Yawl Pressed To Be A Wife, and Haven't Mastered Being A WOMAN Yet TJ , This book is going to break the internet One thing I do know for sure is people don t really want to hear the truth especially women They already live in their own fantasy worlds This is not an attack on women but it is more a commentary about the world that we live in now Times have changed since I was a kid growing up and in a lot of cases not for the better This definitely might be a best seller depending on the level of curiosity of inquiring minds I m definitely putting my best foot forward I m pretty sure a lot of women are upset at the simple fact that I have chosen to even bring up this topic of conversation But this is what I do I have been banned from several groups just for mentioning that members of the female species are not perfect But in reality we all make mistakes and the thing that really separates us as individuals is how we choose to move forward from those incidents Pressure can either bust pipes or make diamonds It all comes down to our nature and our nurturing The seed was planted along time ago and our parents did whatever they could to make us either productive citizens or menaces to our society Now we are free to roam this land as adults making daily decisions And this culture has created a generation that does not respect it s male species Some of their fathers have let them down if they were even present at all Then there is the media and music influence which have produced an entire generation of females that want to be strippers escorts and porn stars Kim Kardashian has created an empire off of her leaked sex tape This is just one example of many that has lead us to where we are now Their household and upbringing play a major role in how they relate to this world and the people in it I m also interested in knowing if these females in the modern area are still interested in actually getting married and what their motives are for getting hitched Call me skeptical but I m not falling for a big butt and a smile which is the signature sign of a gold digger because the marriage contract generally favors the female species I

worked too hard for everything that I have accumulated over the years and I would hate to fall victim to a female with less than honorable motives taking half of everything that I own Of course women have a very different perspective on this aspect of the marital contractual obligation if things don t work out for the happy couple But I refuse to entertain something as serious as getting married with a grain of salt I m definitely using my brain to the fullest before I would make any rash decisions I guarantee that this will take a serious turn in the right and wrong directions and it will be one for the ages Put on your seatbelt and prepare for a very wild ride which will be very similar to a rodeo ride on a wildly bucking bull who has just seen the red flag and is charging wildly with the anticipation of total destruction of the matador And just in case you got lost on this metaphor I am the matador and the bull is the on slot of the women who are running up to confront me with passion and fury after I engage them with truth and logic I guarantee that this book will not disappoint my audience but I will definitely get some negative feedback But that is to be expected in this cancel culture Going Deep Boxed Set (Books 1-4) Virna DePaul,2020-12-23 This boxed set collection includes four football romances Down Deep Royally Deep Deep Inside and Deep Desire each with a sexy fast paced and emotional romance inside Down Deep In high school Heath mistook Camille for the water boy Now ten years later Camille is a football photographer and single mother and her old crush returns with a vengeance when she sees Heath again In Royally Deep sparks fly between NFL quarterback Kyle and princess in disguise Bella but is happily ever after in the cards for these two lovers from different worlds Deep Inside Alec is determined to win Ruby s heart but as his publicist her job is to overcome his bad boy rep not fall in love Deep Desire When wide receiver Gabe Murphy is dumped by his former team and picked up by the Savannah Bootleggers he s determined not to get attached to his new city his new team or his beautiful new athletic trainer Zoe Reynolds For more Heat Heart and Happily Ever Afters check out Virna s other books BEDDING THE BACHELORS SERIES Book 1 Bedding the Wrong Brother Book 2 Bedding the Bad Boy Book 3 Bedding the Billionaire Book 4 Bedding the Best Friend Book 5 Bedding the Biker Next Door Book 6 Bedding the Bodyguard Book 7 Bedding the Best Man Book 8 Bedding the Boss Book 9 Bedding the Baby Daddy Book 10 Bedding the Fake Boyfriend Novella Wedding the Bad Boy GOING DEEP SERIES Down Deep Royally Deep Deep Inside Deep Desire KISS TALENT AGENCY SERIES Lip Service Pucker Up Locking Lips Lip Action Kiss Off Kiss It Better ROCK CANDY SERIES Rock Strong Rock Dirty Rock Wild Rock Free Rock Sexy Rock Sweet HARD AS NAILS SERIES Hard Time Hard Case Hard Core Hard Place Hard Act HOME TO GREEN VALLEY What Love Can Do The Way Love Goes I m Gonna Love You Best Of My Love Because You Love Me So Much In Love BAD BOY DOCTORS Bad Boy M D Dr Hottie RED HOT COPS SERIES Getting Busy Getting Down Getting Dirty SPECIAL INVESTIGATIONS GROUP SERIES Shades of Desire Shades of Temptation Shades of Passion PARA OPS SERIES Knox Chosen by Blood Wraith Chosen by Fate Dex Chosen by Sin BELLADONNA AGENCY SERIES Turned Awakened OTHER Filthy Rich Alpha His Royal Hotness SEAL of a Lifetime Sext Addict Nailing Studs Craving Her Cowboy A Vampire s Salvation Wild For Mr Wrong Delete Nudes Gang Stories 105 Jilly Bangs,2021-05-19 A mega

Boys revealed the powerful bond between the teenaged princes and how it strengthened even more in the wake of their mother's tragic death. Now twenty years later, Queen Elizabeth II is in her mid nineties, Prince Charles is in his seventies, and all eyes are turned increasingly toward William and Harry again. Christopher Andersen picks up where he left off, covering everything that has happened to the brothers as they have grown up, gotten married to two remarkable women, and had children, all while facing continual waves of controversy and questions about the ways their relationship has shifted. Andersen examines how the Queen's behind-the-scenes maneuvering to mold her grandsons in the Windsor image after Diana's death and her expectations of William as the future king played out. He questions whether the brothers' famously close relationship can survive Harry's departure from the Royal Family, the first time this has happened since their great-great-uncle King Edward abdicated the throne to marry a divorcee. He delves into the impact sisters-in-law Kate and Meghan have had on each other, as well as on their princes, and how marriage and fatherhood have changed the brothers, and in some ways also driven a wedge between them. Andersen also looks with an honest eye at how the princes and their wives have been continuously buffeted by scandal, including headline-making allegations of bullying, racism, betrayal, and emotional abuse that has pushed more than one royal to the brink of self-destruction. Based on in-depth research and with his fascinating and insightful *The Christian Science Monitor* writing, Andersen leaves no stone unturned in this intimate and riveting look into the private lives of the world's most famous princes.
