Strategies for Showing Marcia R. Pointon,1997 In this unusual and original study Marcia Pointon examines the cultural effects and consequences of the participation by women in acts of representation in the late seventeenth and eighteenth centuries She explores their lives and work and a cultural environment in which images of female saints and goddesses established indices of femininity in the homes of wealthy men Did the women portrayed also possess artefacts and did they use the power of gifts and bequests to determine social relations Did they themselves participate in the processes of creating images of the seen world Pointon sets out to answer some of these questions through a series of novel and vividly recounted case studies of women such as Emma Hamilton wife and mistress Mary Moser the artist Dorothy Richardson the antiquarian She shows that the relationship of these women to the world of consumption was affective and imaginative as well as economic

Arthurian Literature has established its position as the home for a great diversity of new research into Arthurian matters It delivers fascinating material across genres periods and theoretical issues TIMES LITERARY SUPPLEMENT *The Girls' Friendly Society Advertiser* ,1881 The Purcell Compendium Peter Holman, Bryan White,2025-05-20 Ground breaking and comprehensive reference volume covering an extensive range of Purcell studies including his life and works his milieu and the reception of his music to the present In the 30 years since the Tercentenary of Purcell's death in 1995 research into him and the musical culture of Restoration England has developed rapidly Even the most authoritative books published then are now seriously out of date and no one since then has attempted to cover the whole range of Purcell studies The book is largely taken up with A Z dictionary entries preceded by an up to date biography and followed by a work list and bibliography The dictionary includes entries for many of Purcell's works the genres he contributed to the titles and terms he used the instruments he wrote for the most important manuscript and printed sources of his music and some pressing performance practice issues Important threads are devoted to people associated with Purcell including earlier composers who influenced him his fellow composers his pupils and followers those who provided him with texts to set his patrons and employers the most important copyists publishers and instrument makers associated with him and those contemporaries who wrote about him The book breaks new ground by giving particular emphasis to his performers including the most prominent singers and dancers he worked with and the individuals and institutions responsible for maintaining or sometimes altering his legacy up to the present **Getting a Life** Benjamin Woo,2018-03-31 Comic book superheroes fantasy kingdoms and futuristic starships have become inescapable features of today's pop culture landscape and the people we used to deride as nerds or geeks have ridden their popularity and visibility to mainstream recognition It seems it's finally hip to be square Yet these conventionalized representations of geek culture

typically ignore the real people who have invested time and resources to make it what it is Getting a Life recentres our understanding of geek culture on the everyday lives of its participants drawing on fieldwork in comic book shops game stores and conventions including in depth interviews with ordinary members of the overlapping communities of fans and enthusiasts Benjamin Woo shows how geek culture is a set of interconnected social practices that are associated with popular media He argues that typical depictions of mass mediated entertainment as something that isolates and pacifies its audiences are flawed because they do not account for the conversations relationships communities and identities that are created by engaging with the products of mass culture Getting a Life combines engaging interview material with lucid interpretation and a clear interdisciplinary framework The volume is both an accessible introduction to this contemporary subculture and an exploration of the ethical possibilities of a life lived with media
