Gods Three Great Promises To Abraham The 1000 Year Reign:

God's Three Great Promises to Abraham Jack Stacey, Brooks Leabee, 2014-03-08 The book teaches about the theory of pre millennialism and Jesus Christ reigning on earth for a thousand years Scriptural references are used to explore the fulfillment of God's three great promises to Abraham from Genesis 12:1-7

Because God Made a Promise to Abraham Buddy Selman, 2011-01-31 Because God made a promise to Abraham concerning inheriting the land of Israel a question arises To which line of Abrahams descendants was the Promise made That's important because they worship different Gods This poses the problem who is the true God This is the question of the ages concerning all claims of Deity All things of life and death depend on that answer This book addresses questions from the perspective that the God of the Bible through Abraham Isaac and Jacob is the true God and the God of true Christianity It distinguishes between true and counterfeit Christianity The war that started with Satans attempt to dethrone God and elevate himself to the Almighty is the defining factor of conflict Association is made between spiritual determinations and earthly happenings The next earthly event distinguishing where we are in time is the Russian invasion of Israel The only remaining possibility for Satans success is stopping God from keeping His promise to Abraham The mid east peace problem is not just about ownership of land but about who is God Also addressed doctrines and theories taught in error Dispensations covenants and promises are defined How Revelation is structured and plays out is explained ne purpose of the book is to cause the reader to think Not just about things termed religious but in truth how all things are related especially political Hopefully it gives insight on how to prepare mentally spiritually and materially for what Scripture says will happen Evidence shows we are the generation that experiences the Biblical end times and the fulfillment of Gods promise to Abraham America must choose follow the true God or the Satanic one world government The book challenges the true Church to reestablish scripture as our highest authority and be about our task

Three Views on the Millennium and Beyond Zondervan, 2010-08-10 Is there biblical evidence for a thousand year earthly kingdom the Millennium ruled by Christ before the fulfillment of the new heaven and new earth Revelation chapter 20 seems to suggest so but few books of the Bible are so difficult to interpret And a discussion of the Millennium branches out into many other theological questions about the end times eschatology Are these the last days What must happen before Jesus returns What part does the church play This Counterpoints volume compares three views of the Millennium Premillennial Christ will come again before this kingdom is established Postmillennial our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom Amillennial a future Millennium is not a literal kingdom and when Christ returns he will usher in an immediate new heaven and new earth Robert B Strimple Kenneth L Gentry Jr and Craig A Blaising offer their perspectives giving their exegetical reasoning Each of them then responds to the views held by their peers in a respectful and informative setting making it easy for you to compare their beliefs and gain a better understanding of how this aspect of Christianity's great hope the return of Jesus is understood by

the church The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion **Uncovering the Secrets of Bible Prophecy** Jeff Kinley,2018-11-06 Can I know for sure what s in store for the future With so much hype about the signs of the times it s more important than ever to know what God really said was going to happen It s not enough to take someone else s word for it You must know how to uncover prophetic truths in the Bible for yourself In this easy to read yet extremely helpful guide to understanding the nature and purpose of the prophetic passages in Scripture Jeff Kinley will show you the five biggest mistakes people make when it comes to Bible prophecyhow to sort fact from fiction and spot false prophetsthe major views and interpretive principles you need to knowthe difference Bible prophecy makes in your life right now The future may seem like one big mystery but it doesn t have to be God has made His plans evident to all And when you know what He has revealed you can face the last days with a confident assurance of His provision and victory **Is Financial Prosperity for Us Today Or the 1,000 Year Reign of Jesus Christ?** Allen J Charbonnet,Allen Charbonnet Sr.,2006-09

The Divinity of Jesus Christ Revisited in the Third Millennium Leopold Sarr,2012-12 Biblical Christianity is challenged today by other religions such as Hinduism Islam Mormonism Buddhism Jehovah s Witness Scientology to name a few including atheists and agnostics who claim that Jesus was simply a man a great teacher or guru or a prophet of God who worked his way to godhood Are such claims supported by the evidence Can we trust the Bible to tell us the truth about Jesus Is Jesus Christ truly God Can we find evidence of his deity in the Old Testament Does the New Testament affirm unequivocally that He is God Are there reliable non Christian sources that back such claims of deity This book aims at addressing these fundamental questions while providing solid internal and external evidence of the divinity of Jesus Christ In this age of plural spirituality thirst for truth and in need of an evidence based dialogue among various religions the book makes a compelling case for a closer scrutiny of prophecies contained in the Bible
