## **Gods Will Finding Guidance For Everyday Decisions:**

God's Will J. I. Packer, Carolyn Nystrom, 2012-01-01 Seeking God's guidance is a focus for many believers. We want to know what God has planned for our lives. Are we making the right decision? Are we in his will? For some people, knowing God is guiding their lives makes them relax and enjoy the ride. But others fear making the wrong choice and find themselves paralyzed as they wait for signs from above. J. I. Packer and Carolyn Nystrom answer these fears with *God's Will*. With solid biblical footing, they shed light on the notion of God's guidance in response to the many misunderstandings well-meaning Christians can have. Readers seeking God's will in major life decisions, as well as anyone interested in understanding how God guides us, will welcome this practical and inspiring book.

**Questions God Asks** Dale Larsen, Sandy Larsen, 2018-08-07 This nine-session LifeGuide Bible study covers some of the surprising and interesting questions Old Testament characters heard from God, such as when he asked, "Where are you?" of Adam and Eve. As we consider the questions God asked others, we are guided inward to reflect on the same questions in our own lives.

*Decision Making and the Will of God* Garry Friesen, J. Robin Maxson, 2009-10-07 Does God Have a Perfect Will for Your Life? Does God have a perfect will for each Christian? Can you be absolutely certain of God's specific will for your life? In this expanded twenty-fifth anniversary edition of his highly acclaimed work, Garry Friesen examines the prevalent view on God's will today and provides a sound biblical alternative to the traditional teaching of how God guides us. This new edition includes these helpful resources: Study guide for small groups; Responses to Frequently Asked Questions; Guide to painless Scripture memorization. Friesen tackles the very practical issues of choosing a mate, picking a career, and giving in this fresh and liberating approach to decision making and the will of God.

*Story Behind the Book* Most Christians have been taught how to find God's will, yet many are still unsure whether they've found it. God does guide His people, but the question is: How does He guide? After putting out a fleece to decide which college to attend, Garry Friesen began pondering why it was so hard to find God's will when he had so sincerely sought it. Was he the only one who did not have 100 percent clarity for every decision? Then a new possibility struck: perhaps his understanding of the nature of God's will was biblically deficient. Maybe there was a better way to understand HOW God guides.
