Gods Word Written Stars Redemption:

God's Word Written in the Stars Kenneth Dunn, 2015-11-25 Gazing up at the stars on a clear night we are in awe of their beauty But did you know that God speaks to us from their depths The Creator personally named each star and constellation Isaiah 40 26 and placed them in the night sky to tell us the story of His plan for mankind Our loving God knew that although He would give man choices we would not always make good ones So He laid out a plan to redeem His creation and spread it across the starry sky This book will explain the star names and meanings as they present themselves each night and how the constellations unfold from month to month The heavens declare the glory of God and night unto night reveals knowledge Psalm 19 1 4 Begin to discover how God communicated His love and plan for man and how God s word was written into the stars This book is not about Astrology It is Biblical Astronomy This book shows how God the Creator placed His message of grace to redeem humanity into the names He gave to the stars in heaven Before the Bible was written He placed His gospel message into the night sky for all to see

The Marrano Phenomenon Agata Bielik-Robson, 2019-05-09 What we call here the Marrano phenomenon is still a relatively unexplored fact of modern Western culture the presence of the borderline Jewish identity which avoids clear cut cultural and religious attribution but nevertheless exerts significant influence on modern humanities Our aim however is not a historical study of the Marranos or conversos i e the mostly Spanish and Portuguese Jews of the 15th and 16th centuries who were forced to convert to Christianity but were suspected of retaining their Judaism undercover such an approach already exists and has been developed within the field of historical research We rather want to apply the Marrano metaphor to explore the fruitful area of mixture and crossover which allowed modern thinkers writers and artists of the Jewish origin to enter the realm of universal communication without at the same time making them relinquish their Jewishness which they subsequently developed as a hidden tradition What is of special interest to us is the modern development of the non normative forms of religious thinking located on the borderline between Christianity and Judaism from Spinoza to Derrida

The Battle of The Sexes: It's Been Downhill Since The Garden H.R. Boaz, 2021-05-08 The Battle of the Sexes explores how the Word of God YHWH both the Old Testament and the New Testament has been twisted to support a narrative that is not in the Scriptures Traditional translations and teachings of the Bible have either presumed or assumed that men are given power and dominion over women But nowhere in the Bible is this statement made not even in Genesis Bereishis 3 16 And your husband will rule over you which is not spoken as an imperative but rather as a prophecy The original Hebrew language of the first five books of Moses also known as the Torah Old Testament tells a very different story of the primal couple A story that is contrary to what is often taught in all religions that use the Word of YHWH as their foundation namely Judaism Christianity and Islam With an abbreviated overview of human history as told from YHWH s point of view we discover a connection of how all cultures have come to share similar myths legends and stories with the Torah And how these ancient archetypes of good and evil have been misused to support a

psychological and socio political advantage of men over women Likewise a brief foray into the unique Hebrew language the ancient language in which YHWH created our world and dictated the Torah to Moses provides proof that the Word of God is indeed communication from another dimension Like a massive encrypted message the Torah includes multiple levels of God given fences that protect the Word of God from man s distorted perspective The Hebrew language itself provides the most significant fence Like no other language each Hebrew word defines itself by the letters that make up the word This is only one feature of the holy text that assures that the instructions of YHWH remain intact regardless of man s interpretations The Battle of the Sexes is an examination from a fresh viewpoint into the issues that arise between the genders which stem from the original disobedience of God s one instruction by the primal couple in the Garden of Eden Gan Eden We see a more complete perspective of who did what in the initial defiance and how we continue to struggle in the female male relationship with those very same issues first raised in Gan Eden Moreover with clarity the Hebrew language reveals a much greater significance of the female to the human experience than is typically taught in any religion Exposed in her Hebrew name which is not usually translated properly is her irrefutable role in God s plan of salvation for the human race God did not make women subservient to men and YHWH did not give men or women dominion over anything but the animals and the earth to utilize as God intends Humanity is to work together not to manipulate or fight to assume power over one another Nowhere is this idea more consequential than in the marriage relationship Being the preeminent human relationship YHWH presents marriage as the foundation for all other human relationships from Bereishis the beginning creation of our world and the human creature Undergirding the arrogant impudent presumption that men are to rule over women is the equally destructive fallacy that God is masculine The Battle of the Sexes explores how from the initial verses and chapters of the first book of Torah the book of Genesis we begin to understand how as the Jewish Sages say with the change of one letter the world is destroyed With the misinterpretation and misunderstanding of one Hebrew word adam our modern grasp of the essence of YHWH and the female male relationship as described in Torah has been distorted and all but destroyed The Battle of the Sexes is sure to not only answer but raise many questions regarding the female male relationship as well as humanities relationship with God

Rosenzweig's Bible Mara H. Benjamin,2009-03-02 Mara Benjamin argues that Rosenzweig s reinvention of scripture illuminates the complex interactions between modern readers and ancient

sacred texts The Cross and the Star Wayne Cristaudo, Frances Huessy, 2009-05-27 Eugen Rosenstock Huessy a Christian convert and a social philosophy scholar had an intense conversation with the Jewish thinker Franz Rosenzweig in 1913 This Leipzig Conversation shattered Rosenzweig's understanding of the meaning of religion but it also propelled him to embrace his innate Jewish faith Three years later they engaged in a correspondence that has emerged as an historic stunning dialogue on Jewish Christian thinking Rosenzweig went on to write The Star of Redemption a classic work of modern Jewish philosophical theology and to become one of the most important and influential figures of twentieth century German Jewry Rosenstock Huessy took a different path writing his Sociology which pointed the social sciences in a new direction based on speech thinking and an enormous rich body of work covering grammar and society revolutions Church history and industrial law teaching generations of European and American university students and putting his faith into action This is the first major collection of essays on these two close friends new thinking Their dialogue mirrored Nietzsche's anti transcendent reading of Judaism and Christianity as well as his attack on idealism But their dialogue also resurrected the redemptive cores of these faiths as sources for the rejuvenation of human society This book brings to publication three essays by Rosenstock Huessy on Nietzsche and a translation of a chapter from his Sociology clarifying the post Nietzschean approach of the new thinking The Cross and the Star a 50 year span of significant scholarship vivifies the reasons for Rosenzweig's and Rosenstock Huessy's influence on faith and society and why their respective thought speaks directly and enduringly to the global human challenges of our time The Columbian Star and Christian Index, 1829 Commentary On Genesis 1:1-11:26 D.J. Letscher, 2020-01-28 As no part of the Bible is to be considered more important than any other part and there are no words of Scripture that we can do without the words of Genesis 1 11 26 are not considered any more or less important or noteworthy than another set of eleven chapters randomly found in Scripture These eleven chapters do however form the beginning of God's word to us and we are presented with history on a universal scale In my opinion it is the most sensible place to begin learning about our heavenly Father and about His eternal plan This approach will give a Bible student the fundamental knowledge that is essential to understanding all remaining Scripture This commentary will cover topics such as 1 The Creation of the Heaven and the Earth by God in Eternity Past Gen 1 1 and the Ruin in which they Ended Gen 1 2 2 The Six Days of Creation in Time Present Gen 1 231 Including the Sixth Day Creation of all mankind both male and female Gen 1 27 and the Blessing by God of the Seventh Day Gen 2 13 3 The Generations of the Heavens and of the Earth Gen 2 4 4 26 4 The Sixth Day Formation of Adam Gen 2 7 the Creation of Eve Gen 2 22 and Their Stay in the Garden of Eden 2 8 25 5 The Beguiling of Adam and Eve by Satan Gen 3 1 7 the Punishment Determined by God upon Satan Eve and Adam Gen 3 8 24 6 The Promise of a Savior Gen 3 15 7 The Birth of Cain and Abel the Murder of Abel by Cain and the Lineage of Cain Gen 4 1 24 8 The Lineage of Adam and the Antediluvian or Pre Flood Patriarchs Gen 5 1 31 9 The Fallen Angels and their Progeny the Giants Gen 6 1 7 10 Grace found only in Noah Gen 6 8 11 The Pedigree of Noah the Ark and the Flood Gen 6 9 9 29 12 The

Generations of the Sons of Noah Gen 10 1 31 13 Nimrod and the Tower of Babel Gen 11 1 9 14 The Generations of Shem Gen 11 10 26 In addition below each verse of the eleven chapters covered selected words will be highlighted and both the equivalent Hebrew translation of the word as well as its definition will be given Definitions given are from The New Strong's Exhaustive Concordance of the Bible **"It is written:" or, the Scriptures the Word of God. Professor G. Fourth Edition Samuel Robert Louis GAUSSEN,1856 Speaking/Writing of God Michael

Oppenheim,2012-02-01 Speaking Writing of God explores the manner in which religious language develops in answer to the challenges and promise of three features of the life with others the encounter between persons the quest by Jewish women to be accepted including their distinctiveness otherness as women as full participants in Jewish communal life and the dialogue between Jews and non Jews Although a major stream of modern Jewish philosophy has focused on the transcendent dimension of the relationship between persons this book studies the contribution of feminist Judaism to modern Jewish philosophy and the impact of religious pluralism on Jewish religious life and thought **Exploring People of the Old**
