The SAGE Handbook of Social Work Mel Gray, James Midgley, Stephen A Webb, 2012-06-22 This Handbook is the world's first generic major reference work to provide an authoritative guide to the theory, method and values of social work in one volume. Drawn from an international field of excellence, the contributors each offer a critical analysis of their individual area of expertise. The result is this invaluable resource collection that not only reflects upon the condition of social work today but also looks to future developments. Split into seven parts, the Handbook investigates Policy, dimensions, Practice, Perspectives, Values and ethics, The context of social work, Research, Future challenges. It is essential reading for all students, practitioners, researchers and academics engaged in social work.

Global Social Transformation and Social Action: The Role of Social Workers Sven Hesse, 2016-04-22 Global social transformation calls for global social action. 2010 saw the launch of The Global Agenda for Social Work and Social Development which detailed how social workers can strive to bring about increased social justice. The time is right to start to address and demonstrate the actions that might be required to develop and accomplish the Agenda with regard to methods in practice and research in social policy and social work education and in a broader discourse of global commitment and cooperation. This informative and incisively written, edited collection brings together experts from around the world to discuss issues which the social work and social welfare sectors face every day and to ensure a closer link between evidence-based practice, policy objectives and social development goals. Furthermore, this book reveals how these may affect the conditions of people and demonstrate how the social work and social development community can contribute to sustainable development.

International Social Work David Cox, Manohar Pawar, 2012-12-04 International Social Work: Issues, Strategies and Programs, Second Edition, draws together the practice wisdom emerging within the broad scope of international social work practice and its role in contributing to the international community's efforts in combating the major global social problems of poverty, conflict and postconflict reconstruction, the development of countries and disadvantaged populations, migration and displacement and the needs of specific populations such as child soldiers and AIDS orphans. Utilizing an integrated perspectives approach incorporating global human rights, ecological and social development perspectives, the International Social Work 2e is designed to prepare social workers, human services professionals, development practitioners who desire to play significant roles in responding to modern global challenges that are critical to the well-being of people, communities, nations and ultimately of us all.

Multicultural and International Approaches in Social Work Practice Kui-Hee Song, 2016-09-26 Building upon the author's integrative and interactive ideas about human services fields, this book presents an intercultural perspective of social work education, practice and research with culturally, linguistically, relationally underprivileged minority groups in the local and global communities to show how the synthesis of theories from postmodern social constructionism, multiculturalism and international organization empowerment can be applied when working with Asian immigrant families. This book also demonstrates how a mutual development model of

intercultural organizational institutional collaborative partnership can be relevant when providing an International Experience for Human Services Abroad Course Author Kui Hee Song uses in depth case studies in the culturally linguistic and diverse context of human services fields and in the cross nationally interactive context of host country human services organizations and home university academic administrations Kui Hee Song examines the clinical change process of a Korean immigrant family that is working with Child Protective Services seeking to resolve physical child abuse problems and generate new meanings in parent child relationships through therapeutic conversational dialogue As the new to this edition a case of Ming s story is especially the cultural differences between the Chinese immigrant client family and American medical setting where practitioner s personal beliefs were challenged Kui Hee Song critically examines specific steps to take in establishing intercultural service learning field placements for an experiential learning education abroad course Song explores the significant leadership roles and responsibilities of host country human services organizations and home university administrators involved with making a new international human services experience abroad program planning implementation and evaluation Specially Song provides a profound understanding of the empowerment process of a Korean family a conversational partnership in dialogue that invites the clients to speak their loud hitherto unheard voices and enhance a personal perception of competency for action and hope Song also gives a thoughtful comprehension of a mutual empowerment process of cross national collaborative partners differential responsibilities but mutually shared power vision and goals in working relationship that allows for each collaborator to stand together in unity of transactional and transformational leadership behaviors and strengthens the sustainability of the effective international human services experience abroad program
