God's Big Picture Bible Storybook is for children ages 6 to 10; it is the first children's book written by scholar and professor Tom N. T. Wright. It identifies story parallels across the Bible that show kids that all of God's Word matters. It includes 140 short stories, each vividly illustrated by award-winning artist Helena Perez Garcia, and shows the intention behind God's stories and the hope for salvation they provide. N. T. Wright wants his readers to discover the many surprising ways in which one Bible story echoes another and how different stories contribute to the one very good and very big story of God's love for creation, a story that unfolds over the centuries until at last it is fully revealed in the life and teaching of Jesus. Young readers will be fascinated and delighted as they hear the echoes and spot the visual links between the pictures and the stories. Not only that, they will be thrilled to discover that this is not just a story involving people who lived long ago; it's a living and enduring story, a story in which God invites them to be involved as well.

**Big Truths Bible Storybook** Aaron Armstrong, 2021-03-16. What is truth? Can we make up our own truth? For example, through Joseph's story, kids will see that God is in control of everything in heaven and on earth.
