**James P. Ware**

## **Gods Saving Grace A Pauline Theology:**

God's Saving Grace Frank J. Matera, 2012-11-17 Distinguished biblical scholar Frank Matera here views the theology of the Pauline letters through the lens of the saving grace that Paul experienced at his call and conversion Focusing on Christology soteriology theology anthropology ecclesiology ethics and eschatology Matera explores both the unity and the diversity of the thirteen Pauline letters Written in a clear and coherent style God's Saving Grace presents students professors and pastors with a comprehensive yet concise and accessible overview of the theology found in the entire corpus of Paul's letters

**God's Saving Grace** Frank J. Matera, 2014-05-14 Distinguished biblical scholar Frank Matera here views the theology of the Pauline letters through the lens of the saving grace that Paul experienced at his call and conversion Focusing on Christology soteriology theology anthropology ecclesiology ethics and eschatology Matera explores both the unity and the diversity of the thirteen Pauline letters Written in a clear and coherent style God's Saving Grace presents students professors and pastors with a comprehensive yet concise and accessible overview of the theology found in the entire corpus of Paul's letters

**Paul's Language of Grace in its Graeco-Roman Context** James R. Harrison, 2017-01-03 Paul's Language of Grace in Its Graeco Roman Context was originally published by Mohr Siebeck in 2003 and is now reprinted by Wipf and Stock with a new introduction by its author James R Harrison The book was the first major investigation of charis grace favor in its social political and religious context since G P Wetter's pioneering 1913 monograph on the topic Focusing on the evidence of the inscriptions papyri philosophers and Greek Jewish literature Harrison examined the operations of the eastern Mediterranean benefaction system probing the dynamic of reciprocity between the beneficiary and benefactor whether human or divine Before Paul's converts were first exposed to the gospel they would have held a variety of beliefs regarding the beneficence of the gods The apostle therefore needed to tailor his language of grace as much to the theological and social concerns of the Mediterranean city states in his missionary outreach as to the variegated traditions of first century Judaism In terms of human grace although Paul endorses the reciprocity system he redefines its rationale in light of the gospel of grace and transforms its social expression in his house churches The explosion of grace language that occurs in 2 Corinthians 8-9 regarding the Jerusalem collection is unusual in its frequency in comparison to the honorific inscriptions underscoring the apostle's distinctive approach to giving Regarding divine beneficence Paul accommodates his gospel to contemporary benefaction idiom But he retains a distinctiveness of viewpoint regarding divine charis it is non cultic it is mediated through a dishonored and impoverished Benefactor it overturns the do ut des expectation I give so that you may give regarding divine blessing in antiquity Harrison's book still remains the authoritative coverage of the Graeco Roman context of charis

**God in Paul's Letters** Timothy Milinovich, Normand Bonneau, Robert F. O'Toole S. J., 2023-06-29 In Pauline studies where Christological questions have often carried the day Paul's understanding of God is emerging to play an equally important role What did it mean to the apostle that God is sovereign Lord of history and creation This volume explores the various ways that

the theme of God is foundational to Paul's seven undisputed letters with attention to the diverse perspectives of each letter. In addition, the volume offers essays on overarching topics such as epistemology and the new creation that Paul describes in his writing. The authors engage as well challenging questions including Paul's views on evangelizing all people Jew and Gentile alike. Readers will come away with a deeper appreciation for both the theology and the Christology of Paul whose understanding of God provides the key to the salvific plan realized in Christ.

*Paul's Theology in Context* James P. Ware, 2019-01-22 This accessible text by James P. Ware provides both a concise guide to Paul's theology and a general introduction to the key issues and debates in the contemporary study of Paul. Examining Paul's message in the context of the ancient world, Ware identifies what would have struck Paul's original audience as startling or unique. By comparing Paul's teaching to the other religions and philosophies of that day, Ware presents a fresh perspective on Paul's theology, revealing four pillars of his thought: creation, incarnation, covenant, and kingdom. After examining each of these dimensions of Paul's gospel, Ware explores the historical role of Paul within Christian origins and the astounding evidence embedded in his letters regarding the beginnings of Christianity and the eyewitness origins of the gospels. Clergy, students, and laypeople will find that this guide to the big picture of Paul's theology will illumine and enliven the study, preaching, and teaching of all the Pauline letters.

*The State of Pauline Studies* Nijay K. Gupta, Erin M. Heim, Scot McKnight, 2024-08-20 In every generation the study of Paul evolves with new insights and questions. This enigmatic ancient figure continues to ignite interesting conversations and vigorous debates. Complementing the successful *The State of New Testament Studies*, this book surveys the current landscape of Pauline studies, offering readers a concise guide to contemporary discussions in Pauline scholarship. It brings together a diverse team of leading scholars providing up-to-date expert analysis on important issues in Pauline studies such as Christology, salvation, the Spirit, gender, and empire. In addition, each of the Pauline letters is examined in detail. This book will serve as an ideal supplemental textbook for Paul courses. Contributors include Ben Blackwell, Dennis Edwards, Timothy Gombis, John Goodrich, Nijay K. Gupta, Erin Heim, Chris Hoklotubbe, Joshua Jipp, Scot McKnight, Peter Oakes, B. J. Oropeza, Angela Parker, Kris Song, Jennifer Strawbridge, Sydney Tooth, Cynthia Long Westfall, and Kent Yinger.

*Paul's Designations of God in Romans* Wing Yi Au, 2023-08-03 Wing Yi Au investigates Paul's ways of characterizing God in Romans and finds that Paul's divine designations in the letter trace God's essential salvific activities. Meanwhile, special emphasis is put on the inclusion of Gentiles in God's plan of salvation.

*Spirit and Healing in Africa* Deborah van den Bosch-Heij, 2012-01-01 There is a great need for healing in Africa. This need is in itself no different elsewhere in the world, but it is greatly determined by the involvement of religious communities and traditions. Faith communities and religious institutions play a major role in assisting African believers to find health, healing, and completeness in everyday life.

1

*Timothy, Volume 1* Paul S. Jeon, 2017-12-22 1 Timothy is one of the more controversial documents in the New Testament. For years, critical scholars have rejected Pauline authorship, highlighted the apparent misogynistic quality of the text, and argued

against any coherence in the letter Jeon takes a fresh look at the letter incorporating many recent advancements in NT scholarship In detail he demonstrates the macro and micro chiasmic arrangement of the entire letter and explains how the presumed first century audience would have heard and responded to an oral performance of the letter In doing so Jeon offers a fresh challenge to more popular ways of mis understanding the letter and points a way forward for appropriating the letter both in academia and in the church **The Role Of The Holy Spirit In Worship** H. Eugene Soulsby,2019-12-02

Christianity does not deny the Holy Spirit s existence and most Christians would confess they believe in the Spirit at least with their head and creed But few experience him in their daily walk or have a biblical understanding of who he is why he came and what his role is in the Christian life The Holy Spirit is a living presence a person and as such must be experienced not neglected within the church and the individual believer The crucial role of the Spirit in Paul s life thinking and theology was always that of the personal presence of God As a Christian a believing follower of Christ the Spirit is the empowering presence experienced in our lives as we await the perfect ending of the Kingdom of God *Paul's Corporate Christophany* Rob A. Fringer,2019-02-28 Paul s Christophany i e his Damascus Road Experience has been the subject of much scholarly analysis However treatments of this phenomenon while widely varied have tended to extract the various references from their literary contexts in order to reconstruct the event to discover the foundations and content of Paul s Christology or to analyze Paul s experience of conversion and or call The current study focused on the undisputed Pauline epistles evaluates how and why Paul employed the various Christophanic references in their particular literary and sociohistorical contexts Through this assessment the importance of Paul s Christophanic references as part of his larger arguments is established It is shown how Paul uniquely shapes the various Christophanic references to fit the needs of his argument and through it the needs of each community Furthermore this study demonstrates that Paul s Christophanic references do not primarily establish his apostolic status or assert his apostolic authority Through this study the corporate nature of Paul s Christophanic references becomes increasingly evident and multiple general conclusions are drawn which provide a possible glimpse into Paul s understanding of his Christophanic experience *Called to Attraction* Brendan Thomas Sammon,2017-10-26 What if there is more to beauty than meets the eye What if beauty named more than the human response to a thing s appearance but instead named the very presence of God in the world And what if beauty provided a power enabling human beings to think in novel and creative ways to see with new eyes This book explores the various ways in which the Christian theological tradition has provided responses to these questions Taking its starting point from the view that beauty is above all a divine name this book explores the consequences that such a starting point has not only for the human experience of beauty but also for the way in which beauty penetrates to the very heart of human nature uplifting and inspiring human thought and action to ever new frontiers of existence In its experience of beauty so this book argues the human spirit encounters the divine presence in unexpected and transformative ways such that one may come to see that not only is God beautiful but God is beauty itself

**Pro Ecclesia Vol 24-N2** Joseph Mangina, Associate Professor of Theology & Director of Advanced Degree Studies, Wycliffe College, Toronto, Pro Ecclesia, 2015-05-08 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology Death and Life Andy Boakye, 2017-07-20 The resurrection of Jesus is arguably the most significant component of the Christian narrative and is critical for Paul's presentation of the Gospel Yet it is routinely marginalized in study of the polemics of Galatians largely because it is explicitly mentioned only once and even then only obliquely This investigation redraws the boundaries of its impact in the letter showing the risen Christ to be an indispensable feature of how Paul's argument unfolds and achieves its ultimate objective establishing a rationale for the creation of a multiethnic eschatological family of God which is grounded in Israel's biblical tradition **Romans** Christian A. Eberhart, 2025-04-05 Can a feminist interpretation of Romans discover anything new In this volume Christian Eberhart pays special attention to the fact that Paul entrusted Phoebe a gentile woman with the task of delivering the letter to Rome There she would have been the person who recited it aloud and by heart in front of various audiences Yet as the leader of a congregation in Corinth Phoebe had likely also been involved in the process of composing the letter as some passages reveal This multifaceted engagement of a woman gives new meaning to the vision of human society in Romans that celebrates the full participation of women and men Jews and gentiles weak and strong and free and slave **A Heart of Flesh** Steven E. Knepper, 2023-11-09 The Irish philosopher William Desmond is one of the most compelling and adventurous Christian thinkers of our time The essays gathered here undertake a journey through the Bible with Desmond that ranges across biblical theology philosophy of religion metaphysics ethics aesthetics political theory and literary studies Some of the essays examine the place of the Bible in Desmond's thought considering his readings of the creation the Abraham cycle and the Beatitudes Other essays bring Desmond's ideas to bear on broad questions that emerge from the Bible about philosophy and revelation exegesis theopoetics eschatology and tyranny Still others bring Desmond into conversation with influential philosophers who engage or conspicuously do not engage the Bible such as Hegel Schopenhauer Kierkegaard Heidegger and Tillich Together these essays show the rich possibilities of approaching the Bible with Desmond All take their bearings from Desmond's metaxological approach which does not seek to claim the final word which attends to the text rather than simply imposing on it and which allows for an ongoing dialogue Contributors Ryan G Duns SJ Caitlin Smith Gilson Joseph K Gordon William Christian Hackett Steven E Knepper Renee Kohler Ryan Andrew Kuiper Brendan Thomas Sammon Terence Sweeney Ethan Vanderleek Erik van Versendaal Robert Wyllie The Oxford Handbook of Christology Francesca Aran Murphy, 2015-09-24 The Oxford Handbook of Christology brings together 40 authoritative essays considering the theological study of the nature and role of Jesus Christ This collection offers dynamic perspectives within the study of Christology and provides rigorous discussion of inter-confessional theology which would not have been possible even 60 years ago The first of the seven parts considers Jesus Christ in the Bible Rather than focusing solely on the New Testament this section begins with

discussion of the modes of God's self communication to us and suggests that Christ's most original incarnation is in the language of the Hebrew Bible. The second section considers Patristic Christology. These essays explore the formation of the doctrines of the person of Christ and the atonement between the First Council of Nicaea in 325 and the eve of the Second Council of Nicaea. The next section looks at Mediaeval theology and tackles the development of the understanding of who Christ was and of his atoning work. The section on Reformation and Christology traces the path of the Reformation from Luther to Bultmann. The fifth section tackles the new developments in thinking about Christ which have emerged in the modern and the postmodern eras and the sixth section explains how beliefs about Jesus have affected music, poetry and the arts. The final part concludes by locating Christology within systematic theology, asking how it relates to Christian belief as a whole. This comprehensive volume provides an invaluable resource and reference for scholars, students and general readers interested in the study of Christology.

**Studying Paul's Letters with the Mind and Heart** Gregory S.

MaGee, 2018-09-25 This informative survey of Paul's epistles is conversant with the latest scholarship but written in an engaging style that emphasizes practical application. In each chapter Gregory MaGee asks and answers a vital question for understanding Paul's letters while prompting the reader to consider the discussion's personal implications. These questions get at the heart of understanding, interpreting and living out the Pauline letters: Why listen to Paul? Were all thirteen letters really written by Paul? How does Paul interact with the Old Testament? What are some specific interpretive challenges in Paul's letters? How can I wisely apply Paul's teachings? What are the experts saying about Paul these days? What ideas were especially important to Paul? Students and other thoughtful Christians wishing to dig deeper into Paul's letters will benefit from this contemporary overview and will be challenged to grow spiritually and apply Paul's teachings and example.

*The Death of the Messiah and the Birth of the New Covenant* Michael J Gorman, 2014-12-25 In this groundbreaking book Michael Gorman asks why there is no theory or model of the atonement called the new covenant model since this understanding of the atonement is likely the earliest in the Christian tradition going back to Jesus himself. Gorman argues that most models of the atonement over-emphasize the penultimate purposes of Jesus' death and the mechanics of the atonement rather than its ultimate purpose to create a transformed, Spirit-filled people of God. The New Testament's various atonement metaphors are part of a remarkably coherent picture of Jesus' death as that which brings about the new covenant and thus the new community promised by the prophets, which is also the covenant of peace. Gorman therefore proposes a new model of the atonement that is really not new at all: the new covenant model. He argues that this is not merely an ancient model in need of rediscovery but also a more comprehensive, integrated, participatory, communal and missional model than any of the major models in the tradition. Life in this new covenant, Gorman argues, is a life of communal and individual participation in Jesus' faithful, loving, peacemaking death. Written for both academics and church leaders, this book will challenge all who read it to re-think and re-articulate the meaning of Christ's death for us.

*The Unity of Faith* Weinandy, Ofm Cap Thomas G, 2024-07

In this volume *The Unity of Faith* Thomas G Weinandy OFM Cap has compiled a theologically significant medley of essays. The first section deals with the Trinity ranging from the question of the filioque to the trinitarian thought of Johnathan Edwards. The second section addresses a topic for which Weinandy has become notable: the impassability of God and human suffering. The third takes up the topic of Christology particularly from within the contemporary theological milieu. For example, what is the relationship between the Incarnation and Soteriology? What is the nature of Christ's human consciousness and knowledge? How does Paul perceive the primacy of Christ within his Christological hymns? The next collection of essays focuses on the relationship between faith and reason. In doing Catholic theology, how do theologians apply reason when contemplating the mysteries of faith? What is the philosophical and theological significance of Pope John Paul II's encyclical *Fides et Ratio*? Ecclesiology is the final topic addressed. Weinandy examines the contributions that Henri de Lubac has contributed to our understanding of the Church. He also takes up the very delicate issue of the Jews in relationship to the Church. How important is it that Jews become Christians? The nature of the sacramentality of the Catholic priesthood is investigated. What does it mean that the priest acts in persona Christi? Lastly, Weinandy broaches a topic that has received very little theological attention: the Christian family as a Domestic Church. In what manner are spouses and parents in imitation of Christ, priests, prophets, and kings? Weinandy invariably writes in a clear and engaging manner so much so that these essays would benefit not only academics and students of theology but also the educated laity.

### **Gods Saving Grace A Pauline Theology Introduction**

In today's digital age, the availability of Gods Saving Grace A Pauline Theology books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gods Saving Grace A Pauline Theology books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gods Saving Grace A Pauline Theology books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gods Saving Grace A Pauline Theology versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gods Saving Grace A Pauline Theology books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gods Saving Grace A Pauline Theology books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gods Saving Grace A Pauline Theology books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gods Saving Grace A

Pauline Theology books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gods Saving Grace A Pauline Theology books and manuals for download and embark on your journey of knowledge?

### **FAQs About Gods Saving Grace A Pauline Theology Books**

**What is a Gods Saving Grace A Pauline Theology PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Gods Saving Grace A Pauline Theology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Gods Saving Grace A Pauline Theology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Gods Saving Grace A Pauline Theology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Gods Saving Grace A Pauline Theology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out

forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
