Two Serious Ladies Jane Bowles, 2025-08-26 Jane Bowles s avant garde study of women breaking free from the bonds of convention is itself a master class in liberation from the constraints of everyday thinking form and feeling *Two Serious Ladies* is the only novel ever written by the legendary and underappreciated Jane Bowles Long held as a visionary cult classic this subversive anarchic and riotous novel follows two upper class women as they strip themselves of propriety and descend into debauchery and it now appears with a new introduction by Sheila Heti Christina Goering and Frieda Copperfield each embark on their own voyage of discovery and emancipation Mrs Copperfield visits Panama with her husband but finds herself descending into a shadowy and seedy demimonde of brothels and bars while Miss Goering engages in increasingly sordid encounters with strange men At the end the two women meet again each transformed by her experience and the reader transformed by the devastating wit and strange clarity with which Bowles writes of society and women s place in it
