How can you cram compelling conflict, satisfying character development, and toe-curling romantic tension into less than sixty thousand words? In *Crafting Category Romance*, two-time RITATM nominated author of nearly one hundred books, Amy Lane describes the rules of engagement, traps to watch out for, and how to leverage common tropes to create conflict, craft a character, develop a plot, and leave readers with a happy ever after that's different every time, all in a tidy package. With practical exercises in plot, conflict, and character development, *Crafting Category Romance* will teach you how to use the rigid rules and expectations of the genre to your advantage and win a loyal readership following for life. **God Gave Rock and Roll to You** Leah Payne, 2024.
