Gods Economy Redefining The Health And Wealth Gospel:

God's Economy Jonathan Wilson-Hartgrove, 2009-10-06 While health and wealth proponents urge Christians to claim for themselves material blessings others insist that God's best gifts can't be enjoyed until heaven. The truth of God's intentions writes acclaimed author Jonathan Wilson Hartgrove is far greater than either perspective suggests. Packed with inspiring stories God's Economy invites readers to step into the good life God intends his people to enjoy here and now not a shrink wrapped plastic version of prosperity but a liberating approach to living that leads to genuine and lasting satisfaction. With persuasive enthusiasm Jonathan Wilson Hartgrove draws from the teachings of Jesus on money and explores five tactics for living in God's economy of abundance. Rather than being subject to unpredictable market factors those who live by God's economy find their security in the richness of community and generosity. *God's Economy* Jonathan Wilson-Hartgrove, 2009

This practical guide to the good life details how to enjoy a rich satisfying lifestyle no matter how much or how little money you have. Rather than being at the mercy of unpredictable market factors you'll learn how to thrive in God's economy of abundance as you tap into a wealth of community and generosity. **Christians in an Age of Wealth** Craig L. Blomberg, 2013-11-26 What does the Bible say about money, material possessions and stewardship? In *Christians in an Age of Wealth* Craig Blomberg addresses tough questions about the place and purpose of wealth and material possessions in a Christian's life. He points to the goodness of wealth as God originally designed it but also surveys the Bible's many warnings against making an idol out of money. Taking a close exegetical look at this topic as it's discussed in Scripture Blomberg answers the toughest questions about Christianity and wealth. Is there any one key to keeping possessions in their proper God-intended perspective? Are there limits on how rich we should become or on how poor we should allow others to get? What does a truly Christian economic system look like? How does the Bible's teaching on wealth fit into the gospel? Blomberg expounds upon how the sharing of goods and possessions is the key safeguard against both greed and covetousness. He expands on the concept of giving generously even sacrificially to those who are needier demonstrating how Christians can participate in God's original good design for abundance and demonstrate the world-altering gospel of Christ. _____ Part of the Biblical Theology for Life series this practical and challenging book will help you and your church ground your worldly possessions on the solid foundation of biblical understanding and reflection. **NIV, Bible for Men, eBook**

Barnes,C. Sara Lawrence Minard,2025-03-28 People everywhere are feeling the stress of modern life in ways not seen for generations Emerging from the fog of the first pandemic in one hundred years they face economic uncertainty political acrimony war and the threat of war environmental degradation and technological advances that amaze and frighten in equal measure Time and space condense as unrelenting connectedness blurs the lines between work and play fact and fiction need and desire The devices meant to improve lives dominate them in what theologian Walter Brueggemann calls the tyranny of now People are looking for accessible solutions to complex problems People need resilience but are ill equipped to find it In this book the Fellows of the Mockler Center at Gordon Conwell Theological Seminary offer a solution not from the well trodden psychological disciplines or the lure of New Age mysticism but in a concept as old as the Scriptures themselves the divine gift of Sabbath The authors explore in detail Jesus words Sabbath was made for humanity not humanity for the Sabbath proposing five areas values time space people and faith where a more comprehensive understanding of Sabbath can build resilience by reshaping personal and professional identities in accord with God s will and purpose **The Economy of Desire (The Church and Postmodern Culture)** Daniel M. Jr. Bell,2012-11-01 In this addition to the award winning Church and Postmodern Culture series respected theologian Daniel Bell compares and contrasts capitalism and Christianity showing how Christianity provides resources for faithfully navigating the postmodern global economy Bell approaches capitalism and Christianity as alternative visions of humanity God and the good life Considering faith and economics in terms of how desire is shaped he casts the conflict as one between different disciplines of desire He engages the work of two important postmodern philosophers Deleuze and Foucault to illuminate the nature of the postmodern world that the church currently inhabits Bell then considers how the global economy deforms desire in a manner that distorts human relations with God and one another In contrast he presents Christianity and the tradition of the works of mercy as a way beyond capitalism and socialism beyond philanthropy and welfare Christianity heals desire renewing human relations and enabling communion with God **Earth-honoring Faith** Larry L. Rasmussen,2015-04-01 Larry L Rasmussen offers a dramatic new way of thinking about human society ethics and the health of our planet Rejecting the modern ethical assumption that morality applies to human society alone Earth honoring Faith argues that we must derive a system of ethics and morality that accounts for the wellbeing of all creation on Earth *Thomas Merton: God's Messenger on the Road towards a New World* Paul R. Dekar,2021-06-02 Thomas Merton

God's Messenger on the Road towards a New World highlights the contribution of the best selling North American writer between the Second World War and 1968 The Cistercian monk called people to act justly love kindness and walk humbly By his critique of technology a major impediment for people to follow Jesus by his writing on contemplative prayer by his interfaith outreach and through his witness against racism war and degradation of nature Merton still matters This book uses Micah 6 8 to organize Merton's focus on justice lovingkindness and humility as well as his dialogue with Rachel Carson Ernesto Cardinal Gandhi Martin Luther King Jr Thich Nhat Hahn and others **Marking the Church** Greg Peters, Matt Jenson, 2016-12-09 More than one person has joked over the years that Evangelical believers do not have an ecclesiology In one sense that is absurd Evangelical churches especially if you include Pentecostals in that group are some of the fastest growing most vibrant churches in the world Evangelicals are proclaiming the gospel praising the Lord reading the Bible and loving the poor But there is a case to be made that the Evangelical devotion to the mission of the church has left Evangelicals with little time to reflect on the church itself In this collection of essays first given at annual meetings of the Evangelical Theological Society the authors take time to reflect on the nature of the church in an Evangelical context asking after the way in which it is one holy catholic and apostolic **Dismissing Jesus** Douglas M. Jones, 2013-05-07 What is the way of the cross Why does it create resistance How do we answer objections to it The revival of interest in Christ's kingdom and radical discipleship has produced a wave of discussions but sometimes those discussions are scattered This book aims to pull together in one place the core claims of the way of the cross It aims to examine the deeply cherished assumptions that hinder us from hearing Jesus's call When we do that we'll see that the gospel of Christ is not primarily about getting into heaven or about living a comfortable individually pious middle class life It is about being free from the ancient pervasive and delightful oppression of Mammon in order to create a very different community the church an alternative city kingdom here and now on earth by means of living and celebrating the way of the cross the reign of joyful weakness renunciation self denial sharing foolishness community and love overcoming evil *Theology as Retrieval* W. David Buschart, Kent Eilers, 2015-04-15 Buschart and Eilers identify six critical areas Scripture theology worship spirituality mission and culture where contemporary Christians are retrieving aspects of our Christian past for life and thought today The result is a fascinating tour and wise reflection on how Christians might receive employ and transmit the treasures of their past *Missional.
