is a tribute to Rachel Elijah's decades of teaching scholarship and mentoring. If a *Festschrift* reflects the individuality of the honoree, then this volume offers insights into the scope of Rachel Elijah's interests and scholarly achievements in the study of the Dead Sea Scrolls, Jewish apocalypticism, magic, and mysticism from the Second Temple period to the later rabbinic and *Hekhalot* developments. The majority of articles included in the volume deal with Jewish and Christian apocalyptic and mystical texts constituting the core of the experiential dimension of these religious traditions.
