Joseph E. Preble, 2023-03-27 Becoming a Christian is wonderful but living the life of a Christian is so much more To dedicate oneself to the service of the Lord is one of the most wholesome experiences anyone can imagine Yet with their newfound faith many lack the knowledge of how to properly live the Christian life This can be true for anybody but even more so for the incarcerated Christian who has to deal with the hatred violence and misery that prison culture so often brings them Many end up impeded in the advancement of their faith Having lived the life himself and overcome its challenges by the grace of God this book is written by an inmate for other inmates and it details how to begin to understand what it means to be a Christian how to follow God's will for your life and how to triumph through the difficulties and setbacks prison plays on those of the faith trying to find God in seemingly godless circumstances Not only will this fifty day journey be life changing but also it will help you come to terms with the past give you hope for the future and guide you in developing a proper understanding of God's will for your life Ultimately it will lead you to the healthy relationship God so desires for you to have with him This is for those truly looking to know God to worship him and to bring him glory with their lives both in prison and afterward

Metanoia and OTHER SERMONS Ruskin Falls, 2021-10-31 The book is a collection of twenty three sermons from the period of February through August 2020 Each sermon is preceded and thereby situated in the congregation by that Sunday's greeting and after the church moved to online only worship due to the outbreak of COVID 19 by the day's announcements The author considers his preaching style to be more irenic than competitive in spirit If though there is

homiletic competition going on in what he is doing here it is he says with preachers and with himself when he numbers among them who are bent as preachers on being conservative or evangelical or liberal or progressive or idiosyncratic or entertaining or otherwise situated above the word that preachers as preachers must strive to submit to and serve He intends his sermons as exercises in openness for the truth of God's word which word the church is ever on the verge of losing touch with and needing to learn anew to hear and heed The sermons are neither feel good nor finger pointing They are neither prosperity promoting nor therapeutically oriented They are not even an attempt to make the church sound relevant to the issues of the day Rather they simply aim at openness to the truth that sets us free for and in and through the faith and courage that Christ came bringing

Body and Blood Andrew R. Hardy, Keith Foster, 2019-06-07 The largest missional challenge facing the church of Christ in the West is to equip every member to engage in missionary endeavor in third places Third places are those social zones in society like coffee shops gyms shopping malls pubs etc that everyone and anyone can meet in as commonly owned spaces The authors argue that for too long the church has not equipped and trained its members to engage in mission in the public square The mobilization of every member to become the hands and feet of the missional sacramental body of Christ to carry the message of God's generous love to not yet Christians is vital if we want to witness the kingdom reign of God extend into their lives Places are important to the sovereign Lord of mission and this book challenges the churches of Christ to become what they properly need to be equipping agencies for every member mission and ministry
