Harley-Davidson and Philosophy Bernard E. Rollin, 2012-03-30 It s no wonder descriptions of riding often resemble the words of Asian mystics and Jedi knights The ride causes your senses to open completely You experience only the present the now Readers who prefer revving a Harley to meditating in a Zen garden know that biking is just as contemplative as chanting in the lotus position Here philosopher bikers explore this seeming dichotomy expounding on intriguing questions such as Why are the motorcycles the real stars of Easy Rider What would Marx and Foucault say about Harley riders tight leather garb What s it like to live a dual life as a philosophy professor who wrenches his own 1965 Electra Glide Would Jesus hang out in a biker bar or a coffeehouse And more importantly would He ride a Harley or a Honda These witty provocative essays give readers and riders a new appreciation of what it means to become one with the road Hearings United States.

Commerce, 1971 Organizing for the New Normal Constantinos C. Markides, 2021-04-03 We live in a world of continuous disruption Before we have a chance to respond to one disruption another hits Before we finish one transformation journey we need to embark on another How do you prepare the organization for this new normal of continuous disruption This is the challenge that every organization is now facing no matter how successful their digital transformation of the past decade has been Organizing for the New Normal explores how to prepare the organization for this unique challenge How do you develop a strategy for what is coming next while you are busily driving your current transformation And how do you convince emotionally exhausted employees to join you on the journey The book does not provide a ready made recipe for success but rather explores how to put together the ingredients that will improve the odds of success Organizing for the New Normal outlines the leadership competencies critical for success in the new normal such as How to create a permanent sense of urgency and an organization wide unease with the status quo How to convince people to exploit disruption as an opportunity when all they see around them are the negative consequences of disruption How to institutionalize into the DNA of the organization the day to day behaviors that would allow us to identify and respond to change early and how to achieve this in a decentralized way How to develop a strategic response that is innovative and aims to attack the disruption rather than defend against it *WALNECK'S CLASSIC CYCLE TRADER, JANUARY 2000* Causey Enterprises, LLC, **WALNECK'S**
