Going To The Root Nine Proposals For Radical Church Renewal:

Going to the Root Christian Smith, 1992 The church today is often tired lacking vision and mired in bureaucratic structures This book suggests an alternative The church can return to its roots It can draw fresh vision from the Bible Jesus the early church and the growing worldwide movement of house churches and base Christian communities *The Church on the Margins* Mary R. Sawyer, 2003-07-24 Examines the state of the American Christian community from a cross cultural perspective

Radical Renewal Howard A. Snyder, 2005-08-08 This updated best seller challenges the reader to examine the current church structure If you have never read this classic you have missed a treasure chest of information and wisdom from one of the most respected authors of our time Wine the gospel of Jesus Christ and Wineskins the man made structures of the church How do the two relate What happens when new wine is poured into old wineskins What about making new wineskins In short What kinds of church structures are most compatible with the gospel in our modern techno urban society Snyder addresses these questions and provides some challenging answers In the course of his argument he discusses the fellowship of the Holy Spirit the mind of Christ the role of spiritual gifts the pastor as a superstar and renewal that is deeply spiritual and immediately practical

Reimagining Church Frank Viola, 2012-12-10 Author Frank Viola presents a compelling case for a new kind of church based on the model for fellowship found in Acts Redefine expectations and reimagine a life changing church

The Community of the King Howard A. Snyder, 2010-01-28 Howard A Snyder probes the relationship between the kingdom of God and our daily experience of the church

Sacro-Egoism John S. Knox, 2016-05-10 Sacro Egoism The Rise of Religious Individualism in the West discusses the relationship between secularization participation in religious practices and belief and the emergence of radical individualized expressions of faith in the West Using McMinnville Oregon as a case study it presents the data collected and analyzed from several churches denominations and spiritual settings in that unassuming town and compares it to the results of Heelas and Woodhead s Spiritual Revolution project arriving at a provocative conclusion Rather than abandoning Christianity for alternative spirituality practices McMinnville citizens still feel strongly about their Christian faith taking their spiritual walk to a more personal level than ever before in church history Utilizing both quantitative and qualitative research along with personal stories of faith and exploration from McMinnville residents themselves Sacro Egoism The Rise of Religious Individualism in the West tells a story of radical individualists who have become the highest religious authority in their lives even over the church the Bible and traditional Christian society

Building on the Rock Walfred J. Fahrner, 2005-02-23 Two visions of church have dominated Christianity for centuries The sacramental view centers on celebration of sacred rites and the instructional view on proclamation of the Scriptures A third vision the church as a committed community of faith has been preserved among persecuted believers known as Anabaptists and Mennonites These people choose costly commitment to Christ and his way of suffering love They follow the path of discipleship in community and open themselves to the counsel of fellow church

members Their highest authority is the kingdom of God and Jesus Christ whom they serve through obedience to the Scriptures With a spirituality of nonviolence compassion and servanthood they invite all people to know and follow Christ Today many see the Christian church as hypocritical and irrelevant Wealth mobility and individualism tempt Mennonites themselves to give up a common life Yet the vision of church as a true community of faith offers hope for renewal This book helps to reclaim core themes of a biblical and Mennonite vision of being church together Here is a challenge for longtime Mennonites and for disciples of all backgrounds *The Church in the House* Robert Fitts,2018-04-17 The Church in the House a Return to Simplicity The most rapid expansion of Christianity in history took place in the first two hundred fifty years of the Church s history until recently Something has been happening for the past twenty five years in China that is growing even faster What is remarkable is that both of **Yes in Christ** Howard A. Snyder,2011 The promises of God formed the basis of John Wesley s optimism of grace Wesley believed God not only could but in fact would fulfill all his promises to bring salvation to the nations to make new heavens and a new earth to liberate the whole creation from its bondage to decay Rom 8 21 This collection of essays by respected Wesleyan theologian Howard A Snyder reflects the spirit of Wesley s optimism of grace The first half of this collection offers an overview of Wesley s theology and practice particularly with regard to gospel mission and culture Part Two examines the inter dynamic between church renewal and global mission The collection also includes Wesleyan appraisals of Clark Pinnock s theology and the ecclesiology of Karl Barth Howard A Snyder serves as distinguished professor and chair of Wesley Studies at Tyndale Seminary in Toronto Ontario Canada Previously he was professor of history and theology of mission in the E Stanley Jones School of World Mission and Evangelism at Asbury Theological Seminary in Wilmore Kentucky from 1996 to 2006 He has also taught at United Theological Seminary Dayton Ohio and pastored in Chicago and Detroit He has written numerous books including *The Problem with Wineskins* IVP *The Radical Wesley* IVP and most recently *Populist Saints* B T and Ellen Roberts and *The Birth of Free Methodism* Eerdmans *God the Worker* Robert Banks,2008-12-24 Here is an invitation to embark on a journey of discovery that marshals our imagination and emotions our intellect and will God the Worker seeks to answer the ultimate questions What is God really like Can we know God intimately Where do we fit into the overall scheme of things In his quest for answers Robert Banks opens up the world of the Bible and everyday life as he explores dynamic images of God at work as composer and performer as metalworker and potter as garmentmaker and dresser as gardener and orchardist as farmer and winemaker as shepherd and pastoralist as tentmaker and camper as builder and architect He shows how through the language and idea of work the divine hand is revealed This book offers us the opportunity to encounter God in a way that is mind expanding life changing work transforming taking us to the very edges of human understanding The author sees the Bible as a guidebook and source of insight that is completely fresh but paradoxically as old as the book itself *Ex Auditu* - Volume 13 Klyne Snodgrass,2004-06-23 *Ex Auditu* began as the journal incorporating the papers of the Fredrick Neumann

Living in the Shadow of the Cross Paul Kivel, 2013-10-01 How our dominant Christian worldview shapes everything from personal behavior to public policy and what to do about it Over the centuries Christianity has accomplished much which is deserving of praise Its institutions have fed the hungry sheltered the homeless and advocated for the poor Christian faith has sustained people through crisis and inspired many to work for social justice Yet although the word Christian connotes the epitome of goodness the actual story is much more complex Over the last two millennia ruling elites have used Christian institutions and values to control those less privileged throughout the world The doctrine of Christianity has been interpreted to justify the killing of millions and its leaders have used their faith to sanction participation in colonialism slavery and genocide In the Western world Christian influence has inspired legislators to continue to limit women's reproductive rights and has kept lesbians and gays on the margins of society As our triple crises of war financial meltdown and environmental destruction intensify it is imperative that we dig beneath the surface of Christianity's benign reputation to examine its contribution to our social problems *Living in the Shadow of the Cross* reveals the ongoing everyday impact of Christian power and privilege on our beliefs behaviors and public policy and emphasizes the potential for people to come together to resist domination and build and sustain communities of justice and peace Paul Kivel is the award winning
