Celebrating the Pagan Soul Laura Wildman,2005 Millions of Pagans will be able to relate to this book Whether they have looked for a community of spirit found a special mentor or teacher or been part of a wonderful spell this book shares hopes and dreams and validates endeavours and lives It is also written by some of the best names in this offbeat and growing

phenomena including Labyrinth, Rhea, Eve LeFey and Margot Adler. This really is chicken soup for the pagan soul. **The Heart Reconnection Guidebook** Joan Borysenko, Holly Cook, Mary Faulkner, Lee McCormick, 2018-11-06. This book is written for all who have suffered heartbreak. It is for those troubled by anxiety, depression, loss, grief, questioning their self-worth, caught in addiction or obsessive compulsive behavior, and struggling to find meaning. While the list is broad in scope, it shares a common theme. The conditions reflect a broken relationship to the core of your being, your own healing heart, sacred heart. For anyone who has struggled with the not enough, not good enough, not pretty enough, not smart enough, not strong enough, and the list goes on, this book is written with you in mind. With 300 years of collective wisdom, the path laid out by the authors is well road-tested and culled to reflect what has been and continues to be most effective in their own lives and the lives of those they have helped over the years. Through thought-provoking questions, meditations, self-reflection, and creative practices to choose from, the book offers a process of gradually uncovering the uniqueness of your own heart and soul. This multifaceted approach to healing opens a new path for greater awareness and well-being that lasts. Complementing the *The Heart Reconnection Guidebook*, this text is a comprehensive teacher's guide which presents the concept of Heart Reconnection Therapy (HRT) and walks the therapist or counselor through wellness-promoting activities, insightful discussions, and meditations related to the *The Heart Reconnection Guidebook* text. It is an excellent resource for working with individuals and also with groups. This book is based on the wisdom tradition rather than therapy in the usual sense, as it is based on each participant's self-exploration. There is no specific agenda; meaning, the book or the leader is not taking participants to a predetermined right way to be, but rather creating a context for each person's encounter with their own truth and who they are in the core of their being. Readers and teachers alike will find the wisdom traditions offered within these pages life-changing, self-empowering, and community-building, all for the sake of greater happiness, increased awareness, and sustainable well-being. *Goddesses and Monsters* Jane Caputi, 2004. The essays focus upon popular culture as it is informed by ancient and current mythic images, narratives, personalities, icons, and archetypes. Topics include the cult status of the serial sex killer, sexual murder as a contemporary form of religious sacrifice, pornography as an everyday narrative underlying not only sexism but also racism, homophobia, and militarism, the relation of incest to nuclearism, pornography, and the sacred cyborg myth, and subtextual presence of ancient goddess figures in contemporary narratives including that of Princess Diana.

Dancing the Goddess Incarnate Kristin Madden, Dorothy Morrison, 2006. Life is an adventure, a game, a dance.
