Gods Empowering Presence The Holy Spirit In The Letters Of Paul:

God's Empowering Presence Gordon D. Fee, 1994 God's Empowering Presence is the most comprehensive and insightful work in print on the life and work of the Holy Spirit as reflected in the writings of the Apostle Paul Dr Fee combines his acknowledged skill as a text critic and exegete with his vibrant spirituality to give us access to God's living presence in the Church

God's Empowering Presence Gordon D. Fee, 1994 The Spirit World in the Letters of Paul the Apostle Guy Williams, 2009-09-16 Guy Williams beleuchtet die Rolle der Geistwesen in den echten paulinischen Briefen Entgegen der weit verbreiteten Ansicht Geister und spirituelle Wesen seien für Paulus unbedeutend und trivial gewesen vertritt Williams die These dass diese inhärente Merkmale der Briefe darstellten Die Berücksichtigung ihres historischen und kulturellen Hintergrundes zeigt dass die Vorstellung von den Einwohnern der paulinischen Geistwelt den Engeln Dämonen Kräften und Satan denen des allgemeinen Gedankenguts entspricht Schließlich bezieht Williams die Ergebnisse seiner Untersuchung auf drei Bereiche Paulus Christologie seine Soteriologie und seine Vorstellung von Gemeinschaft Sein Ansatz erlaubt einen frischen Blick auf Ort und Bedeutung von spirituellen Wesen bei Paulus nicht im Sinne einer neuen Doktrin aber als allgemeines und kulturelles Idiom der paulinischen Texte

God in Paul's Letters Timothy Milinovich, Normand Bonneau, Robert F. O'Toole S. J., 2023-06-29 In Pauline studies where Christological questions have often carried the day Paul's understanding of God is emerging to play an equally important role What did it mean to the apostle that God is sovereign Lord of history and creation This volume explores the various ways that the theme of God is foundational to Paul's seven undisputed letters with attention to the diverse perspectives of each letter In addition the volume offers essays on overarching topics such as epistemology and the new creation that Paul describes in his writing The authors engage as well challenging questions including Paul's views on evangelizing all people Jew and Gentile alike Readers will come away with a deeper appreciation for both the theology and the Christology of Paul whose understanding of God provides the key to the salvific plan realized in Christ

The Power of God in Paul's Letters Petrus J. Gräbe, 2008 The concept of God's power is a leading motif in Pauline theology It functions in key passages of Paul's letters and is intrinsically linked to his theology of the cross and its soteriological explication in the message of justification Because this concept is so closely related to the message of the cross Paul often speaks of power in a paradoxical context Although power is generally assumed to be an important motif in Pauline theology the concept has not yet been fully explored Petrus J Grabe investigates the concept of God's power in Paul's letters He also gives an overview of God's power in the broader New Testament context in order to distinguish more clearly the specific Pauline interpretation of the power of God The investigation comprises three sections A lexico and conceptual historical overview of the concept of power an exegetical investigation of the concept of God's power in Paul's letters and a theological scope of the concept of God's power in the Pauline letters In the last section Petrus J Grabe distinguishes between a theological christological and a pneumatological emphasis The concept of God's power plays an

important role in the way Paul views his apostolic ministry In the concluding chapter the author therefore deals with Paul's ministry within the christological perspective on weakness and power The work is an important contribution to Pauline studies and is a well researched thorough and scholarly study Jeffrey R Asher in *The Catholic Biblical Quarterly* vol 64 2002 page 762 This book is a useful refresher course on Paul with a valuable dialogue with the most recent monographs and commentaries on his letters Benedict T Viviano in *Zeitschrift fur Missions und Religionswissenschaft* Jahrgang 86 2002 p 74

Paul's Letter to the Romans Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain *The Letter to Philemon* Scot McKnight, 2017 The Academy of Parish Clergy's 2018 Top Five Reference Books for Parish Ministry Paul's letter to Philemon carries a strong message of breaking down social barriers and establishing new realities of conduct and fellowship It is also a disturbing text that has been used to justify slavery Though brief Philemon requires close scrutiny In this commentary Scot McKnight offers careful textual analysis of Philemon and brings the practice of modern slavery into conversation with the ancient text Too often McKnight says studies of this short letter gloss over the issue of slavery an issue that must be recognized and dealt with if Christians are to read Philemon faithfully Pastors and scholars will find in this volume the insight they need to preach and teach this controversial book in meaningful new ways *New Creation in Paul's Letters and Thought* Moyer V. Hubbard, 2002-07-11 As a biblical motif new creation resonates throughout the pages of the Jewish and Christian scriptures and occupies a central place in the apostle Paul's vision of the Christian life Yet the biblical and extra biblical occurrences of this theme vary widely in meaning referring to either a new cosmos a new community or a new individual Beginning with the Old Testament and working through the important texts of Second Temple Judaism Moyer V. Hubbard focuses on how the motif functions in the argument strategy and literary structure of these documents highlighting its role as the solution to the perceived plight He then explores in detail which senses of the term Paul intends in Galatians 6:15 and 2 Corinthians 5:17 concluding that new creation in Paul's letters describes the Spirit wrought newness of

the person in Christ and is fundamentally anthropological in orientation **Paul's Letter to the Romans** Ben Witherington, 2004-03-02 While Paul's letter to the Romans is the most studied and commented on document from the biblical period the major exegetical books on Romans from the nineteenth and twentieth centuries have been overwhelmingly shaped by the Reformed tradition Through a careful survey of work on Romans by both ancient Church Fathers and modern exegetical scholars Ben Witherington III here argues that the interpretation of Romans since the Reformation has been far too indebted to and at key points led astray by Augustinian readings of the text as filtered through Luther Calvin and others In this first full scale socio rhetorical commentary on Romans Witherington gleans fresh insights from reading the text of Paul's epistle in light of early Jewish theology the historical situation of Rome in the middle of the first century A D and Paul's own rhetorical concerns Giving serious consideration to the social and rhetorical background of Romans allows readers to hear Paul on his own terms not just through the various voices of his later interpreters Witherington's groundbreaking work also features a new clear translation of the Greek text and each section of the commentary ends with a brief discussion titled Bridging the Horizons which suggests how the ancient text of Romans may speak to us today **The Kingdom of God Is among You**

Gordon D. Fee, Cherith Fee Nordling, 2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i.e. we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1

The Accountable Animal: Justice, Justification, and Judgment Brendan Case, 2021-04-08 The Accountable Animal Justice Justification and Judgement offers a theological meditation on the human being as an accountable animal Brendan Case introduces the idea of accountability not merely as a structural feature of human institutions but as a disposition to submit to rightly constituted authority whether divine or human He relates this conception of accountability to the key themes of justice justification and judgment *Echoes of Scripture in the Letter of Paul to the Colossians* Christopher A. Beetham, 2009-01-31 While the use of the Old Testament in the New Testament has captured the attention of biblical scholars

over the years no study has been devoted to the presence of Scripture in Colossians largely because there are no explicit quotations in Colossians With the introduction of literary intertextuality into the discipline however scholars have begun to devote more attention to the NT authors less explicit references to Scripture often labelled as allusions and or echoes Scholars however continue to debate what constitutes an allusion or echo or how one validates a given proposal as such This study proposes new definitions of these terms and offers a methodology on how to detect and validate them using Colossians as a test case

Paul and the Ancient Letter Form Stanley E. Porter,Sean A. Adams,2010-03-22 Throughout the last century there has been continuous study of Paul as a writer of letters Although this fact was acknowledged by previous generations of scholars it was during the twentieth century that the study of ancient letter writing practices came to the fore and began to be applied to the study of the letters of the New Testament This volume seeks to advance the discussion of Paul s relationship to Greek epistolary traditions by evaluating the nature of ancient letters as well as the individual letter components These features are evaluated alongside Paul s letters to better understand Paul s use and adaptations of these traditions in order to meet his communicative needs
