## **Gods Forever Family The Jesus People Movement In America:**

**God's Forever Family** Larry Eskridge, 2013-07-18 The Jesus People were an unlikely combination of evangelical Christianity and the hippie counterculture God's Forever Family is the first major examination of this phenomenon in over thirty years God's Forever Family, 2013 *God's Forever Family* Larry Eskridge, 2013-05-31 Winner of the 2014 Christianity Today Book of the Year First Place Winner of the Religion Newswriters Association's Non fiction Religion Book of the Year The Jesus People movement was a unique combination of the hippie counterculture and evangelical Christianity It first appeared in the famed Summer of Love of 1967 in San Francisco's Haight Ashbury district and spread like wildfire in Southern California and beyond to cities like Seattle Atlanta and Milwaukee In 1971 the growing movement found its way into the national media spotlight and gained momentum attracting a huge new following among evangelical church youth who enthusiastically adopted the Jesus People persona as their own Within a few years however the movement disappeared and was largely forgotten by everyone but those who had filled its ranks God's Forever Family argues that the Jesus People movement was one of the most important American religious movements of the second half of the 20th century Not only do such new and burgeoning evangelical groups as Calvary Chapel and the Vineyard trace back to the Jesus People but the movement paved the way for the huge Contemporary Christian Music industry and the rise of Praise Music in the nation's churches More significantly it revolutionized evangelicals relationship with youth and popular culture Larry Eskridge makes the case that the Jesus People movement not only helped create a resurgent evangelicalism but must be considered one of the formative powers that shaped American youth in the late 1960s and 1970s God's Forever Family Larry K. Eskridge, 2005 **A History of Evangelism in North America** Thomas P. Johnston, 2021-07-27 Encounter North American evangelism from the Great Awakening to the present day A History of Evangelism in North America guides readers on a tour through circuit riders and tent meetings to campus evangelism and online ministries Academic research combines with gospel faithfulness and love for the lost in this historical survey Encountering these prominent evangelism movements will inspire innovation and courage in the call to spread the Good News of Jesus Christ Few Christians recognize the historical backgrounds of various evangelistic ministries their theological traditions or their guiding principles A History of Evangelism in North America explores evangelism methodologies and legacies from the early 1700s to today Experts deliver current scholarship on twenty two evangelists and ministries including the following John Wesley and itinerant preachers The camp meeting movement The American Bible Society and Bible distribution evangelism The Navigators and personal discipleship Billy Graham and crusade evangelism Campus ministries The Jesus Movement 21st century evangelistic approaches A History of Evangelism in North America promises to have lasting value for those who study evangelism missions Christian history and the church in North America **The Divine Institution** Sophie Bjork-James, 2021-03-12 The Divine Institution provides an account of how a theology of the family came to dominate a white evangelical tradition in the post civil rights

movement United States providing a theological corollary to Religious Right politics This tradition inherently enforces racial inequality in that it draws moral religious and political attention away from problems of racial and economic structural oppression explaining all social problems as a failure of the individual to achieve the strong gender and sexual identities that ground the nuclear family The consequences of this theology are both personal suffering for individuals who cannot measure up to prescribed gender and sexual roles and political support for conservative government policies Exposure to experiences that undermine the idea that an emphasis on the family is the solution to all social problems is causing a younger generation of white evangelicals to shift away from this narrow theological emphasis and toward a more social justice oriented theology The material and political effects of this shift remain to be seen

### **Encyclopedia of Christianity in the United States**

George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation

*Worshiping with the Anaheim Vineyard* Park et al, 2017 Using narrative testimonies from leaders and members and photographs this book tells the story and explains the remarkable influence of the Vineyard Church of Anaheim on both the early years of the Vineyard movement and the emergence of contemporary worship in the broader church Not only does this volume present an in depth look at the congregation's pastor John Wimber and the church's first several years it also tells an inspiring story of revival and renewal for people hungering for deeper knowledge of God With interviews sermon excerpts sidebars timelines and a glossary of terms to enhance the text *Worshiping with the Anaheim Vineyard* addresses core issues about knowing God intimately for all Christians

### **Family Matters**

Hilde Løvdal Stephens, 2019-10-15 The first full length study of a pivotal figure in American evangelical faith James Dobson child psychologist author radio personality and founder of the Christian conservative organization Focus on the Family published his first book *Dare to Discipline* in 1970 and quickly became the go to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force The family expert became a leading voice in the Reagan

Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party Dobson's principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights feminism abortion and the secularization of public schools Dobson and Focus on the Family dominated Christian media through print radio and online venues and their message reached millions of American evangelical households shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s Family Matters James Dobson and Focus on the Family's Crusade for the Christian Home by Hilde L. V. Stephens is an insightful history and analysis of James Dobson's rise to fame effect on American evangelical culture and subsequent descent from relevance Extensively researched L. V. Stephens scoured through Dobson's books articles and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever-changing world By contextualizing the history of Dobson's reign L. V. Stephens's discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth-century conservative Christianity in the United States She explores complex topics ranging from Dobson's celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family

**Evangelical Worship** Melanie C. Ross, 2021-09-17 Say the words evangelical worship to anyone in the United States even if they are not particularly religious and a picture will likely spring to mind unbidden a mass of white middle class worshippers with eyes closed faces tilted upward and hands raised to the sky Weaving together insights from American religious history and liturgical studies and drawing on extensive fieldwork in seven congregations Melanie C. Ross brings contemporary evangelical worship to life Critics have underestimated evangelical worship seeing it as little more than a manipulative effort to arouse devotional exhilaration This book will irrevocably change that interpretation revealing worship to be the site where congregations forge argue over and enact their unique contributions to the American mosaic known as evangelicalism

**The Influence of Music on the Development of the Church of God (Cleveland, Tennessee)** Benson Vaughan, 2018-03-23 This book examines the influence of music on the development of the Church of God Cleveland Tennessee This narrative is historically driven but relies upon an interdisciplinary approach to draw on the insights of ecclesiology theology liturgiology church development and especially music This study utilizes a chronological and systematic approach to the relationship between music and the Church of God in the United States during the first 125 years of the denomination's history from 1886 to 2011 For over a century music has been an often neglected dialogue partner at the table of academic discussion and this research argues for recognition and a proper place in Pentecostal history Along with primary and secondary sources the important element of living archives is investigated in this work these are interviews with people who participated in historical music

events in the Church of God The book also relies upon musical examples to explore the influence of music upon the shaping of the denomination s history and theology      **Berkeley Street Theatre** Jeanne C. DeFazio,2017-02-01 Berkeley Street Theatre chronicles Christian World Liberation Front s 1969 1975 ministry to the counterculture Founded by Jack Sparks CWLF was featured in the June 1971 Time Magazine s epic Jesus Revolution edition Reverend Billy Graham sponsored the CWLF outreach and referred to CWLF as a highly effective outreach to the counterculture The book included a foreword by David W Gill former CWLF leader scholar and author contributing chapters from BST s members Gene Burkett Charlie Lehman Susan Dockery Andrews Father James Bernstein and Jeanne DeFazio editor of the book Part Two of this work outlines Christian Guerilla theater following the timeline of BST with contributing chapters from JMD Myers Joanne Petronella Jozy Pollock Olga Soler and Sheri Pedigo William David Spencer s afterword details the cultural contributions of the Jesus movement This book will appeal to the baby boom generation as well as millennials It is a resource work for anyone interested in religious history Christian theater and the arts and in how baby boomers embraced the Jesus Movement The photos of BST s Sproul Plaza performances will charm all readers      **God Rock, Inc.** Andrew Mall,2020-12-01 Popular music in the twenty first century is increasingly divided into niche markets How do fans musicians and music industry executives define their markets boundaries What happens when musicians cross those boundaries What can Christian music teach us about commercial popular music In God Rock Inc Andrew Mall considers the aesthetic commercial ethical and social boundaries of Christian popular music from the late 1960s when it emerged through the 2010s Drawing on ethnographic research historical archives interviews with music industry executives and critical analyses of recordings concerts and music festival performances Mall explores the tensions that have shaped this evolving market and frames broader questions about commerce ethics resistance and crossover in music that defines itself as outside the mainstream      *Victorious* Stan Guthrie,2019-11-01 Stan has given us a book that is full of insight about the life of one great woman yes but also about some of the most complicated nuanced and significant questions of our time The life of Corrie ten Boom is compelling testament to God s power and presence in the life of one of his beloved servants and it is also a powerful inspiration for our journeys of faith and calling Ruth Haley Barton founder Transforming Center and author of Strengthening the Soul of Your Leadership This is the story of how Corrie ten Boom s 1971 classic The Hiding Place came into being sold millions and helped shape the faith of a generation Some books have such an impact on people that they become more than a book they influence a generation and beyond Guthrie tells the story of Corrie ten Boom s The Hiding Place Ten Boom was a simple watchmaker in The Netherlands when World War II began and soon by faith and determination she became a heroine of the resistance to Hitler and the Nazis She survived the concentration camps and became one of the twentieth century s most important evangelists Nearly half a century after it was first published The Hiding Place still thrills and challenges readers with its portrait of Corrie ten Boom an imperfect servant of Jesus who was determined to defy evil defend the weak and endure

hardship      **Holiness and Pentecostal Movements** David Bundy,Geordan Hammond,David Sang-Ehil Han,2022-03-04 Since the 1830s Holiness and Pentecostal movements have had a significant influence on many Christian churches and they have been a central force in producing what is known today as World Christianity This book demonstrates the advantages of analyzing them in relation to one another The Salvation Army the Church of the Nazarene the Wesleyan Church and the Free Methodist Church identify strongly with the Holiness Movement The Assemblies of God and the Pentecostal Assemblies of the World identify just as strongly with the Pentecostal Movement Complicating matters denominations such as the Church of God Cleveland the International Holiness Pentecostal Church and the Church of God in Christ have harmonized Holiness and Pentecostalism This book the first in the new series Studies in the Holiness and Pentecostal Movements examines these complex relationships in a multidisciplinary fashion Building on previous scholarship the contributors provide new ways of understanding the relationships influences and circulation of ideas among these movements in the United States the United Kingdom India and Southeast and East Asia In addition to the editors the contributors are Kimberly Ervin Alexander Insik Choi Robert A Danielson Chris E W Green Henry H Knight III Frank D Macchia Luther Oconer Cheryl J Sanders and Daniel Woods      **America's Religious History** Thomas S. Kidd,2019-11-12 Religion race and American history America s Religious History is an up to date narrative based introduction to the unique role of faith in American history Moving beyond present day polemics to understand the challenges and nuances of our religious past leading historian Thomas S Kidd interweaves religious history and key events from the larger story of American history including The Great Awakening The American Revolution Slavery and the Civil War Civil rights and church state controversy Immigration religious diversity and the culture wars Useful for both classroom and personal study America s Religious History provides a balanced authoritative assessment of how faith has shaped American life and politics      **Evangelical Christians and Popular Culture** Robert H. Woods Jr.,2013-01-09 This three volume collection demonstrates the depth and breadth of evangelical Christians consumption critique and creation of popular culture and how evangelical Christians are both influenced by and influence mainstream popular culture covering comic books to movies to social media Evangelical Christians and Popular Culture Pop Goes the Gospel addresses the full spectrum of evangelical media and popular culture offerings even delving into lesser known forms of evangelical popular culture such as comic books video games and theme parks The chapters in this 3 volume work are written by over 50 authors who specialize in fields as diverse as history theology music psychology journalism film and television studies advertising and public relations Volume 1 examines film radio and television and the Internet Volume 2 covers literature music popular art and merchandise and Volume 3 discusses public figures popular press places and events The work is intended for a scholarly audience but presents material in a student friendly accessible manner Evangelical insiders will receive a fresh look at the wide variety of evangelical popular culture offerings many of which will be unknown while non evangelical readers will benefit from a comprehensive introduction to the subject matter      **Secularization and**

**Religious Innovation in the North Atlantic World** David Hempton, Hugh McLeod, 2017 In the early twenty first century it had become a cliché that there was a God Gap between a more religious United States and a more secular Europe The apparent religious differences between the United States and western Europe continue to be a focus of intense and sometimes bitter debate between three of the main schools in the sociology of religion According to the influential Secularization Thesis secularization has been an integral part of the processes of modernization in the Western world since around 1800 For proponents of this thesis the United States appears as an anomaly and they accordingly give considerable attention to explaining why it is different For other sociologists however the apparently high level of religiosity in the USA provides a major argument in their attempts to refute the Thesis Secularization and Religious Innovation in the North Atlantic World provides a systematic comparison between the religious histories of the United States and western European countries from the eighteenth to the late twentieth century noting parallels as well as divergences examining their causes and especially highlighting change over time This is achieved by a series of themes which seem especially relevant to this agenda and in each case the theme is considered by two scholars The volume examines whether American Christians have been more innovative and if so how far this explains the apparent God Gap It goes beyond the simple American European binary to ask what is American or European in the Christianity of the nineteenth and twentieth centuries and in what ways national or regional differences outweigh these commonalities

**Saving a Sick America** Michael L. Brown, PhD, 2017-09-26 Nationally syndicated radio host and columnist Michael Brown provides a handbook for a biblically based moral and cultural renaissance revealing that the key to recapturing America's greatness consists in returning to our spiritual and moral roots America is at a tipping point and never has this been more apparent than right now We are in danger of losing our spiritual and moral heritage making many believe that we have fallen beyond the point of recovery This book is here to say that yes we have fallen In fact fallen much further than we realize but that our country's best days are ahead with the help of a radical moral and cultural revolution beginning with the church This book is a manual for the revolution On all fronts Americans are talking about the need for revolution arguing from the left and the right that the status quo must go This book comes at just the right time as people are wondering what in the world has happened to our country from the homes to the college campuses from the inner cities to the White House from our national debt to the material found on our computers and TV screens In clear compelling prose Brown covers topics ranging from the sexualization of pop culture to the dumbing down of our schools to the undermining of family structures to a pervasive culture of entitlement while pointing consistently to the Bible's solution to these issues A radical call for reformation written with sobriety and hope Saving a Sick America provides the inspiration and guidance necessary for a moral and cultural revolution

**Divine Horror** Cynthia J. Miller, A. Bowdoin Van Riper, 2017-06-07 From Rosemary's Baby 1968 to The Witch 2015 horror films use religious entities to both inspire and combat fear and to call into question or affirm the moral order Churches provide sanctuary clergy cast out evil religious icons

become weapons holy ground becomes battleground but all of these may be turned from their original purpose This collection of new essays explores fifty years of genre horror in which manifestations of the sacred or profane play a material role The contributors explore portrayals of the war between good and evil and their archetypes in such classics as The Omen 1976 The Exorcist 1973 and Dracula Has Risen from the Grave 1968 as well as in popular franchises like Hellraiser and Hellboy and cult films such as God Told Me To 1976 Thirst 2009 and Frailty 2001

## **Gods Forever Family The Jesus People Movement In America** Book Review: Unveiling the Magic of Language
