- **Sepoy** - Indian soldiers who were employed in the East India Company's army
- **"Jewel in the crown"** - India was considered to be the most valuable of all of Britain's colonies, because of its supply of raw material and 300-million (population) wide market for British goods.

The next day, they rebelled, marching to Delhi and capturing the city. From there, the rebellion spread throughout northern and Central India, and it took the East India Company more than a year and British troops to regain control of the country.
- **Raj** - refers to the part of India that was under British rule from 1757 until 1947
