612 was spoken twice daily And call in the Jewes together with the fulnesse of the gentiles that thy name may be glorious in al the world the dayes of iniquity may come to an end and we with all thine elect people may come to see thy face in glorie and be filled with the light thereof for evermore This prayer not only reveals a portion of Americas prophetic destiny it is key to the restoration of contemporary America s dying church Is God Done with America contains critical information regarding Jewish revival the restoration of signs and wonders to the body of Messiah and the reconciliation of Messianic Jews and Christians into one unified body
