Gods Kingdom Through Gods Covenants A Concise Biblical Theology:

God's Kingdom through God's Covenants Peter J. Gentry, Stephen J. Wellum, 2015-08-31 The Bible records a number of covenants that God made with his people. However, rather than merely abstract ideas for theologians and scholars to study, the covenants in Scripture hold the key to understanding the Bible's overarching story and message. In *God's Kingdom through God's Covenants*, two world-class scholars offer readers an engaging snapshot of how God has chosen to lovingly relate to his people in history, tracing the significance of the concept of covenant through both the Old and New Testaments. Explaining the differences between covenant theology and dispensationalism while offering a thoughtful alternative to both, this book ultimately highlights the covenantal framework through which God has promised to remain faithful to his people.

Kingdom through Covenant (Second Edition) Peter J. Gentry, Stephen J. Wellum, 2018-09-20 *Kingdom through Covenant* is a careful exposition of how the biblical covenants unfold and relate to one another, a widely debated topic critical for understanding the narrative plot structure of the whole Bible. By incorporating the latest available research from the ancient Near East and examining implications of their work for Christology, ecclesiology, eschatology, and hermeneutics, scholars Peter J. Gentry and Stephen J. Wellum present a thoughtful and viable alternative to both covenant theology and dispensationalism. This second edition features updated and revised content, clarifying key material and integrating the latest findings into the discussion.

A Basic Guide to Biblical Theology Alan J. Thompson, 2025-11-04 Serious students of the Bible quickly discover the diversity that stems from the human origins of Scripture, such as different authors writing in different times, places, genres, and languages. Written by an expert in biblical theology, this short, accessible book helps readers understand the unity that springs from the divine authorship of Scripture and how the whole Bible fits together. Alan Thompson enables readers to see the big picture of the Bible by unpacking nine key themes that unite the Testaments and hold the Bible together: creation, covenant, the exodus, law, and wisdom, sacrifice, kingship, the prophetic hope, the kingdom of God, and the final holy city. *A Basic Guide to Biblical Theology* helps readers read the Old Testament in light of the New Testament and the New Testament in light of the Old Testament. This book provides an introductory framework for the big themes of biblical theology, preparing readers for a lifetime of Bible study. It will appeal to anyone who wants to understand how the Bible fits together, including students, pastors, church leaders, and laypeople.

40 Questions About Biblical Theology Jason S. DeRouchie, Oren R. Martin, Andrew David Naselli, 2020-11-24 An accessible survey of the meaning, methodologies, themes, and applications of biblical theology. To understand what the entire Bible teaches about any given subject, we must practice biblical theology. By surveying the whole canon of Scripture, we can best discern what God has revealed about any particular issue. But doing so requires answering a number of important questions: What type of biblical theology will we choose? What overall story does the Bible tell? How should we understand the relationship between the Old and New Testaments? How does our topic fit within salvation history? How do we apply the truths we discover? *40 Questions*

About Biblical Theology provides resources to answer these key questions in order to guide readers in their own study and practice of biblical theology Other vital topics the authors address include how to understand typology key themes in biblical theology and how Christians should relate to Old Testament promises Ideal for courses on biblical theology for pastors and for anyone who teaches or interprets Scripture 40 Questions on Biblical Theology will deepen your understanding and application of the whole counsel of God Covenantal and Dispensational Theologies Brent E. Parker, Richard J.

Lucas, 2022-02-08 How do the Old and New Testaments relate to each other What is the relationship among the biblical covenants In this volume in IVP Academic's Spectrum series readers will find four contributors who explore these complex questions each making a case for their own view and responding to the others views to offer an animated yet irenic discussion on the continuity of Scripture **Covenant Lord and Cultic Boundary** Michael Beck, 2023-02-02 The Reformed Two Kingdom project has generated a great deal of literature However this literature is often characterized by inflamed rhetoric Further though it is standard fare to assume that Kline was the architect of the project in reality there has been very little scholarly examination of this point In response Kline's system is analyzed through the means of a dialectical discourse with three differing models within the Reformed tradition the Theonomist Perspectivalist and Dooyeweerdian schools Through this means the study keeps away from surface level polemics and instead directs readers to the critically important substructural level of current discussions While clarifying some of the key differences between Kline and his interlocutors often overlooked points of nuance are also highlighted These points are shown to be important in that they present the potential to lessen frustration and impasse in the ongoing dialogue *Two Testaments, One Story* Michael

Eberhardt-Sturm, 2022-12-23 Traditionally the fault lines in biblical theology run between the understanding of whether the field is a purely descriptive endeavor produces a normative theology or tries to achieve both However is this the only grid we should use to approach biblical theology Should practicing it not rather foremost result in a transformative experience that encompasses and integrates both Testaments *Two Testaments One Story* explores the foundation for a transformative panbiblical theology that empowers believers to live a consistent and compelling life as Christ followers and global Christians in a pluralistic world Join the author in this journey from the preparation work at the drawing board through the extensive study of scripture to constructing the biblical story world's literary and theological framework Central to this quest are the concepts of cultural memory and remembrance culture and identifying the Bible's critical root stories Their workup establishes the road to unlocking scripture's story world Discover the path to a transformative panbiblical theology in *Two Testaments One Story* *Christ and Theology* Scott Stine, 2025-02-17 Tracing the relationship between Christ centered biblical theology and the so called Great Tradition this book seeks to remedy often self diagnosed weaknesses in evangelical gospel centered hermeneutics Meeting charges first that redemptive historical approaches to Scripture tend to de-theologize the Bible and second that theological approaches tend to de-historicize the Bible Scott Stine appropriates Calvin's famous

spectacles metaphor to propose a hermeneutical method that orients the Scripture reader both upward theologically and forward redemptive historically The outcome is a unique approach called typological realism emphasizing that God reveals his good purposes along a typological trajectory inviting believers to participate in the journey This book does not seek to offer anything new to Christian interpretation of Scripture but to join together features from oft used approaches that not only fit together thematically but also remedy reductive tendencies The goal is to help those listening to Scripture as God's shepherding voice to hear the fullness of his revelation the purposeful process that culminates in the Beatific Vision

Discontinuity to Continuity Benjamin L. Merkle, 2020-06-03 What is the best framework for reading the Bible The question of how to relate the Old and New Testaments is as old as the Bible itself While most Protestants are unified on the foundations there are major disagreements on particular issues Who should be baptized Is the Christian obligated to obey the Law of Moses Does the church supplant Israel Who are the proper recipients of God's promises to Israel In *Discontinuity to Continuity* Benjamin Merkle brings light to the debates between dispensational and covenantal theological systems Merkle identifies how Christians have attempted to relate the Testaments placing viewpoints along a spectrum of discontinuity to continuity Each system's concerns are sympathetically summarized and critically evaluated Through his careful exposition of these frameworks Merkle helps the reader understand the key issues in the debate Providing more light than heat Merkle's book will help all readers better appreciate other perspectives and articulate their own **God's Glory Revealed in Christ**

James Hamilton, Denny Burk, Brian J. Vickers, 2019-11-28 Thomas R Schreiner is one of the most significant scholars in modern Baptist academia For over three decades Schreiner has faithfully taught multiple generations in the classroom in the church and through his many published works B H Academic is honored to publish this collection of essays in honor of Thomas R Schreiner teacher pastor and friend **Progressive Covenantalism** Stephen J. Wellum, Brent E.

Parker, 2016-04-15 Biblical covenants provide the backbone to the narrative plot line of Scripture therefore it is essential to think through the interrelationship between the biblical covenants starting in creation and culminating in Christ in order to rightly grasp the whole counsel of God **Crowned with Glory and Honor** Michael A. Wilkinson, 2024-03-06 Jesus defines what it means to be human The field of theological anthropology is at a standstill mired in debate between dualist and physicalist perspectives on body and soul In *Crowned with Glory and Honor* A Chalcedonian Anthropology Michael A

Wilkinson argues that the man Jesus is the way forward Anthropology should be centered around Jesus God the Son incarnate is true man like us in all things except sin Wilkinson approaches human ontology through Christology by looking to the Chalcedonian Definition and its Christology Chalcedon confesses the man Jesus to be the divine person of the Son subsisting in a human nature A Chalcedonian anthropology extends Jesus's person nature constitution to define what it means to be human A human being is a human person subsisting in a human nature We are more than body and soul because Jesus is so much more *Reformed Systematic Theology, Volume 2* Joel Beeke, Paul M. Smalley, 2020-11-16 The aim of

systematic theology is to engage not only the head but also the heart and hands Only recently has the church compartmentalized these aspects of life separating the academic discipline of theology from the spiritual disciplines of faith and obedience This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights characterized by a simple accessible comprehensive Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley shift from the doctrine of God theology proper to the doctrine of humanity anthropology and the doctrine of Christ Christology This extensive reformed theology explores the Bible s teaching about who we are and why we were created as well as who Jesus is and why his divinity is essential to the Christian faith

Evangelical Theology, Second Edition Michael F. Bird, 2020-10-20 Gospel Centered Theology for Today Evangelical Theology Second Edition helps today s readers understand and practice the doctrines of the Christian faith by presenting a gospel centered theology that is accessible rigorous and balanced According author Michael Bird the gospel is the fulcrum of Christian doctrine the gospel is where God meets us and where we introduce the world to God And as such an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology The text helps readers learn the essentials of Christian theology through several key features including A What to Take Home section at end of every part that gives readers a run down on all the important things they need to know Tables sidebars and questions for discussion to help reinforce key ideas and concepts A Comic Belief section since reading theology can often be dry and cerebral so that readers enjoy their learning experience through some theological humor added for good measure Now in its second edition Evangelical Theology has proven itself in classrooms around the world as a resource that helps readers not only understand the vital doctrines of Christian theology but one that shows them how the gospel should shape how they think pray preach teach and minister in the world

Covenant and God's Purpose for the World Thomas R. Schreiner, 2017-07-14 Behold my covenant is with you and you shall be the father of a multitude of nations Genesis 17 4 Throughout the Bible God has related to his people through covenants It is through these covenant relationships which collectively serve as the foundation for God s promise to bring redemption to his people that we can understand the advancement of his kingdom This book walks through six covenants from Genesis to Revelation helping us grasp the overarching narrative of Scripture and see the salvation God has planned for us since the beginning of time bolstering our faith in God and giving us hope for the future Part of the Short Studies in Biblical Theology series

God's Gifts for the Christian Life — Part 1 J. Alexander Rutherford, 2021-11-05 How are Christians to think about the intellectual tasks that make up everyday life in the modern world It is clear we are not to do so as the world does but what does it look like to engage Christianly in our thinking In the first part of the series God s Gifts for the Christian Life J Alexander Rutherford shows how the Bible equips us to confidently engage in the interpretation of and engagement with the Word of God and the world he has created In God s rich mercy he has enabled us to know him his word and his world In a world where it is

preposterous and arrogant to claim to know anything certainly we are in desperate need of renewed foundations In God's Gifts for the Christian Life see some of the ways that God through his limitless power has made available to us everything necessary for life and godliness 2 Peter 1:3 *The Workers are Few* J. Alexander Rutherford, 2025-01-31 By all indications the Western Church is facing a crisis of pastoral ministry Pastoral ministry is on a trajectory of decline despite the fact that God has opened a massive mission field on our doorstep a mission field that requires workers Moreover we continue to export the same model of ministry to the global Church inviting them to join us in the state of crisis In Matthew 9:37-38 Jesus invites his disciples to consider the vast harvest of souls God has prepared a harvest awaiting workers If we want to see our churches healthy and our neighbours come to know Jesus we must be interested in God's work to prepare workers for the harvest This book is an attempt to repair what is broken to contribute to the repair of pastoral ministry I am convinced that no problem is more urgent to the church globally than this one yet I am also convinced the solution to this problem is quite simple This book argues that our crisis is the result of swapping the biblical vision of pastoral ministry for a poor substitute and our failure to raise disciples in our local church Part 1 identifies significant reasons why we are in a crisis Part 2 lays a biblical foundation for rebuilding a biblical model of pastoral ministry and Part 3 shows how this foundation can be built upon in the life of a local church
