Going Solo While Raising Children With Disabilities:

Going Solo While Raising Children with Disabilities Laura E. Marshak, 2015 It is a fact that children with disabilities are more likely than other children to be living in single parent homes. If you're raising a child with disabilities on your own, solo parenting, whether by choice or circumstance, you'll find a wealth of support, affirmation, and practical ideas in this guide to living well. This is the first book for solo parents whose kids have a wide variety of disabilities: physical, neurodevelopmental, and psychiatric, and who are widowed, separated, divorced, single by choice, adoptive, or foster parents, or military spouses with deployed partners. In *Going Solo*, Laura Marshak skillfully weaves together extensive interviews and survey results of solo mothers and fathers and grandparents too, with reliable coping strategies gleaned from 25 years as a practicing psychologist and specialist in disability adjustment. The book's insightful personal narratives and the author's deconstruction of these to offer universal lessons from the basic, e.g., practice mindfulness to de-stress, to the profound, e.g., cultivate gratitude as the antidote to resentment, can help readers assess and transform their own lives for the better. Agencies, extended family, and friends will want a copy of this book too to support the solos they care about.

Intellectual and Developmental Disabilities Briana S. Nelson Goff, Nicole Piland Springer, 2017-10-19 *Intellectual and Developmental Disabilities* provides a unique contribution not currently available in the professional literature by addressing the experiences and perspectives of families living with or raising a child with a disability. Designed for family therapists, social workers, and other helping professionals, it provides empirically based practical information for working with families experiencing intellectual and developmental disabilities of a loved one. This book also provides important information for navigating the various professional systems of care with which these families interface: health care providers, early childhood intervention teams, educational systems, the legal system, and financial planners.

Just One of the Kids Kay Harris Kriegsman, Sara Palmer, 2013-05-31 Supporting and encouraging all members of the family when a child has a physical disability. If you have a child with a physical disability, how can you plan your family's life in a way that is inclusive for everyone? What can you do to create a family where every member pulls his or her own weight, in appropriate measure, meets challenges, and has moments in the spotlight along the way? Most parents of a child who has a physical disability want their child to have fun, be responsible, make friends, and take acceptable risks in short to feel like just one of the kids, and they want to make sure that the needs of the whole family are met too. *Just One of the Kids* is designed to help parents focus not on what could have been but instead on what can be so that they, their children, and the grandparents thrive as individuals and as a family. The advice from psychologists Kay Harris Kriegsman and Sara Palmer is valuable for any family with children who have a physical disability from any cause. Their warm and encouraging book is full of family stories, tips, and tools. Parents of children with physical disabilities can help them develop the skills needed to meet life's challenges and launch into independence. Parents building on that foundation and acknowledging each person's contributions, interests, and aspirations create an inclusive and resilient

family **HANG ON! Navigating the Emotional Roller Coaster of Raising a Child with a Disability** Melvin J. Miller MA in Special Education M.Ed. in Educational Leadership, 2021-01-21 Every three minutes a child is born with a disability Every three minutes a parent is tossed upon an emotional roller coaster of raising a child with a disability The steep climbs and sharp curves of emotions in raising a child with a disability are not something a parent is prepared for These parents will flounder around in a maelstrom of negative emotions for months or years until they can finally work their way out Hang On Navigating the Emotional Roller Coaster of Raising a Child with a Disability addresses these issues to allow parents to recognize when they are in the grasp of a negative emotion and how to overcome its impact In doing so the parent can then move on to the positive emotions that can be experienced in raising their child with a disability Hang On first addresses the negative emotions parents of a child with a disability face by Providing a brief description of twelve negative emotions Examining the dangers of experiencing each negative emotion Allowing the parent to recognize if they are experiencing that emotion Providing ways to leave that negative emotion behind Hang On then continues to the fourteen positive emotions a parent can experience in raising a child with a disability by Providing a brief description of fourteen positive emotions Examining the benefits derived from each emotion Providing ways to enhance the experiences of each of these positive emotions **GP, Solo & Small Firm Lawyer**, 1998 *Parenting Gifted Children* Jennifer L. Jolly, Donald J. Treffinger, Tracy Ford Inman, 2021-09-03 When parents need the most authoritative information on raising gifted kids they can turn to Parenting Gifted Children The Authoritative Guide From the National Association for Gifted Children a gifted education Legacy Award winner This comprehensive guide covers topics such as working with high achievers and young gifted children acceleration advocating for talented students serving as role models and mentors for gifted kids homeschooling underachievement twice exceptional students and postsecondary opportunities The only book of its kind this guidebook will allow parents to find the support and resources they need to help their children find success in school and beyond Written by experts in the field of gifted education and sponsored by the leading organization supporting the education of gifted and advanced learners this book is sure to provide guidance advice and support for any parent of gifted children Texas Association for the Gifted and Talented 2011 Legacy Book Award Winner Parenting **Practices of Child Rearing** Mr. Rohit Manglik, 2023-03-23 Analyses traditional and modern child rearing methods **Inclusion Strategies for Students with Learning and Behavior Problems** Paul Zions, 2005 **A Cup of Comfort for Parents of Children with Special Needs** Colleen Sell, 2009-03-18 A sensitive and timely collection of hope and support for parents of children with special needs A diagnosis of a child's special need can be extremely difficult for parents However every day these children accomplish small victories and make great strides that improve their own lives and brighten their parents' days This collection brings to life fifty stories of parents who have struggled with a child's diagnosis only to embrace the differences that make their children that much more special and even more loved Following the success of A Cup of Comfort for Parents

of Children with Autism this sensitive and joyful collection offers a poignant message of support hope and empathy This touching volume is sure to find a welcome home wherever people are dealing with a challenging diagnosis

Going Solo While Raising Children With Disabilities Introduction

In the digital age, access to information has become easier than ever before. The ability to download Going Solo While Raising Children With Disabilities has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Going Solo While Raising Children With Disabilities has opened up a world of possibilities. Downloading Going Solo While Raising Children With Disabilities provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Going Solo While Raising Children With Disabilities has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Going Solo While Raising Children With Disabilities. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Going Solo While Raising Children With Disabilities. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Going Solo While Raising Children With Disabilities, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Going Solo While Raising Children With Disabilities has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Going Solo While Raising Children With Disabilities Books

1. Where can I buy Going Solo While Raising Children With Disabilities books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
