Nissen, 2014-04-16 Revelation is addressed to the churches in chapter one and for the churches in the last chapter One would expect Gods last love letter to be a favorite book among Christians but it isnt It isnt because it isnt understood This book has been highly received by numerous evangelical leaders and is used as the textbook on Revelation in Bible colleges as far away as Africa and India From the first I was taken with the desire of Ken to help people see that the book of Revelation was written primarily to help people in their walk with God in the midst of troubled times and not as a text to figure out the sequence of the end times This was also the first time I had seen the theme of overcoming given as the main thrust of Revelation So I had to read his manuscript to see if in fact he had come upon something I had missed I am convinced that he has I have found his book to be extremely helpful to see the desire of God to have his children to be overcomers and the resources available to us to do just that as the end approaches And the book is more than that for it does not side step the questions that are raised as one reads the book of Revelation Stephen R Bradley Director of Field Education Columbia Bible College Columbia South Carolina **Paul and His Letters:**

Exploring the Theology of the New Realm in Christ Juliet Manning, 2025-04-17 This book explores the revolutionary theological landscape painted by the Apostle Paul a landscape where the old categories of Jew and Gentile slave and free are radically reimagined in light of the life death and resurrection of Jesus Christ It grapples with the profound implications of Paul s teachings on grace law and the new life found in Christ offering a fresh perspective on these timeless themes Through careful examination of key passages and themes within Paul s letters this work illuminates his understanding of the new realm inaugurated by Christ It explores the complexities of justification by faith the ongoing struggle between the flesh and the Spirit and the glorious future promised to all who are united to Christ This book invites readers to encounter the power and relevance of Paul s message for themselves wrestling with its challenges and embracing its transformative potential More than just an academic exercise this work seeks to bridge the gap between scholarly study and practical application It encourages reflection on the implications of Paul s thought for our understanding of God ourselves and the world around us

Love Letters to God Devon Spencer, Katherine Willis Pershey, 2025-07-29 Love Letters to God is an intensely personal and deeply theological book of epistles between two dear friends The authors hail from different backgrounds in faith family and life circumstances but find common ground in their devotion to Christ Christianity and each other The letters chronicle a year in the life of this friendship marked by fervent faith and bouts of unbelief suffering and rejoicing death loss and baptism and the sanctification of a friendship The tone is at once literary and personal peppered as much with theological references as unrefined vulnerability and speaks to all who cherish their faith and their friends

Love Letter from Jesus: Come to the Savior is an inspirational transformational book permeating with the love of God and His desire for a deep intimate personal relationship with you. While on a missionary trip under the inspiration of the Holy Spirit, Carol Santoiemma received a Word from the Lord: Love Letter from Jesus, which she used as a template for this book. Quotes of Love Letter are interspersed throughout the book along with many corresponding Scripture verses and brief author commentaries. It flows with a consistent beckoning to Come to the Savior; consequently it will draw you directly to the Throne Room of God's love and the fountain of His Grace, His undeserved favor. This book can serve to help Christians re-establish their relationship with Jesus or it can help non-Christians learn the basics of God's love and His plan of Salvation. It is also an excellent tool for missionaries, study groups, Evangelists or anyone wishing to partake in the Great Commission. Dear reader, Carol prayed for you and every reader personally that God will touch your heart through Love Letter. Come to the Savior and see what answer to prayer awaits for you. Carol Santoiemma is a born again Christian, Sunday school teacher and missionary. She's served the Lord in Evangelistic, medical, prison and other ministries. She is also a licensed nurse specializing in Hospice nursing. She enjoys freelance writing and sharing Evangelistic material as her new mission field. She has written Love Letter from Jesus to You: Come to the Savior to encourage her readers to accept Jesus as their Personal Lord and Savior and to have an intimate relationship with Him. **Beyond Law and Order Finding**

Intimacy with Christ When Rules Get in the Way Pastor Randy Blan, 2025-02-13. The goal of this Bible study is to encourage believers to rediscover their first love, Jesus Christ, and to understand the difference between religious compliance and authentic faith. By focusing on intimacy with Christ, participants will learn how to live out their faith in a way that is both genuine and transformative. *66 Love Letters* Larry Crabb, 2010. Writing in a conversational first person, Dr. Crabb looks at each individual book in Scripture and boils it down to a short chapter answering the question: What does God want me to hear from this love letter? Early Letters Chiara Lubich, 2012. Chiara Lubich is now being called a great Catholic mystic of our times. In these letters we encounter this mystical side of Chiara, who is also the bearer of a charism, a gift from the Holy Spirit in response to the special needs of the Church and of the world. Chiara's charism is unity, the unity that Jesus asked for us from his Father: May they all be one as we are one, I in them and you in me, so that they may be brought to complete unity. Jn 17:22-23. Chiara saw God's love in everyone and everything. The light of this discovery enveloped her and she felt like she

was at the center of the Father's love. This discovery is at the foundation of Chiara's spirituality which emerges from these early letters. They were written to the young women and others who were drawn by the way she presented the Christian life as a response to God's love which was shown to her in Jesus most especially in his abandonment and death on the Cross. In these letters the God that Chiara invites us to believe in is Love. The conversion she asks of us is a conversion to Love. Often using the language and style of the saints and mystics of other ages like Saint Catherine of Siena and Saint Francis of Assisi Chiara communicates her burning desire that Love be loved that all the world be set ablaze by the fire of Love. Her words are full of fervor but also simplicity and practical common sense. How should the author be introduced? Well in the back cover of this book of 147 pages there is a section introducing the author that I find fascinating. The New York Times described Chiara Lubich as one of the most influential women in the Catholic Church. As the president of the Focolare Movement Italian born Chiara Lubich was a renowned religious leader and writer. She a prolific writer had published over 50 books in 29 languages with more than one million copies sold. As a book of spirituality in the form of a collection of 60 letters written to many people spanning from 1944 to 1949 it is not easy to grasp the important themes of this book. Therefore the letters are grouped into four parts with distinguished titles as follows: 1. Whoever does not love does not know God for God is love. 2. For I decided to know nothing among you except Jesus Christ and him crucified. 3. I have come to bring fire on the earth and how I wish it were already kindled. 4. Whoever is near me is near the fire. Lubich's mystical experience can be traced to her intimate dwelling in God. As a result she has special spiritual insights expressed in her letters in the following subjects: love, suffering, abandonment, and unity. Lubich attempts to help her friends to closely follow Jesus Christ in whatever their situation and circumstances. Who are the audience of these letters? Originally the recipients of these letters are the readers. However after the publication of this book all readers of this book become the audience. With the words of encouragement in this book readers are uplifted spiritually because as followers of Jesus Christ we all follow our model example sample Jesus Christ. Alan L.
