Going Against the Grain John Simons, 2011-06-01 Description This is a true account of a cocaine smuggler in the 21st century and what it was like to be involved in this high risk business It is one man s story from beginning to end but there are hundreds of people languishing in prisons all over the world that have been on the smuggling gig It is not a long story but it follows our man through the mayhem and madness of the smuggling world in a much laid back manner This is not the guns and violence type of story but it is honest and heartfelt and whatever your view on the DRUG scene the author has tried to humanise this story It may take you on a few twists and turns on the journey but it is all relevant and hopefully you will reach the conclusion with a good feeling About the Author John Simons was born in Berwick on Tweed 22nd August 1952 and lived in Wooler in Northumberland for the first 6 years of his life His dad was a sailor but when he left the sea he moved the family to Gravesend in Kent John as well John was educated at The H M S Worcester nautical training college a proper English Public School with all the posh folk to go along with it There he learned how to become an officer and a gentleman and the rudiments of shipboard life and of navigation and everything else nautical He then went on to become an apprentice navigating officer cadet in short with The Scottish Ship Management and to John this was manna from heaven He was in his words being paid to travel the world and chase women and had the best job in the world John soon found he was suffering under an illusion and on the long trips across the Pacific he would ruminate over the whys and wherefores of life and began to understand that there was more to this life than met the eye After a lot of thought John packed in his career with the Merchant Navy in order to find out what it is all about He went to live in a commune in Lancashire and really dropped out tuned in and turned on as they used to say but it wasn t in the hippie lifestyle that he found some sort of fulfilment What was bothering John was the same thing that bothers all of us at some point in our lives

why am I here He needed answers and to that end he went looking without knowing what it was he needed to find or where to find it In the course of his search he came across a young Indian man called Maharaji who said he could show him who he was not just pretty words but an experience He revealed him a thing we call Knowledge and from that moment on the answer was evident for John he had searched the world only to find what he was looking for was already within him John went on to get married and have 2 children both of whom are now in their thirties one is in Australia and the other in Frome in Somerset He split from his wife early on in the marriage but became a single parent with his son while the daughter stayed with her mum John has had a long and varied career and has had a lot of fun doing it all whether it is messing about with cars or chopping down trees or being put upon by this insane system we have to live with One thing John can't abide is hypocrisy which is all we have to put up with from politicians and other so called luminaries we have spouting forth their opinions with gay abandon while the rest of us have to suffer their greed and relentless legislation putting all the power into the wrong hands John's mum died last year and left him a bit of cash so he bought a plot of land in France and he hopes to retire there at some point but at present John is currently looking after his dad down in deepest Hampshire while trying to get to his land in France whenever the opportunity presents itself John started writing purely by accident when he was asked to write a disclosure while in prison and the disclosure went on for a while about 40 000 words to be precise and it ended up being published as *Prison and Beyond* his first attempt but not his last this is testament to that **T.R.** H. W. Brands, 2019-07-23
