Gods Prayer A Sacred Challenge To Humanity:

God's Prayer Michael L Kagan,2014-07-18 One day Israeli scientist and spiritual teacher Michael Kagan sat down to say his morning prayers As he was about to take up his prayer book he suddenly heard Are you ready Ready for what he thought Ready to write came the response Somewhat bewildered he argued that it wasn't appropriate now But the voice insisted Write What could he do He found a notebook and began to write The words poured through him from a voice protesting our abuse of the planet and our fellow human beings It carried a reproving message for the three children of Abraham Jews Christians and Muslims and called upon these siblings of the same Divine Parent to stop their fighting and come together to fulfill their purpose on Earth as true partners in God's plan Whose voice was it really Who can say But what is clear is this its message is uncomfortably compelling utterly necessary today and as difficult to ignore as it is to hear Its message has been supported by leaders among Jews Christians and Muslims some of whom have written Listening deeply to the inner voice Michael Kagan has placed himself in his own and other traditions he has listened to the outcry of our Mother the Earth and is sensitive to the voice of the feminine presence He shares with us here a treasury debt issued from the Divine Source Rabbi Zalman Schachter Shalomi Founder of the Jewish Renewal Movement God's Prayer is a unique inter faith challenge that befits a teacher who has lived what he preaches Will we turn our backs on this challenge You cannot read Michael's prayer of exhortation and walk away unmoved Reverend Richard Cizik President of the New Evangelical Partnership for the Common Good Not everybody can write or translate what he has experienced but Michael has succeeded in translating for us what came down upon him To Michael I say be blessed for being this channel that is bringing forth this enlightened revelation for being a vessel connecting us to the vertical plane that unites all of humankind Sheikh Ghassan Manasra the Qadiri Sufi Order in Nazareth

A Cult Challenge to the Church Wm. W. Wells, 2020-08-07 The Moonies like most of the new religious movements of the sixties and seventies are a pale reflection of their former selves but the problem they addressed is still very much with us for most people the church does not represent the will of God well if at all These are the real stories of a non Christian confronting Christians I present this in the spirit of love for all Christians as I am now one of you

The Good News Prayer Challenge Lenny Anderson, 2021-05-06 Wonder what exactly is so great about God faith the Church Are you new to faith or want to brush up on the basics Do you simply want to jump start your prayer life The Good News Prayer Challenge is an

accessible introduction to the indispensable teachings of Christianity for seekers skeptics and Jesus followers alike It s also a hands on introduction to daily prayer with each day focusing on a teaching that the reader can pray about while learning It covers four weeks twenty eight days of topics in the context of a daily devotional and prayer guide Are you ready to take on The Good News Prayer Challenge 2 The Sunrise of the Soul Gerard Thomas Straub,2020-07-21 The Sunrise of the Soul is the fruit of the last 24 years of an unexpected new life and a journey of transformation that took Gerry Straub from the glamour of Hollywood to the horror of the worst slums on earth Straub s journey began in an empty church in Rome during a moment of grace in which the hard shell of his ardent atheism was penetrated by a spark of light allowing him to see that God was real and loved him just as he was Eventually Straub felt God telling him to stop filming the poor and to go live among the poor He now lives in a crowded slum in Haiti where he operates a home of hope and healing for 69 abandoned kids 24 of whom are still in diapers Straub says his journey is far from over and will never be finished As Karl Rahner reminded us In the torment of the insufficiency of everything attainable we ultimately learn that here in this life all symphonies must remain unfinished Living in a home with 69 kids in Haiti means that the stillness and silence needed for contemplation are virtually nonexistent After more than four years of intense work in Haiti Gerry began to commit himself to the rejuvenating power of authentic solitude in order to turn his attention to his own inner spiritual poverty In the silent predawn darkness of each Haitian morning he waits reflects and prays This book emerged slowly from those many lonely hours of silence **The Lure of Transcendence and the Audacity of Prayer** Samuel E. Balentine,2022-06-24 The discourse of prayer responds to the abiding lure of transcendence From Gilgamesh to the primordial human beings in Eden to Odysseus the quest for ultimate truths has summoned forth all manner of human effort courageous desperate pious impious successful failed invited forbidden and like all such lures one can never be certain whether the glimmer of transcendence is that of a bright and shining star that illuminates the shadows or only a shiny object that seduces one into an inescapable darkness a fishing lure for example In this study Samuel E Balentine demonstrates how prayer s invocation of God transgresses the limits of human beings The author shows how inviting let alone commanding God to speak may be the acme of bardic pretention but in the ancient world such transgression characterizes the audacity of prayer Time and Presence in Art Armin Bergmeier,Andrew Griebeler,2022-03-07 This volume explores the relationship between temporality and presence in medieval artworks from the third to the sixteenth centuries It is the first extensive treatment of the interconnections between medieval artworks varied presences and their ever shifting places in time The volume begins with reflections on the study of temporality and presence in medieval and early modern art history A second section presents case studies delving into the different ways medieval artworks once created and transformed their original viewers experience of the present These range from late antique Constantinople early Islamic Jerusalem and medieval Italy to early modern Venice and the Low Countries A final section explores how medieval artworks remain powerful and relevant today This section

includes case studies on reconstructing presence in medieval art through embodied experience of pilgrimage art historical research and museum education In doing so the volume provides a first dialog between museum educators and art historians on the presence of medieval artifacts It includes contributions by Hans Belting Keith Moxey Rika Burnham and others
