Going To Meet The Man Stories:

Going to Meet the Man James Baldwin, 2013-09-17 A major collection of short fiction including the story Sonny's Blues by one of America's most important writers exploring the wounds racism leaves in both its victims and its perpetrators. In this modern classic there's no way not to suffer. But you try all kinds of ways to keep from drowning in it. The men and women in these eight short fictions grasp this truth on an elemental level and their stories detail the ingenious and often desperate ways in which they try to keep their head above water. It may be the heroin that a down and out jazz pianist uses to face the terror of pouring his life into an inanimate instrument. It may be the brittle piety of a father who can never forgive his son for his illegitimacy. Or it may be the screen of bigotry that a redneck deputy has raised to blunt the awful childhood memory of the day his parents took him to watch a black man being murdered by a gleeful mob. By turns haunting, heartbreaking, and horrifying. *Going to Meet the Man* is a major work by one of the most important writers of the twentieth century. Including *The Rockpile*, *The Outing*, *The Man Child*, *Previous Condition*, *Sonny's Blues*, *This Morning*, *This Evening*, *So Soon*, *Come Out the Wilderness*. *Going to Meet the Man* **Going to Meet the Man/James Baldwin** James Baldwin, 1988 **Going to Meet the Man** James Baldwin, 1965 Eight short stories depicting the isolation and alienation of individuals.

James Baldwin and the Queer Imagination Matt Brim, 2014-09-29 The central figure in black gay literary history, James Baldwin has become a familiar touchstone for queer scholarship in the academy. Matt Brim's *James Baldwin and the Queer Imagination* draws on the contributions of queer theory and black queer studies to critically engage with and complicate the project of queering Baldwin and his work. Brim argues that Baldwin animates and in contrast disrupts both the black gay literary tradition and the queer theoretical enterprise that have claimed him. More paradoxically, even as Baldwin's fiction brilliantly succeeds in imagining queer intersections of race and sexuality, it simultaneously exhibits striking queer failures, whether exploiting gay love or erasing black lesbian desire. Brim thus argues that Baldwin's work is deeply marked by ruptures of the unqueer into transcendent queer thought and that readers must sustain rather than override this paradoxical dynamic within acts of queer imagination. The Columbia Companion to the Twentieth-Century American Short Story Blanche H. Gelfant, 2004-04-21

Esteemed critic Blanche Gelfant's brilliant companion gathers together lucid essays on major writers and themes by some of the best literary critics in the United States. Part 1 is comprised of articles on stories that share a particular theme such as *Working Class Stories* or *Gay and Lesbian Stories*. The heart of the book, however, lies in Part 2, which contains more than one hundred pieces on individual writers and their work, including Fitzgerald, Hemingway, Richard Ford, Raymond Carver, Eudora Welty, Andre Dubus, Zora Neal Hurston, Anne Beattie, Bharati Mukherjee, J.D. Salinger, and Jamaica Kincaid, as well as engaging pieces on the promising new writers to come on the scene. James Baldwin David Leeming, 2015-02-24 James Baldwin was one of the great writers of the last century. In works that have become part of the American canon, *Go Tell It on a Mountain*, *Giovanni's Room*, *Another Country*, *The Fire Next Time*, and *The Evidence of Things Not Seen*, he explored issues of race and

[Handbook of the American Short Story](#) Erik Redling, Oliver Scheiding, 2022-01-19 The American short story has always been characterized by exciting aesthetic innovations and an immense range of topics This handbook offers students and researchers a comprehensive introduction to the multifaceted genre with a special focus on recent developments due to the rise of new media Part I provides systematic overviews of significant contexts ranging from historical political backgrounds short story theories developed by writers print and digital culture to current theoretical approaches and canon formation Part II consists of 35 paired readings of representative short stories by eminent authors charting major steps in the evolution of the American short story from its beginnings as an art form in the early nineteenth century up to the digital age The handbook examines historically methodologically and theoretically the coming together of the enduring narrative practice of compression and concision in American literature It offers fresh and original readings relevant to studying the American short story and shows how the genre performs American culture

The Black American Short Story in the 20th Century Peter Bruck, 1977-01-01 This volume is a collection of essays on black short stories written between 1998 and 1976 It aims to say something about the black short story as a genre and the development of the racial situation in America as well The primary aim is to introduce the reader to this long neglected genre of black fiction In contrast to the black novel the short story has hardly been given extensive criticism let alone serious attention The

individual essays of this collection aim at presenting new points of critical orientation in the hope of reviving and fostering further discussions They provide a variety of approaches and a great diversity of critical points of view *James Baldwin and the Short Story* Benedict Ushedo,2018-03-21 This book examines the range of issues that echo in James Baldwin s short stories It articulates and defends the claim that the stories in the collection *Going to Meet the Man* are driven by the autobiographical memory of the author To support this line of thought and the related proposition that the stories feed into themes relevant to self knowledge vicarious suffering love and forgiveness their effectiveness as transformative and revelatory texts is highlighted By drawing on contemporary studies and challenging the view that short stories are no more than miniature pieces merely echoing major works of their authors this book demonstrates that the short story genre can be profoundly forceful and effective in the articulation of complex human issues This study shows also that the humanistic import of the Baldwin stories is amplified by their ability to accumulate moral tension as they elicit the participation of the reader in an imaginative quest for a better world *James Baldwin* Harold Bloom,2007 A collection of essays presenting critiques and analysis of the major works of the African American author *Black Women in the Fiction of James Baldwin* Trudier Harris,1985 In James Baldwin s fiction according to Trudier Harris Black women are conceptually limited figures until their author ceases to measure them by standards of the community fundamentalist church Harris analyzes works written over a thirty year period to show how Baldwin s development of female character progresses through time Black women in the early fiction responding to their elders as well as to religious influences see their lives in terms of duty as wives mothers sisters and lovers Failure in any of these roles leads to feelings of guilt and the expectation of damnation In his later works Baldwin adopts a new point of view acknowledging complex extenuating circumstances in lieu of pronouncing moral judgement Female characters in works written at this stage eventually come to believe that the church affords no comfort Baldwin subsequently makes villains of some female churchgoers and caring women who do not attend church become his most attractive characters Still later in Baldwin s career a woman who frees herself of guilt by moving completely beyond the church attains greater contentment than almost all of her counterparts in the earlier works **Why Love Leads to Justice** David A. J. Richards,2016 This book tells the stories of notable historical figures whose resistance of patriarchal laws transformed ethical political and legal standards **Everyday Beliefs about Emotion: Their Role in Subjective Experience, Emotion as an Interpersonal Process, and Emotion Theory** Stephanie A.
