Dying to Grow (Free eBook Sampler) Nathan Lorick ,2013-08-01 Never before have we seen the church degenerate at such a rapid pace This is largely due to the church pursuing congregational growth instead of kingdom growth The church is dying because our growth isn't based on strategies to reach the lost with the gospel The time to change is now we can't wait any longer People's eternities are at stake What is your church's priority Are you more concerned with filling your building or furthering the Kingdom This book will challenge you to evaluate just how important gospel based evangelism is to you and your church and call on you to restore an intentional evangelism strategy within the body Hell will tremble when churches once again make evangelism the central theme of their strategy

LADC, 2022-10-12 Research has shown there is a great divide between the church and the unaffiliated to include those who tend toward atheism This concern inspired the author to step away from full time ministry to work as a counselor in a state owned and operated residential facility to better understand the thought processes of those who are not invested in Christianity He became aware of an us versus them mindset held by some Christians this attitude has resulted in Christians drawing a tight circle around themselves that has created a barrier for reaching those not affiliated with the church There are several consequences First it has resulted in a deep decline in baptisms and church affiliation for churches less than 50 percent of Americans surveyed are members of a church Second it has resulted in Christians believing there is no hope for those outside the church Third the gospel presentation utilized by many is to continually make jabs at the unaffiliated bordering on a scare tactic Too many churches have attempted to use revival era styles of evangelism contemporary approaches and or a social perspective however the chasm has widened This book takes an in depth look at the philosophical systems that keep people from embracing Christianity The author also provides a theological model for helping others understand a theological base for the Christian worldview The greatest contribution of the book is the way it offers hope for reaching the unaffiliated and provides practical ways of connecting with those outside the church **LIVING THE LAST WORDS OF JESUS ("YOU SHALL BE MY WITNESSES")** Michael Bussen, 2023-10-13 Living the last words of Jesus is about essential effective and easy or at least easier evangelism for every
