Haiti Glass Lenelle Moïse, 2014-04-08 New poetry from City Lights Sister Spit With rhythmic poetry and intimate prose Haiti Glass offers an unflinching look at disaster desire and death defying love *The Oxford Handbook of Caribbean Religions* Michelle A. Gonzalez, Michelle Gonzalez Maldonado, 2024 The Oxford Handbook of Caribbean Religions offers a comprehensive overview of Caribbean religions The Caribbean is a microcosm of the world's religions but the small geographic space resulted in the encounter of global religions and indigenous religious practices The racial ethnic and cultural diversity of this region makes brief introductions to Caribbean religions incapable of truly addressing its complex and diverse religious landscape The Handbook also elaborates on the diversity of the religious traditions and the national particularity of the region while also considering multiple geographic settings It mentions how often Caribbean religion is studied through the perspective of a discrete religious tradition or geographic setting *The Mindful Classroom* Tru Leverette, 2022-02-10 The Mindful Classroom Constructive Conversations on Race Identity and Justice helps teachers and discussion facilitators practice and teach mindfulness and movement techniques that can deeply enhance conversations about race identity and social justice furthering social justice efforts at their most basic stage person to person from the face to face or online classroom to the community at large Mindfulness and movement practices can help us prepare for and engage in difficult conversations and the more conscious we become of our emotional mental and physical landscape the more we are able to engage proactively rather than reactively consciously rather than automatically We become able to act or not act rather than react in situations with others The topics of race and social justice are timely and they are triggers Productive engagement with these topics demands we remain mindful of how we may be triggered and how we may be triggering others it demands we pay attention to ourselves at a fundamental level and it demands that we grant such attention to others **Billboard**, 1950-05-06 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Variety's Who's who in Show Business** Mike Kaplan, 1989 **The New Yorker** Harold Wallace Ross, William Shawn, Tina Brown, Katharine Sergeant Angell White, David Remnick, Rea Irvin, Roger Angell, 1934-05
