**Daniel F McAuley**

## **Gods Country America In The 50s:**

**God's Country** J. Ronald Oakley, 1986 Nostalgia for the fifties depicts it as a golden time Ike in the White House peace and prosperity jobs education and the good things in life for all But it wasn't only happy times and Hula Hoops We built the H bomb Sputnik rocketed us into the Space Age We fought the Korean War and the Cold War At home we had the Red Scare and McCarthyism Little Rock and Montgomery the Beatniks and the generation gap Here is a panorama that highlights important trends colorful personalities and the popular mass culture of the decade This portrait of America in the fifties does not neglect foreign affairs but it concentrates on major domestic events and on social and cultural history particularly the television shows movies sports books music fashions customs fads and follies of the day It also emphasizes people devoting several chapters to Presidents Truman and Eisenhower and substantial sections to Joe McCarthy Douglas MacArthur Richard Nixon John F Kennedy Julius and Ethel Rosenberg Martin Luther King Jr James Dean Elvis Presley Marilyn Monroe and other luminaries of the time And it devotes special attention to blacks women and the young three groups whose impact on the nation's history increased steadily as the decade progressed This fresh look at America in the fifties captures the era for those who lived it and brings it to life for those who came later Adapted from book jacket **The 1950s** William H.

Young, 2004-04-30 Have the 1950s been overly romanticized Beneath the calm conformist exterior new ideas and attitudes were percolating This was the decade of McCarthyism Levittowns and men in gray flannel suits but the 1950s also saw bold architectural styles the rise of paperback novels and the Beat writers Cinema Scope and film noir television variety shows the Golden Age of the automobile subliminal advertising fast food Frisbees and silly putty Meanwhile teens attained a more prominent role in American culture with hot rods rock n roll preppies and greasers and gasp juvenile delinquency At the same time a new technological threat the atom bomb lurked beneath the surface of the postwar decade This volume presents a nuanced look at a surprisingly complex time in American popular culture Historical Dictionary of the 1950s Bloomsbury Publishing, 2000-07-30 Today Americans look back nostalgically at the 1950s an era when television and rock and roll revolutionized popular culture and Vietnam race riots drug abuse and protest movements were still in the future With homes in the suburbs new automobiles and the latest electrical gadgets many Americans believed they were the most prosperous people on earth Yet the era was tainted by the fear of thermonuclear war with the Soviet Union deepening racial tensions and discontent with rigid roles for women and the demands of corporate conformity A sense of rebellion had begun to brew behind the facade It manifested itself in rock and roll the budding civil rights movement and the appearance of a youth culture eventually exploding in the 1960s Providing a comprehensive overview this book includes entries on the prominent people major events issues scandals ideas popular culture and court cases of the decade that gave rise to the tensions of the 1960s Why America Lost the War on Poverty--And How to Win It Frank Stricker, 2011-02-01 In a provocative assessment of American poverty and policy from 1950 to the present Frank Stricker examines an era that has seen serious discussion

about the causes of poverty and unemployment Analyzing the War on Poverty theories of the culture of poverty and the underclass the effects of Reaganomics and the 1996 welfare reform Stricker demonstrates that most antipoverty approaches are futile without the presence or creation of good jobs Stricker notes that since the 1970s U S poverty levels have remained at or above 11% despite training programs and periods of economic growth The creation of jobs has continued to lag behind the need for them Stricker argues that a serious public debate is needed about the job situation social programs must be redesigned a national health care program must be developed and economic inequality must be addressed He urges all sides to be honest if we don't want to eliminate poverty then we should say so But if we do want to reduce poverty significantly he says we must expand decent jobs and government income programs redirecting national resources away from the rich and toward those with low incomes

**Why America Lost the War on Poverty And How to Win It** is sure to prompt much needed debate on how to move forward

From Walt to Woodstock Douglas Brode, 2014-05-02 With his thumbprint on the most ubiquitous films of childhood Walt Disney is widely considered to be the most conventional of all major American moviemakers The adjective Disneyfied has become shorthand for a creative work that has abandoned any controversial or substantial content to find commercial success But does Disney deserve that reputation Douglas Brode overturns the idea of Disney as a middlebrow filmmaker by detailing how Disney movies played a key role in transforming children of the Eisenhower era into the radical youth of the Age of Aquarius Using close readings of Disney projects Brode shows that Disney's films were frequently ahead of their time thematically Long before the cultural tumult of the sixties Disney films preached pacifism introduced a generation to the notion of feminism offered the screen's first drug trip imagery encouraged young people to become runaways insisted on the need for integration advanced the notion of a sexual revolution created the concept of multiculturalism called for a return to nature nourished the cult of the righteous outlaw justified violent radicalism in defense of individual rights argued in favor of communal living and encouraged antiauthoritarian attitudes Brode argues that Disney more than any other influence in popular culture should be considered the primary creator of the sixties counterculture a reality that couldn't be further from his conventional reputation

**America's Miracle Man in Vietnam** Seth Jacobs, 2005-01-27 Argues that American cultural conceptions of religion and race during the 1950s played a crucial role in framing an ideology through which U S policymakers understood their options in Vietnam

**And the Walls Came Tumbling Down** Frank Fitzpatrick, 2000-01-01 The story of the 1966 NCAA Championship game the first time that a team with an all black starting five Texas Western faced a team with an all white starting five Kentucky Don Haskins was the Texas Western coach

*God's Country, Uncle Sam's Land* Todd M. Kerstetter, 2006 While many studies of religion in the West have focused on the region's diversity freedom and individualism Todd M Kerstetter brings together the three most glaring exceptions to those rules to explore the boundaries of tolerance as enforced by society and the U S government *God's Country Uncle Sam's Land* analyzes Mormon history from the Utah Expedition and Mountain Meadows Massacre of 1857

through subsequent decades of federal legislative and judicial actions aimed at ending polygamy and limiting church power It also focuses on the Lakota Ghost Dancers and the Wounded Knee Massacre in South Dakota 1890 and the Branch Davidians in Waco Texas 1993 In sharp contrast to the mythic image of the West as the Land of the Free these three tragic episodes reveal the West as a cultural battleground in the words of one reporter a collision of guns God and government Kerstetter asks important questions about what happens when groups with a deep trust in their differing inner truths meet and he exposes the religious motivations behind government policies that worked to alter Mormonism and extinguish Native American beliefs

**American Pop** Bob Batchelor, 2008-12-30 Pop culture is the heart and soul of America a unifying bridge across time bringing together generations of diverse backgrounds Whether looking at the bright lights of the Jazz Age in the 1920s the sexual and the rock n roll revolution of the 1960s or the thriving social networking websites of today each period in America s cultural history develops its own unique take on the qualities define our lives American Pop Popular Culture Decade by Decade is the most comprehensive reference on American popular culture by decade ever assembled beginning with the 1900s up through today The four volume set examines the fascinating trends across decades and eras by shedding light on the experiences of Americans young and old rich and poor along with the influences of arts entertainment sports and other cultural forces Whether a pop culture aficionado or a student new to the topic American Pop provides readers with an engaging look at American culture broken down into discrete segments as well as analysis that gives insight into societal movements trends fads and events that propelled the era and the nation In depth chapters trace the evolution of pop culture in 11 key categories Key Events in American Life Advertising Architecture Books Newspapers Magazines and Comics Entertainment Fashion Food Music Sports and Leisure Activities Travel and Visual Arts Coverage includes How Others See Us Controversies and scandals Social and cultural movements Trends and fads Key icons and Classroom resources Designed to meet the high demand for resources that help students study American history and culture by the decade this one stop reference provides readers with a broad and interdisciplinary overview of the numerous aspects of popular culture in our country Thoughtful examination of our rich and often tumultuous popular history illustrated with hundreds of historical and contemporary photos makes this the ideal source to turn to for ready reference or research

**Of Thee I Sing** Benjamin Railton, 2021-03-15 When we talk about patriotism in America we tend to mean one form the version captured in shared celebrations like the national anthem and the Pledge of Allegiance But as Ben Railton argues that celebratory patriotism is just one of four distinct forms celebratory the communal expression of an idealized America mythic the creation of national myths that exclude certain communities active acts of service and sacrifice for the nation and critical arguments for how the nation has fallen short of its ideals that seek to move us toward that more perfect union In Of Thee I Sing Railton defines those four forms of American patriotism using the four verses of America the Beautiful as examples of each type and traces them across our histories Doing so allows us to reframe seemingly familiar histories such as the Revolution the Civil War and

the Greatest Generation as well as texts such as the national anthem and the Pledge of Allegiance And it helps us rediscover forgotten histories and figures from Revolutionary War Loyalists and the World War I Espionage and Sedition Acts to active patriots like Civil War nurse Susie King Taylor and the suffragist Silent Sentinels to critical patriotic authors like William Apess and James Baldwin Tracing the contested history of American patriotism also helps us better understand many of our 21st century debates from Donald Trump s divisive deployment of celebratory and mythic forms of patriotism to the backlash to the critical patriotisms expressed by Colin Kaepernick and the 1619 Project Only by engaging with the multiple forms of American patriotism past and present can we begin to move forward toward a more perfect union that we all can celebrate

**God, Country and Tattoos: A cry for Freedom** Dennis E. Dwyer,2011 Publisher Marketing From Dancing with the Devil to Living for the Lord He served in the America sic Armed Forces Now a soldier of the cross and fights still to turn America back to God In God Country and Tattoos A Cry for Freedom Dennis Dwyer biker award winning tattoo artist and seminarian recounts the history of the tattoo arts and expounds on America s Bible based origins America has changed over the last four decades and not for the good From the unique vantage point of his tattoo parlor and by exchanging personal journeys and stories with thousands of people from across America and the world Dwyer takes a loving look back at America s history while viewing the future with a tear in his eye Still Dwyer sees hope for America America has hope if we act now sharing America s incredible history and rich spiritual foundation with younger generations God country and tattoos each of these three through the tension each creates in the others has shaped my life forming the foundation upon which I stand the author writes You will be inspired and moved as you read of Dwyer s broken past new birth in Christ and his plea to America to return to God in God Country and Tattoos A Cry for Freedom Dennis Dwyer is an Eagle Scout Navy veteran avid student of American history and a patriot who loves America and the biblical principles upon which she was founded In his over 40 years as a world traveling professional tattooist he has made over 40 000 marks He has served as Executive Director of APT Alliance of Professional Tattooists co directed the Tattoo Tour for 10 years and owned and operated Ancient Art Tattoo of Tucson for 25 years He has performed associate pastoral work in his church for ten years and now studies at Phoenix Seminary

**Strange Sounds** Timothy D Taylor,2014-01-02 In Strange Sounds Timothy D Taylor explains the wonder and anxiety provoked by a technological revolution that began in the 1940s and gathers steam daily Taylor discusses the cultural role of technology its use in making music and the inevitable concerns about authenticity that arise from electronic music Informative and highly entertaining for both music fans and scholars Strange Sounds is a provocative look at how we perform listen to and understand music today

*The Life and Times of the Thunderbolt Kid* Bill Bryson,2010-04-30 From one of the most beloved and bestselling authors in the English language a vivid nostalgic and utterly hilarious memoir of growing up in the middle of the United States in the middle of the last century A book that delivers on the promise that it is laugh out loud funny Some say that the first hints that Bill Bryson was not of Planet Earth came from his discovery at the age of six of a

woollen jersey of rare fineness Across the moth holed chest was a golden thunderbolt It may have looked like an old college football sweater but young Bryson knew better It was obviously the Sacred Jersey of Zap and proved that he had been placed with this innocuous family in the middle of America to fly become invisible shoot guns out of people s hands from a distance and wear his underpants over his jeans in the manner of Superman Bill Bryson s first travel book opened with the immortal line I come from Des Moines Somebody had to In this hilarious new memoir he travels back to explore the kid he once was and the weird and wonderful world of 1950s America He modestly claims that this is a book about not very much about being small and getting much larger slowly But for the rest of us it is a laugh out loud book that will speak volumes especially to anyone who has ever been young

*Grand Expectations* James T. Patterson,1996 Interweaving key cultural economic social and political events a history of the United States in the post World War II era ranges from 1945 through a turbulent period of economic growth and social upheaval to Watergate and Nixon s 1974 resignation

**The Battle for Christian Britain** Callum G. Brown,2019-10-17 Exposes the mechanisms by which conservative Christianity dominated British culture during 1945 65 and their subsequent collapse

**Loss of Innocence** Melvin E. Matthews Jr.,2019-05-01 America was certainly the big winner of World War II being the last major country intact Euphoria hubris and a naive self confidence became hallmarks of the people This hubris was dented a bit in the 1950s when scandals erupted around the TV quiz shows that made everyone feel so smart and the U 2 spy incident of 1960 that revealed Americans were being lied to by the government The book argues that these two events began the credibility gap that engulfed the nation later in the 1960s and continues to haunt us to this day When the War ended the United States still had its economy infrastructure and industry intact Taking up where the British Empire left off the powerful new America expanded its influence around the globe Suddenly light years ahead of any competitor Americans abandoned themselves to a haze of consumerism and entertainment trusting that they were safe and could not be harmed The contestants on the big money quiz shows turned out to be fakes and the respected TV executives were also revealed to be liars and cheats Far worse was yet to come The United States government was caught in a lie regarding the CIA s U 2 reconnaissance planes overflying the Soviet Union On the eve of a crucial summit meeting in 1960 the USSR knocked Gary Powers out of the sky along with plenty of incriminating hardware and data Moscow delayed revealing what it knew and Washington spent ten days denying it was a spy plane then denying that President Eisenhower was aware of it The world was turning into a very scary place and soon American schoolchildren were being taught to duck under their desks if a bomb should strike Fear began to percolate into the heart of the nation

**Flashes of a Southern Spirit** Charles Reagan Wilson,2011-05-01 *Flashes of a Southern Spirit* explores meanings of the spirit in the American South including religious ecstasy and celebrations of regional character and distinctiveness Charles Reagan Wilson sees ideas of the spirit as central to understanding southern identity The South nurtured a patriotic spirit expressed in the high emotions of Confederates going off to war but the region also was the setting for a spiritual outpouring of prayer and song during the

civil rights movement Arguing for a spiritual grounding to southern identity Wilson shows how identifications of the spirit are crucial to understanding what makes southerners invest so much meaning in their regional identity From the late nineteenth century invention of southern tradition to early twenty first century folk artistic creativity Wilson examines a wide range of cultural expression including music literature folk art media representations and religious imagery He finds new meanings in the works of such creative giants as William Faulkner Richard Wright and Elvis Presley while at the same time closely examining little studied figures such as the artist revivalist McKendree Long Wilson proposes that southern spirituality is a neglected category of analysis in the recent flourishing of interdisciplinary studies on the South one that opens up the cultural interaction of blacks and whites in the region

*Moment of Grace* Michael Johns,2004-08-02 An exceptionally wide ranging and balanced examination of American culture in the 1950s Johns spans the cultural horizon from food and clothing to music literature art architecture and politics In highly readable prose he transmits his enthusiasm for the subject and conveys the sights sounds and smells of ordinary everyday life in America a generation ago His book will be important to anyone seriously studying this crucial and largely misunderstood period in American life Alan Ehrenhalt author of *The Lost City The Forgotten Virtues of Community in America*

**Rebels Without a Cause?** Gerd Hurm,Ann Marie Fallon,2007 The figure of the rebel of the 1950s shaped the imagination of the American post war generation Yet the notoriety of the rebel resides uneasily beside that of the conformist ironically one of the other central figures of the decade This collection of essays which originated at an international conference in Trier Germany in 2005 sets out to explain the multiple representations of rebellion and affirmation in 1950s American culture It explores the ways in which rebellion was contained and also disruptive during this pivotal decade of American ascendance on the global scene In a series of essays written by prominent American Studies scholars in the United States and Germany the collection explores the meaning of rebellion in the 1950s and its role in shaping theological literary and cultural discourses

**As Seen on TV** Karal Ann Marling,1996-03-01 From the painting by numbers fad to the public fascination with the First Lady s apparel to the television sensation of Elvis Presley to the sculptural refinement of the automobile Marling explores what Americans saw and what they looked for in the 1950s with a gaze newly trained by TV

### **Gods Country America In The 50s Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Gods Country America In The 50s free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Gods Country America In The 50s free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Gods Country America In The 50s free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are

legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Gods Country America In The 50s. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Gods Country America In The 50s any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Gods Country America In The 50s Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gods Country America In The 50s is one of the best book in our library for free trial. We provide copy of Gods Country America In The 50s in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gods Country America In The 50s. Where to download Gods Country America In The 50s online for free? Are you looking for Gods Country America In The 50s PDF? This is definitely going to save you time and cash in something you should think about.
