American God J. A. Bouma, 2018-12-04 The separation of Church and State. The authentic Christian faith. Never more at risk. Ex Ranger turned professor Silas Grey is at an all time low. His career is in jeopardy the woman he cares about is in the hospital and there's a presidential election upending the status quo a three way race between a Catholic Democrat a Mormon Republican and an Evangelical Independent. So when a former classmate shows up with a mysterious medallion with ancient markings of conflicting origin he knows trouble is on the horizon. He also knows exactly whom to call the ancient religious Order of Thaddeus protector of the Christian faith stretching back two millennia. But when the election takes a remarkably dramatic turn it becomes apparent that a conspiracy threatens not only America but also the Church. And the mystery medallion is revealed to be rooted in a more explosive origin stretching back to the early decades of America's founding and the founding of the Church of Jesus Christ of Latter day Saints. Silas and the Order's SEPIO operatives embark on a timely mission ripped from the headlines to protect the integrity of the authentic Church. Not only that whether they succeed or fail will have national stakes as the country straddles the knife edge separation of Church and State. In a race against the election clock will they succeed before that separation is breached and religious confusion floods the nation. Once again emerging author J A Bouma weaves a tale that leverages the familiar elements of Dan Brown's religious conspiracy and James Rollin's special ops suspense informed by Steve Berry's historical insights delivering an explosively gripping political thriller with a religious edge that is thoroughly rooted in historical and religious fact. Templars Rising J. A. Bouma, 2019-04-09 A legend 900 years in the making rises again to protect the Church. The day before Easter 1119 700 unarmed Jerusalem Christian pilgrims were savagely attacked by Muslims from two nearby cities. Three hundred were slaughtered sixty more were taken as slaves and nine men rose to avenge their deaths and pledge their lives to the defense of Jerusalem and the protection of pilgrims. The Knights Templar robed in white with crimson crosses and armed to protect Christians from threatening persecution. Nine hundred years later a series of similar devastating coordinated attacks leaves the Church reeling during Holy Week and bewildered by the possibility that the legendary Knights of Christ have risen from the shadows of legend into the light of activation. When the Order of Thaddeus ancient defender of the Christian faith is embroiled in the mayhem without any answers SEPIO launches its most harrowing operation yet to not only protect the Church and bring the perpetrators to justice but to confront the mysterious men in white avenging Christian persecution once again. Templars Rising is a story of faith and persecution vengeance and martyrdom that leverages the familiar conspiracy suspense of Dan Brown the special ops muscle of James

Rollins's Sigma Force novels and the historical insight of Steve Berry's Cotton Malone series delivering an explosive religious thriller that abandons Hollywood style Templar conspiracies for the remarkable historical truth behind the ancient religious order. In a truly original story ripped from the unreported headlines chronicling the horrifying persecution of the worldwide Church, J. A. Bouma combines fact, faith, and fiction like few contemporary religious storytellers, weaving an adventurous action-packed page-turner with a compelling, inspiring message for believers and non-believers alike about the nature of faith and one's unshamed commitment to it even unto death. Grab the 6th book in the bestselling religious suspense series readers say offers a highly entertaining and compelling read.

Hidden Covenant J. A. Bouma, 2018-09-11 The Lost Ark is more than a Hollywood blockbuster. FACT: the Ark of the Covenant was a real religious object, a wooden box overlaid with gold and crowned with two golden cherubim. FACT: the Ark served as the central religious artifact of the ancient Israelites for worship and sacrifice. FACT: around 586 BC the Ark vanished from Israel's temple, never to be seen again. What happened to it and where did it go? The world is about to find out. Silas Grey, ex-Army Ranger and leading relics professor, is drawn back into the fray with an urgent mission from the ancient religious Order of Thaddeus after a former professor makes headlines for unveiling the location of the Lost Ark. But soon it is clear things are not as they seem and the struggle has never been greater for the Church. Because not only is there a startling discovery that changes the mission entirely, Matt Gapinski and a new SEPIO recruit track a high-value operative of the Order's ancient nemesis that reveals the stakes are even higher for both the ancient Jewish relic and the Christian faith. In this explosive third adventure in the bestselling Order of Thaddeus religious conspiracy thriller series, twists and turns spanning three continents will leave you wondering where the Ark of the Covenant has been hidden for two and a half millennia and what would happen to the world religious scene if it were found. Will Silas and the SEPIO operatives stop the threat against the Church and the Ark before it's too late? Once again emerging author J. A. Bouma leverages the familiar elements of Dan Brown's religious conspiracy and James Rollin's special ops suspense, informed by Steve Berry's historical insights and Joel Rosenberg's thrilling inspiration, delivering a passionate historical fiction that draws you into the story from the very beginning. Devour this propulsive new archaeological thriller adventure straddling thrill and thought, faith and doubt, combining fact, faith, and fiction like few contemporary religious writers.

Encounters with American Culture: Volume 2 (1973-1985) Peter S. Prescott, Peter S. Prescott was one of the most informed and incisive American literary critics to write for the general public. Never content merely to summarize or to pronounce quick judgments, Prescott's reviews are witty and delightful essays to be enjoyed for their own sake as examples of civilized discourse. Whether he is exploring a well-known novelist's outlook and methods or the peculiar deficiencies of a work of nonfiction, Prescott's grace, elegance, and insights make each piece proof that real criticism need not be pedantic, obscure, or interminably long. The focus in this second volume of Prescott's writings, published by Transaction, is on both fiction by American authors and on nonfiction reflecting our American unease. He casts an ironic eye on how we in this country think

we live now on what we are saying about ourselves in our fiction our history and our biography Prescott considers some of our century's classic writers Hemingway and Henry Miller John Cheever and Thornton Wilder He offers new insights regarding those who are still at work Mailer John Irving Oates Updike Ozick and Alice Walker Some authors do not fare well With his customary flair Prescott explains why the reputations of Kurt Vonnegut and Barbara Tuchman the Encyclopedia Britannica and John Gardner urgently need deflation He includes essays on writers and books not generally noticed in collections of criticism Stephen King The Joy of Sex fairy tales science fiction thrillers books on survival and etiquette Here is a critic with a personal voice and a sense of style For essays published in this collection Prescott received the most highly regarded prize in journalism the rarely presented George Polk Award for Criticism This is a chronicle of our contemporary American culture as revealed by its books written with verve intelligence wisdom and wit by a critic who's cruel only when appropriate Encounters with American Culture is quite simply literary journalism at its urbane best Peter S Prescott was book review editor for Newsweek His books include A Darkening Green Notes from the Silent Generation and The Child Savers Juvenile Justice Observed Anne L Prescott is Helen Goodhart Altschul Professor of English at Barnard College
