**Securing America's Covenant with God** Miles Huntley Hodges, 2020-02-19 This book is part of a three part series on America as a Covenant Nation This volume begins with the period in the early 1600s when two very different English societies were established in the New World one in Virginia and one in New England The Virginia society simply re created the rigidly class based feudal society of the times The New England society was a most unusual democracy of social equals covenanted to live under God's not man's personal rule These two American social types would find themselves in rather constant struggle as Americans found keeping covenant with God to be very difficult because of man's natural tendency to want to control life including the lives of others This volume will take the American narrative through the Christian Great Awakening the War of Independence the founding of a new American Republic the early years of social spread across the continent a Second Great Awakening mounting tensions over the slavery issue the American Civil War and finally the period of Reconstruction afterward This study goes deeply into social political and economic dynamics a study in social power but also blends this analysis with an equally deep inquiry into the cultural spiritual character of American society during these time periods and events      *The Dismissing of America's Covenant with God* Miles Huntley Hodges, 2020-04-30 This volume looks at how as America went through the 1960s its achievement of superpower status invited both deep Progressive political changes at home Johnson's Great Society and aggressive Democratic involvement abroad Vietnam in both instances resulting in social catastrophe The narrative continues describing the battle to hold America's traditional Christian political moral foundations based on the American family and local community against the urge of Congressional Progressivists a Liberal media idealistic academics a Boomer generation and federal judges to rewrite those same standards along more Secular lines It covers Nixon's diplomatic successes abroad yet his humiliation at home Watergate the resultant collapse of all social order in Indochina with the retreat of America from the region Carter's discovery that diplomatic niceness is not a good substitute for real power the restoration of American national pride during the Reagan Bush Sr and Clinton years thanks to strong but carefully measured policies the disaster that hit when Bush Jr decided to democratize Afghanistan and Iraq the deep Change that Obama attempted to bring to a centuries old traditional America and finally the arrival of Trump deeply contested by political adversaries It looks at the moral spiritual character rather universally Christian of America's national leadership since 1960 and how that had its own impact on the country even during this distinctly post Christian period The narrative concludes with a review of the various political moral lessons we should draw from America's own national narrative

Callister,2023-07-10 America s Destiny sets forth compelling evidence of America s divine origin and destiny that it was a nation founded upon divine providence not coincidence as testified repeatedly by the Founding Fathers respected historians and statesmen This revised edition also adds numerous scriptures and statements from prophets of God attesting to this truth With that perspective America s Destiny asks the question that should be on all of our minds What is the greatest challenge facing our nation today and how should we confront it in a way that pleases God The economy national security immigration gun control poverty racism crime national pandemics climate change While each of these is a valid concern and deserves attention none of them strikes at the heart of our greatest challenge namely finding a way to build stronger homes and bring about a return to family God and moral values To put our prime focus on challenges other than these is to strike at the leaves not the root of the problem It is now our choice and America s choice to place our trust in the wisdom of God or the wisdom of the world to be a nation under God or without God If we become a nation under God then we become eligible to receive the promise Blessed is the nation whose God is the Lord Psalm 33 12 God's Country, America's Heartcry Kay Dee Lilley,2010-06 I Kay Dee Lilley am a concerned wife mother citizen and an American Patriot at heart My heart s desire is for the truth to be told to all Americans that America is God s Country and our foundation is His heart cry to spread His liberties throughout our nation My book will show through our American symbols currency monuments Founding Fathers Presidents and many quotes that America is a Christian nation built on Judeo Christian Principles henceforth the name of this book is God s Country America s Heart Cry God is counting on us to arise stand up speak up to use our voice to declare His choice to restore the foundation of America America s future depends on We The People to come together in agreement to use our God given liberties to defend our freedoms Will you accept the challenge *Indians in the Americas* William Marder,2005 Many books over the years have promised to tell the true story of the Native American Indians Many however have been filled with misinformation or derogatory views Finally here is a book that the Native American can believe in This well researched book tells the true story of Native American accomplishments challenges and struggles and is a gold mine for the serious researcher It includes extensive notes to the text and over 500 photographs and illustrations

Eric Carlson,2011-03-24 From the founder of a messianic congregation A powerful call to fulfill America s destiny by breaking down the barriers between Jews and Gentiles America drifting away from God and in a grave moral crisis stands at a major spiritual crossroads The truth of how this nation was founded and what its founders believed is being suppressed Is America a Christian nation Were America s founders Christians Does America have a prophetic destiny If so will America fulfill that destiny These questions and more are answered by Rabbi Eric Carlson in Is God Done with America Based upon the One New Man of Ephesians 2 15 America s spiritual DNA was established through a prayer spoken by the founding colonists of the Jamestown Settlement in Virginia the birthplace and spiritual root of America A portion of this prayer exactly as it was written and quoted from the book Lawes

Divine Morall and Martiall for the Colony of Virginea printed in the year 1612 was spoken twice daily And call in the Jewes together with the fulnesse of the gentiles that thy name may be glorious in al the world the dayes of iniquity may come to an end and we with all thine elect people may come to see thy face in glorie and be filled with the light thereof for evermore This prayer not only reveals a portion of Americas prophetic destiny it is key to the restoration of contemporary America s dying church Is God Done with America contains critical information regarding Jewish revival the restoration of signs and wonders to the body of Messiah and the reconciliation of Messianic Jews and Christians into one unified body
