& ODED SHENKAR, *Editors*

Handbook For International Management Research

Handbook For International Management Research

KJ Lindholm-Leary

Handbook For International Management Research Handbook For International Management Research:

Handbook of International Management Research. Betty Jane Punnett, Oded Shenkar, 1995-12-11 The Handbook for International Management Research provides a current and much needed summary of literature on methodology topical issues and challenges in international management research. Drawn from around the world, the contributors are well known in the field of international management, providing a book which is both international in scope and which reflects international opinions. An indispensable resource for students and management academics.

Handbook for International Management Research Betty Jane Punnett, Oded Shenkar, 2004 A completely updated edition of the definitive guide for researchers in international management.

Research Handbook on Women in International Management Kate Hutchings, Snezhina Michailova, 2014-03-28 The Research Handbook on Women in International Management is a carefully designed collection of contributions that provides a thorough and nuanced discussion of how women engage in international management. It also offers important insights into emerging issues.

Research Handbook of Global Families Yvonne Kallane, Joanne Mutter, Heidi Collins, 2023-10-06 With research into the lives of global families becoming an increasing focus worldwide, this Research Handbook is a timely compendium of contemporary scholarship. It aptly describes the work-family interface, delving into the unique dimensions of global family life.

Research Handbook on Human Resource Management and Disruptive Technologies Tanya Bondarouk, Jeroen Meijerink, 2024-03-14 This comprehensive and judicious Research Handbook examines the fundamental influence of the emergence of contemporary disruptive technologies, including artificial intelligence, online platforms, the Internet of Things, and social robots on Human Resource Management (HRM).

Research Handbook of Expatriates Yvonne McNulty, Jan Selmer, 2017-05-26 In the Research Handbook of Expatriates, Yvonne McNulty and Jan Selmer have created a seminal work that should be on the bookshelf of all social scientists who work in the field of expatriation. More senior scholars will appreciate the deep dive each chapter takes into the literature, each one acting as a reservoir they can draw from to powerfully inform their future research efforts. Doctoral students and newly minted PhDs will find this book to be especially valuable; the final chapter of the book alone provides inestimable career and how-to-publish guidance for them in the field of expatriation. The coverage of the history, construct, milieu, research methodologies, and issues is the best I have come across in a single volume in over 30 years of working in the field. In short, this is a monumental contribution to the study of expatriates and global mobility.

Mark E. Mendenhall, University of Tennessee. McNulty and Selmer's edited volume does a wonderful job of consolidating and integrating everything we know about expatriates and their different types. This long overdue Handbook, featuring chapters by top researchers, lays a trail for scholars to further advance the study of expatriates. Joyce Osland, San Jose State University. McNulty and Selmer's edited book of readings on virtually all aspects of expatriates deserves a prominent place in the library of researchers and practitioners interested in this subject. The Handbook provides a historical overview as well as the latest trends in expatriate

studies and concludes with useful guidelines on how to conduct as well as improve the quality of research in this field Rosalie L Tung Simon Fraser University Canada Constituting a comprehensive and carefully designed collection of contributions the Research Handbook of Expatriates provides a nuanced and up to date discussion of expatriates Theoretically broad and groundbreaking it offers important and contemporary insights into emerging areas of research warranting future consideration Drawing upon a range of perspectives from the field s most distinguished academics contributions review the history of the literature in relation to expatriates from the development of the expatriate construct through to the current state of research on business expatriates Subsequent chapters progress into detailed examinations of the various types of business expatriates including LGBT self initiated expatriates female assignees inpatriates international business travellers and commuters and millennials Other themes include expatriate performance adjustment expatriates to and from developing countries global talent management and expatriates safety and security The Research Handbook also covers expatriates in diverse communities such as education military missionary sports and Aidland and provides additional commentaries relating to methodological issues research with practitioners case studies biculturals and ATCKs and global families The Research Handbook concludes with publishing advice for PhD and early career researchers Stimulating insightful new areas of study this collection is a must read for academics and scholars in the field of expatriate research international management global human resource management and business administration It also offers a wealth of guidance for executives and recruiters along with expatriates and professionals who may expatriate Contributors M Andresen C Brewster L Care J L Cerdin L Clarke D G Collings M Collins A Corbin M Crowley Henry M Dickmann H Dolles R Donohue C Doss B Egilsson A Fee K L Fisher K J Hanek A Haslberger T Hippler K Hutchings M Isichei J Luring L M kel R McPhail S Michailova M Moeller B Oberholster

Talent Management David Collings, Vlad Vaiman, Hugh Scullion, 2022-09-19 This book contains an Open Access chapter Aimed at researchers postgraduate students and professionals in the field Talent Management A Decade of Developments charts the evolution of talent management illustrating the progress prospects and challenges that have transpired over the last ten years

Applied Psychology in Talent Management Wayne F. Cascio, Herman Aguinis, 2024-05-10 This text provides the most comprehensive future oriented overview of psychological theories and how they impact people decisions in today s workplace with integrated coverage of technology strategy globalization and social responsibility

Cross-Cultural Management David C. Thomas, 2008-04-29 Now called Cross Cultural Management to more clearly reflect the content the Second Edition has been refined to build on the strength of the earlier edition for a stronger emphasis on understanding of the most current research on culture in organizational settings The text examines cross cultural management issues from a psychological or behavioural perspective It focuses on the interactions of people from different cultures in organizational settings and helps the reader gain an understanding of the effect of culture that can be applied to a wide variety of cross cultural interactions in various organizational contexts

Research Handbook of International Talent Management Yipeng

Liu,2019 International talent management has become a critically important topic for scholarly discussion in policy debates and among the business community Despite this however research into talent management tends to lack theoretical underpinnings especially from an international multidisciplinary and comparative perspective This Research Handbook fills this gap bringing together a range of leading researchers scholars and thinkers to debate and advance the conceptualization and understanding of this multifaceted subject **Key Questions and Inspiring Answers in Cross-Cultural**

Management Christoph Barmeyer,Constanze Ruesga Rath,2024-02-12 As a fascinating interdisciplinary and emerging field of research and practice cross cultural management is shaped and enriched by women scholars This book takes an engaging narrative approach to insightful conversations with 12 women academics to illuminate key concepts methods and issues within this ever evolving field The leading scholars interviewed are Nancy Jane Adler Zeynep Aycan Ariane Berthoin Antal Nakiye Boyacigiller Mary Yoko Brannen Paula Caligiuri Sylvie Chevrier Martha Maznevski Joyce Osland Sonja Sackmann Susan C Schneider Lena Zander **The Routledge Companion to International Management Education** Denise

Tsang,Hamid H. Kazeroony,Guy Ellis,2013-06-19 Crises and scandals in the world of international management have brought a new spotlight onto how the subject is taught studied and understood There has been a plethora of literature on international management but a lack of focus on how international management education IME can be shaped to respond to existing and future global business challenges The Routledge Companion to International Management Education gathers together contributors from academia industry and university administration involved in IME to introduce the domain of IME describe the emerging state in new geographical areas discuss the major issues and debates revolving around IME explore the linkage of technology and international management and shed light on the future of IME The diverse background of the contributors provides a global perspective that challenges the dominant Anglo American view with up to date specific insights originating from their indigenous view points which has often been neglected and inadequately covered The volume answers important questions such as Do we need a vision in IME What is the current state of IME How has IME grown in emerging market segments What roles does technology play in its recent development The volume provides thought provoking reading for educators administrators policy makers human resources professionals and researchers It will also give future international management students a glimpse of IME from a global inside out perspective Research Handbook

of Responsible Management Oliver Laasch,Roy Suddaby,R. E. Freeman,Dima Jamali,2020-05-29 Outlining origins of the field and latest research trends this Research Handbook offers a unique and cutting edge take on the numerous avenues to responsible management in the 21st century Renowned contributors present iconic viewpoints that have formed the foundation of responsible management research introducing cutting edge conceptual lenses for the study of the responsible management process **The Routledge Companion to Cross-Cultural Management** Nigel Holden,Snejina

Michailova,Susanne Tietze,2015-04-24 This Routledge Companion provides a timely and authoritative overview of cross

cultural management as an academic domain and field of practice for academics and students With contributions from over 60 authors from 20 countries the book is organised in to five thematic areas Review survey and critique Language and languages moving from the periphery to the core Cross cultural management research and education The new international business landscape Rethinking a multidisciplinary paradigm Edited by an international team of scholars and featuring contributions from a range of leading cross cultural management experts this prestigious volume represents the most comprehensive guide to the development and scope of cross cultural management as an academic discipline *Human Resource Management* David G. Collings, Geoffrey Wood, Leslie T. Szamosi, 2018-08-15 Despite over three decades of debate around the nature of human resource management HRM its intellectual boundaries and its application in practice the field continues to be dogged by a number of theoretical and practical limitations Written by an international team of respected scholars this updated textbook adopts a critical perspective to examine the core management function of HRM in all its complexity including its darker sides Human Resource Management A Critical Approach opens with a critique of the very concept of HRM tracing its development over time and then systematically analyses the context of HRM practice of HRM and international perspectives on HRM New chapters commissioned for this second edition look at HRM and the issues of diversity migration global supply chains and economic crisis This textbook is essential reading for advanced and inquisitive students of HRM and for HRM professionals looking to deepen their understanding of the complexities of their field The SAGE Handbook of Qualitative Business and Management Research Methods Catherine Cassell, Ann L Cunliffe, Gina Grandy, 2021-08-04 The SAGE Handbook of Qualitative Business and Management Research Methods provides a state of the art overview of qualitative research methods in the business and management field The Handbook celebrates the diversity of the field by drawing from a wide range of traditions and by bringing together a number of leading international researchers engaged in studying a variety of topics through multiple qualitative methods The chapters address the philosophical underpinnings of particular approaches to research contemporary illustrations references and practical guidelines for their use The two volumes therefore provide a useful resource for Ph D students and early career researchers interested in developing and expanding their knowledge and practice of qualitative research In covering established and emerging methods it also provides an invaluable source of information for faculty teaching qualitative research methods The contents of the Handbook are arranged into two volumes covering seven key themes Volume One History and Tradition Part One Influential Traditions underpinning qualitative research positivism interpretivism pragmatism constructionism critical poststructuralism hermeneutics postcolonialism critical realism mixed methods grounded theory feminist and indigenous approaches Part Two Research Designs ethnography field research action research case studies process and practice methodologies Part Three The Researcher positionality reflexivity ethics gender and intersectionality writing from the body and achieving critical distance Part Four Challenges research design access and departure choosing participants research
