Gods Super Apostles Encountering The Worldwide Prophets And Apostles Movement:

God's Super-apostles R. Douglas Geivett, Holly Pivec, 2014 *God's Super Apostles* provides a concise entry level overview of the key teachings and practices of the New Apostolic Reformation NAR movement This is a key resource in grasping the significance of this global confusing and controversial movement [Study Guide for God's Super-Apostles](#) R. Douglas Geivett, Holly Pivec, 2017-03-22 Do God's prophets and apostles walk the earth today Many popular teachers say yes including Bill Johnson from Bethel Church Redding California Mike Bickle from the International House of Prayer Kansas City Missouri and Rick Joyner from Morningstar Ministries Fort Mill South Carolina But when examined in the light of Scripture their teachings about prophets and apostles fall short Whether you know it or not you've probably encountered the fast growing religious movement involving these and other teachers the New Apostolic Reformation The New Apostolic Reformation is led by men and women who claim to be modern day prophets and apostles They seek to bring God's kingdom to earth through their new revelations miraculous powers and novel practices like Treasure Hunting Sozo ministry 24/7 prayer rooms and schools of supernatural ministry Some groups embrace all of these others only some Designed for individuals or groups this study guide used with the full length companion book *God's Super Apostles* will help you understand this bewildering movement You'll learn what New Apostolic Reformation leaders teach about topics like apostles prophets spiritual warfare demons and miracles You'll learn how their teachings about these topics deviate from historic Pentecostal and charismatic teachings Most importantly you'll learn how to respond to their teachings with Scripture It will also guide you in developing personal strategies for countering the New Apostolic Reformation's growing influence Editorial Reviews for *God's Super Apostles* In two recent books R Douglas Geivett and Holly Pivec provide a balanced biblical critique of the New Apostolic Reformation Both books are well written fairly argued and amply documented As a classical Pentecostal I see brothers and sisters among leaders and followers of the New Apostolic Reformation Chances are you your family or your church has heard of NAR's doctrines or have been influenced by them With R Douglas Geivett and Holly Pivec I believe that NAR doctrines are not true because unbiblical and unhelpful because not true George P Wood Executive Editor Assemblies of God Publications General Council of the Assemblies of God *God's Super Apostles* is a clear and winsome work that provides just the right depth of examination and that comes to clear and biblical conclusions Tim Challies Author and blogger at Challies.com Endorsements for *God's Super Apostles* Given the explosion of the apostolic movements *God's Super Apostles* represents a concise and valuable survey of what is happening around the globe Geivett and Pivec provide insightful biblical and historical analyses which are useful for those wanting to understand these sometimes bewildering movements Especially beneficial are the distinctions the authors make between the teachings of the historic Pentecostal churches and the more recent New Apostolic Reformation views of such leaders as C Peter Wagner and others Vinson Synan Dean Emeritus Regent University School of Divinity The authors clearly and systematically describe the movement's origins and outworkings and they offer a

thoughtful balanced and biblical counterpoint to its many errors and excesses Their work is eminently practical desperately needed and long overdue Paul Carden Executive Director The Center for Apologetics Research [Apostles and Prophets](#) Opoku Onyinah,2022-01-27 This book is an attempt to trace and find out the role of apostles and prophets in the Bible and then share these in a practical way to help the church of today It distinctively goes beyond the purview of the New Testament into the Old Testament and some ancient literature to bring out the wealth and depth of the subject and then makes a case for it Among others this book deals with the call of God the constitution and functions of a prophet and of an apostle Spiritual gifts the difference between apostles and prophets and how to test the manifestation of the Spirit One important issue which this book addresses is how the leadership of the church dropped from apostles to bishops You will enjoy reading it [The Gifted Church](#) W. Clay Jackson MD DipTh,2025-02-13 What if we re missing something The New Testament describes a vibrant church empowered by the Holy Spirit with supernatural gifts of manifestation service and leadership which turned the known world upside down within three generations But as the freedom of the operation of the Holy Spirit waned and post apostolic leaders consolidated power within hierarchical systems that missional momentum was truncated In this pivotal work Dr Jackson brings an Apostolic hermeneutic to the scriptures and mountain of classical and contemporary sources to demonstrate that this historical declension from scriptural truths began its long reversal with the Reformation culminating in the worldwide outpouring of the Holy Spirit in the early 20th century The restorationist impulse of the pioneers of modern Pentecostalism caused them to embrace previously neglected manifestation gifts charismata but did not substantially alter their ecclesiology as they failed to fully actualize the edification gifts domata Dr Jackson details the function and characteristics of each edification gift or speaking leadership role within a scriptural framework of an apostolic team He warns against excesses and abuses of power and reminds each disciple maker that the character of the Giver not the characteristics of the gift is the true determinant of our ability to serve faithfully This book will challenge the pastor theologian to rethink church leadership and to reengage the whole church in the kingdom expansion that characterized early Christianity It will provide enrichment and clarity regarding the roles of those who portray and embody various types of edification leadership gifts The result will be a church whose missional impulse is not outsourced to designees but internalized within each member of a Body that is equipped for service within local and global contexts **The New Apostolic Reformation, Trump, and Evangelical Politics** Damon T. Berry,2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights or a nostalgia for an imagined American golden age this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America Damon T Berry examines how leaders within the New Apostolic Reformation NAR a charismatically inclined Evangelical movement claim their support for Trump came from alleged prophetic visions that compelled them to defend Trump s candidacy and to continue to defend his presidency re

election against demonically inspired Marxist Deep State enemies In this conspiratorial cosmology spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God's anointed leader and war against malevolent unpatriotic forces that oppose him the nation and God himself Working from primary source materials produced by leading figures among the NAR Berry argues that this conspiratorial discourse is central to NAR support for Trump's candidacy presidency and re-election effort and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century *Reformed Systematic Theology, Volume 1* Joel Beeke, Paul M. Smalley, 2019-03-14 The church needs good theology that engages the head heart and hands This four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley explore the first two of eight central themes of theology revelation and God Counterfeit Kingdom Holly Pivec, R. Douglas Geivett, 2022-11-15 Is there a new reformation happening in the church It depends on who you ask The New Apostolic Reformation NAR is a popular and fast growing new movement of Christians who emphasize signs and wonders and teach that God is giving new revelation through new apostles and prophets But is this biblical Christianity In Counterfeit Kingdom apologists and NAR experts Holly Pivec and Douglas Geivett show how the NAR's key tenets distort the gospel twist the Scriptures are influenced by New Age practices and lead faithful Christians to shipwreck their faith They also offer practical suggestions for readers who are already influenced by the NAR curious about it or concerned about loved ones who have been swept up in the movement What used to be on the fringes of the church is now mainstream and many are being influenced by it unaware This book is a wake up call *Death, the End of History, and Beyond* Greg Carey, 2023-01-31 What happens at the end of our lives and of the course of history Will God bring about a just and peaceful world What lies beyond this realm and what can we know of the beings who dwell there In *Death the End of History and Beyond* Greg Carey offers resources for understanding multiple even conflicting ways that the Bible imagines these ultimate realities Carey opens the Scriptures with a breadth of insight that acknowledges its diversity of viewpoints about what lies beyond the veil centering hope in God's action to bring good out of evil in our lived realities in our personal journeys through death and in visions of resurrection and justice restored An appendix on preaching also invites clergy to help their communities imagine when and how eschatology can inform our lives today 40 Questions About Pentecostalism Jonathan Black, 2024-06-18 At just over a century old the Pentecostal Movement accounts for over 500 million believers worldwide and continues to grow Still confusion abounds over what Pentecostals believe and teach about the Holy Spirit worship salvation healing and much more In *40 Questions About Pentecostalism* Jonathan Black provides an accessible overview of the historical theological biblical and experiential factors that make Pentecostalism a vibrant and worldwide Christian movement He answers questions such as these How did Pentecostalism begin in the United States What do Pentecostals believe concerning the Trinity Do Pentecostals affirm the

prosperity gospel What do Pentecostals believe about healing What is speaking in tongues As with all the 40 Questions books the question and answer format offers readers targeted guidance on the questions that matter most to them and controversial issues are addressed with robust scholarship and in a spirit of grace **Reckless Christianity** Douglas Geivett,Holly Pivec,2025-03-27 Bethel Church California is one of the most popular and polarising churches in America With its own Christian music label reports of miraculous healings and the manifestation of a glittering Glory cloud the congregation of Bethel Church is ever growing Bethel Church situates itself in the global movement of the New Apostolic Reformation believing that present day apostles and prophets must govern the church Some praise the church for the clear manifestation of God s activity others see the integration of controversial and hazardous practices into the church In Reckless Christianity Holly Pivec and R Douglas Geivett provide meticulous research and an incisive critique of the Bethel movement Citing its charismatic senior leader Bill Johnson as promoting a reckless Christianity Pivec and Geivett return to Scripture the authoritative Word of God to provide guidance on the boundaries of practice and where these boundaries are crossed In its pursuit of experimentation Reckless Christianity argues that the leaders of Bethel are pulling its followers into a dangerously speculative and experience driven Faith **Deceived No More** Doreen Virtue,2020-07-28 The Miraculous Story of a Hugely Successful New Age Teacher s Conversion to Christianity In this brilliant utterly captivating memoir Doreen Virtue chronicles her journey in discovering everything she believed in was a lie She poignantly shares the price she s paid for following Jesus New Age teachings are based on concepts that sound almost irresistible But as Doreen discovered they come with a hidden price your eternal destiny Here is a riveting personal confessional of how a former false prophet learned to trust God after nearly wasting a lifetime being independent and willful trying to predict and control the future and how Jesus saved her soul from deception and opened her eyes to His truth Deceived No More can help you learn how to discern dangerous teachings so you can detect and avoid deception Topics include How to spot New Age teachings and why they re dangerous Biblical ways to deal with persecution spiritual warfare and other post conversion issues How to witness to a New Ager The Pentecostal World Michael Wilkinson,Jörg Haustein,2023-04-01 The Pentecostal World provides a comprehensive and critical introduction to one of the most vibrant and diverse expressions of contemporary Christianity Unlike many books on Pentecostalism this collection of essays from all continents does not attempt to synthesize and simplify the movement s inherent diversity and fragmented dispersion Instead the global flows of Pentecostalism are firmly grounded in local histories and expressions as well as the various modes of their worldwide reproduction The book thus argues for a new understanding of Pentecostal and Charismatic movements that accounts for the simultaneous processes of pluralization and homogenization in contemporary World Christianity Written by a distinguished team of international contributors across various disciplines the volume is comprised of six parts with each offering a critical perspective on classical themes in the study of Pentecostalism Led by a programmatic introduction the thirty six chapters within these parts explore a variety of

themes history and historiography conversion spirit beliefs and exorcism prosperity politics gender relations sexual identities racism development migration pilgrimage interreligious relations media ecumenism and academic research The Pentecostal World is essential reading for students and researchers in anthropology history political science religious studies sociology and theology The book will also be very useful for those in related fields such as culture studies black studies ethnic studies and gender studies

Understanding Spiritual Gifts Sam Storms, 2020-09-01 What are spiritual gifts Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God's gifts Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ In this comprehensive guide to the spiritual gifts Storms addresses the many bizarre and misleading interpretations while confronting the tendency to downplay the urgency of spiritual gifts for Christian living and ministry He explains how spiritual gifts both the more miraculous and the everyday are given to build up the body of Christ God has graciously provided these manifestations of the Spirit so that believers might encourage edify strengthen instruct and console one another all with a view to an ever increasing incremental transformation into the image of Jesus Christ Throughout this guide Sam Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every Christian believer Understanding Spiritual Gifts is useful as a reference to address common questions about the gifts but it also serves as a training manual for using and exercising the gifts in ministry It is perfect for any individual or group who wants to grow in their understanding of spiritual gifts for today
