God's Care for the Widow Austin Walker, 2010 A resource to help widows in their grief and suffering **Help! I'm Living With Terminal Illness** Reggie Weems, 2017-02-28 A mini book helping people who are terminally ill as well as those who minister to them We don't find it easy to face death and the diagnosis of a terminal illness can be devastating Yet every life has an expiration date Written with a pastor's heart for those suffering with a terminal diagnosis and for their family and friends this booklet conveys practical advice spiritual consolation and most importantly an eternal hope which the dying process cannot diminish and death cannot extinguish **The Undistracted Widow** Carol W. Cornish, 2010-08-04 Writing from a biblical perspective Carol Cornish helps readers to discover how God is working in the midst of the deep distress of losing a spouse She provides the reader with direction in finding true and lasting comfort in Christ Cornish who lost her husband of 38 years to lung cancer encourages widows to use their widowhood for God's glory Ministry to widows needs to be a priority for Christian communities and Cornish equips churches families and friends to come alongside those mourning the loss of a spouse The Undistracted Widow includes sections to help widows find renewed identity and purpose Cornish helps readers trust in God manage emotions learn from both biblical and contemporary widows rethink the past present and future and prepare for what's next Pastors churches and others will benefit from practical appendices Any woman who is grieving the loss of her husband or who knows of someone in mourning will find this to be a valuable resource **Grace and Grief** Paula McVay, 2022-12-06 Back Page What do you say to someone who has just lost the love of their life How do you act around them How long do you try to comfort them What if they seem to reject your attempts to console them If you are the person who lost a loved one how do you grieve and for how long How do you handle those waves of depression How do you relate to your children Why can't your adult children and friends understand Where do you go for help How long does it take to travel this journey of grief The author helps to answer these and other questions as she tells stories of her own journey and the journeys of others This book is short practical and can be read in any order according to the needs of the reader The author begins by describing how she cared for her husband during his illness and gives helpful guideline for handling life for herself and her family not wanting to think about his coming death but knowing she must be realistic She tells of how her family and friends helped and sometimes hindered Practical suggestions are given at the end of each chapter with the author making sure that readers need not feel they must do everything at once or exactly like someone else has done Although she puts strong emphasis on God's grace and His word she makes it clear that professional help is sometimes needed Going places alone making financial decisions handling those special days facing more difficulties growing in confidence and ministering to others are just a few of the topics addressed The widow not only learns who she is but begins to grasp who God is as He strengthens and guides her with his mercy and grace Paula wants readers to know that she truly grappled with when to write and which stories to tell She often cried out to God for discernment asking Am I being too vulnerable Do I

really want people to know some of these experiences She was reminded how others could receive help through a scripture or particular story Readers will be thankful that she completed the book and find hope for their own journeys no matter the length or challenge
