At the center of this conspiracy is a group of respected powerful individuals who believe that the ancient Egyptian gods are really extraterrestrials who will soon return to earth. The conspirators have intimate and exclusive knowledge of this momentous second coming but they insist on keeping it to themselves. What could be the purpose of such a conspiracy? Why are the conspirators so desperate to keep their information a secret? And what does it mean for mankind? In this riveting well researched book Picknett and Price offer compelling evidence that the conspiracy exists and expose the insidious motivations of the individuals and organizations behind it.      **The Real Name of God** Rabbi Wayne Dosick, 2012-05-29 Reveals the real whole name of God and its place within each of us. **Gods of the New Millenium** Alan F. ALFORD, 1997 [The Atlantis Blueprint](#) Colin Wilson, Rand Flem-Ath, 2008-12-10 A spellbinding blend of history and science scholarship and speculation this landmark work presents startling new evidence that traces archaeology's most enduring mysteries back to the lost civilization of Atlantis The Great Pyramid Stonehenge Machu Picchu For centuries these and other sacred sites have inspired wonder among those who ponder their origins Conventional science tells us they were constructed by local peoples working with the

primitive tools of a fledgling civilization But these megaliths nonetheless continue to attract pilgrims scholars and adventurers drawn by the possibility that their true spiritual and technological secrets remain hidden Who could have built these elaborate monuments How did they do it And what were their incomprehensible efforts and sacrifices designed to accomplish Now comes a revolutionary theory that connects these mysteries to reveal a hidden global pattern the ancient work of an advanced civilization whose warnings of planetary cataclysm now reverberate across one hundred millennia International bestselling author Colin Wilson and Canadian researcher Rand Flem Ath join forces to share startling evidence of a fiercely intelligent society dating back as much as 100 000 years one that sailed the oceans of the world building monuments to preserve and communicate its remarkable wisdom The Atlantis Blueprint is their term for a sophisticated network of connections between these sacred sites that they trace to Atlantis a sophisticated maritime society that charted the globe from its home base in Antarctica until it was obliterated by the devastating global changes it anticipated but could not escape Here is adventure to realms beyond our imaginings to shifting poles changing latitudes into the world of ancient mariners who recharted the globe to astonishing discoveries about our ancestors Here are the great mysteries the incredibly complex geography of the Temple of Luxor the startling sophistication of Egyptian science and math and tantalizing similarities among the Hebrew Greek and Mayan alphabets to the Chinese lunar zodiac The Atlantis Blueprint opens up a Pandora s box of ancient mysteries lost worlds and millennial riddles It is a story as controversial fascinating dangerous and inspiring as any ever told

Quigley, 2000 New are the mystical insights into his secret teaching revealed especially by the Gospel of Thomas which may also be interpreted like the Bible itself in the light of speculations about extra terrestrial and supra

terrestrial beings and their interaction with humanity and its development over the millennia To link all these seemingly disparate strands would appear to be no easy matter but the author s wide reading and ability to make connections enable him to produce a synthesis that is a useful contribution to the modern religious debate as well as a worthwhile intellectual and spiritual journey of exploration BOOK JACKET *Star Love Network Journal* , **Os Illuminati** Jim Marrs,2021-01-07
