era before the secular feminist movement contrary to the common notion of the Islamic endorsement of Muslim women stereotypical backwardness domestication and patriarchal domination This book demonstrates how Muslim women writers have used Islamic organizations to work for and contribute to feminist changes **The Truth about Rapture** Olatunde Olaniyi Ola-Daniel,2023-02-12 Discover all you need to know about the biblical truths about the rapture In the last few years the world has witnessed unprecedented events that were difficult to imagine However the Bible has not left us in darkness concerning all these happenings Unfortunately many Christians are in darkness about the next sets of events coming Gladly the Bible is not silent about the future either The event of Rapture is one of such matters Though Christians are divided about the actual timing of the rapture the Bible is clear on the exact timing The timing of rapture as the Bible puts it has been painstakingly searched out and written in this book Order your copy now and you won't be left with an iota of doubt about the timing of the coming of Christ Omonibiade 'Dotun Akinyemi Fadahunsi, Christian Behavior Pastor John,Babatunde Olatunde Olorunfemi,2018-01-04 Christian Behavior provokes thought research and questions for potential converts and Christians of varying degrees of maturity on topics that appear routine but are challenging and routine topics that appear watered down or confusing It is a biblical study guide for people who just want to explore Christian spiritual life on their own terms free to decide for themselves and rather than staying on the edges of a church experience they are considering a path to fully committing themselves to a vision for following Jesus Their radars are up to research honesty as they dive into difficult to understand topics and passages and explore their applications to true life issues It is an opportunity follow through reading meditating on the referenced scriptures and asking questions This is my advice on laying your hands on the purity of the truth hidden in the scriptures Words on Marble: August 21, 1996-December 31, 1997 Mohamed Buba Marwa,1998 Tender Headed Olatunde Osinaike,2025-07-01 Tender Headed selected by Camille Rankine as a winner of the 2022 National Poetry Series is a musical and formally playful meditation on Black identity and masculinity In this dynamic debut collection Nigerian American poet Osinaike unpacks ideas of masculinity with playful musicality Acutely attuned to poetic lineage Osinaike cites established poets Yona Harvey Ladan Osman and Morgan Parker setting a context for his own new and versatile voice Booklist The irony of transformation often is that we mistake it to have occurred long before it does Tender Headed takes its time in asserting the realization that growth remains ever ahead of you Examining the themes of Black identity accountability and narration we encounter a series of revealing snapshots into the role language plays in chiseling possibility and its rigid command of depiction Olatunde Osinaike's startling debut sorts through the many minded masks behind Black masculinity At its center lies an inquiry about the puzzling nature of relationships how ceaseless wonder can be in its challenge of a truth In the name of music and self identity the speaker weaves their way through fault and how it amends Black life in America This is demonstrated best in how the demanding yet vulnerable tone for the collection is set in Men Like Me its restless opening poem Here we find the speaker reciting a chronicle of generational

neglect from men that became him also Earnest and sharp there is a beauty in seeing a poet not shy away from both the melancholy and resolve of rescripting their path while cherishing their steps and missteps along the way This collection is a panel aching of fathers sons uncles grandfathers all of whom would do well to join in and confront shared privileges that are typically curtailed or altogether avoided in conversation Tender Headed entrusts the heart to be a compass insisting on a journey unto itself and a melodic detour toward tenderness precise with its own footing Ibadan ,1969
