Is Calvinism Biblical:

Is Calvinism Biblical? James Allen Moseley, 2020-01-09 The debate for and against Calvinism is perhaps the most passionately divisive in Christianity followed perhaps only by the debate about End Times It should be evident to all well meaning and reasonable Christians that you can be a Calvinist or not and still be a good Christian and go to heaven But that isn't always the case There are many friendly Calvinists but some very prominent ones think that if you are not a Calvinist it is because you are proud arrogant pagan humanistic and brainwashed If you think that's too extreme read on Unfortunately such statements sometimes have the effect of driving seekers away from Christ The truth is there are Biblical arguments for and against Calvinism and some of the most famous theologians in the past and present adhere to either side of the debate This book is designed to help you grapple with the verses that Calvinists claim support their view I pass my own judgment on the verses but by parsing them and considering them prayerfully yourself you can come to your own conclusion and whichever side you take I believe you can hold to it under the mantle of God's grace

A Biblical Critique of Calvinism Dave Armstrong, 2012-10-23 In this volume I reply to biblical arguments from John Calvin in Books I-III of his Institutes of the Christian Religion in instances where he takes a position that is contrary to Catholic theology Taking on John Calvin's exegetical arguments in this fashion will it is hoped demonstrate the persistent fallacies and falsehoods from the Catholic perspective that are frequently found in his writing and illustrate at least some ways to refute and overcome them Catholics regard Calvinists and other Protestants as brethren in Christ and rejoice over the many important beliefs that we hold in common At the same time the Catholic apologist's task is to answer objections to Catholicism that arise in these quarters and to present what we feel are superior alternative opinions I use the public domain translation of the Institutes by Henry Beveridge Calvin Translation Society 1845 from the 1559 Latin edition The book includes an Appendix of Areas of Calvinist Catholic Agreement

Deconstructing Calvinism Revised Edition Hutson Smelley,2011-08 Does God love everyone When Jesus died on the cross at Calvary did he die for the sins of the elect only or for the sins of the whole world Can anyone respond in faith to the gospel message Or is the act of believing a gift of God only given to a subset of humanity called the elect so that the rest of humanity is unable to believe and destined to spend eternity apart from God What does the term elect mean in the New Testament These are fundamental questions about the God of the Bible and the salvation He provides in Jesus Christ This book invites you to sit as an unbiased juror and consider the traditional principles of TULIP Calvinism as explained by the leading Calvinists in their own words then to weigh their proffered Scriptural evidence to make your own determination This book will address exegetically all of the most commonly cited proof texts for Calvinism with a thorough consideration of the pillar passages like John 6:44 Romans 3 and 9 and Ephesians 1:4 This book will defend a middle ground position called NULIF new life between TULIP Calvinism and Arminianism and demonstrate that you can tell people with confidence that God loves them Jesus died for their sins and they can be saved by trusting Christ for the forgiveness of their sins based on his finished work at Calvary HUTSON SMELLEY is an attorney Bible teacher and seminary student residing in Houston Texas with his wife and seven children He has a degree in Biblical Studies from the College of Biblical Studies a B.S. in Mathematics from the University of Houston a M.S. in Mathematics from Texas A.M. Tackling Tulip Grant Ralston,Edward Ralston,2019-07-24 Tackling TULIP will help Christians understand the errors of Calvinism and why this theological system should be rejected and refuted This book includes a helpful investigation into the key passages that Calvinists use to defend their beliefs Romans 9 Ephesians 1 and John 6 are examined in light of the Calvinistic interpretation and are not seen to teach what Calvinists assert The theological errors that Calvinism presents are also exposed Questions like Do we have free will and Did Christ die for everyone are answered in the affirmative by both

church history and biblical revelation Finally the practical problems of Calvinism are explained A belief in Calvinism eliminates the possibility for Christians to have assurance of salvation and tends to diminish the importance of holy living Tackling TULIP will equip the body of Christ to defend against the erroneous theology of Calvinism Does God Love All or Some? Ronnie W. Rogers,2019-04-19 The term extensivism describes my position regarding the doctrine of salvation Specifically extensivism believes that man was created in the image of God with otherwise choice God s salvation plan involves an all inclusive unconditional offer of salvation to every person reception of which is conditioned upon grace enabled faith rather than Calvinism s exclusive plan of a limited actual offer of salvation to only the unconditionally elected Generally it replaces the term non Calvinism These are the five primary objectives of the book First my considerations would result in a deeper understanding of God Second I will demonstrate that God salvationally loves every single person Third I intend to offer a precise and respectful critique of Calvinism s internal and biblical inconsistencies these are largely due to its commitment to compatibilism and unconditional election Fourth I will demonstrate that God s free choice to endow man with libertarian freedom is a more biblical perspective Fifth because a significant percentage of people who become Calvinists do not actually understand Calvinism I seek to present Calvinism and extensivism in language that is precisely and consistently reflective of the commitments of each perspective regarding God s sovereignty salvific love foreknowledge and man s freedom this so a person can make an informed choice about Calvinism The Joy of Calvinism Greg Forster,2012-02-29 The Bible s command to rejoice continually seems impossible and frankly unreasonable Yet despite the apparent difficulty in fulfilling this commandment Gregory Forster argues that Calvinism holds the key namely that real Calvinism is all about joy Forster passionately holds to this belief and systematically demonstrates it by addressing popular misconceptions of what Calvinism is and is not Dismantling negative expressions of Calvinist theology Forster positively reiterates its fundamental tenets showing how God s love is the driving force behind every facet of Calvin s doctrine of salvation Written accessibly The Joy of Calvinism is an important addition to the conversation surrounding Calvinism and its advocates Skeptics and those who have had negative perceptions of Calvinism as well as Calvinists themselves will find this a helpful resource for clearing up the controversies and grasping the winsomeness of the doctrines of grace Calvinism - Is It Biblical Dave Crenshaw,Gordon Lunsford,2019-10-26 Is Calvinism Biblical This question has been asked for centuries Does God select those to be saved in some mysterious way or do we have some say in our ultimate destiny How did sin enter the world Is God responsible for sin or is the blame entirely on mankind These questions are discussed in detail with numerous Scriptural references on both sides of these issues Dave Crenshaw a Presbyterian minister gives the arguments for Calvinism while Gordon Lunsford a Church of Christ Christian Church minister presents the opposing view The first part of this work consists of a series of letters between Mr Crenshaw and Mr Lunsford discussing their understanding of these subjects with many references to specific Bible passages Specific topics Bible verses are then presented with Mr Crenshaw s explanation and Mr

Lunsford's response The final section consists of quotations from the Church Fathers before the time of St Augustine Included are passages from Justin Martyr Irenaeus Clement of Rome and others Anyone interested in the debate between free will and predestination should find this book interesting

 Biblical Is Perseverance of the Saints Biblical *Augustine's Calvinism* C. Matthew McMahon, 2013-01-03 Aurelius
 Augustine 354 430 is one of the most prominently known figures in the history of the Christian church He was a philosopher
 and theologian of the highest order and steadfastly preached on the grace of God He preached and wrote on the grace of God
 so extensively to preserve the truth of the gospel especially against the heretic Pelagius that he was deemed the Doctor of
 Grace Many today hold to what has become known as the Five Points of Calvinism or the doctrines of grace They comprise
 the five points of Total Depravity Unconditional Election Limited Atonement Irresistible Grace and the Perseverance of the
 Saints But did Augustine believe these same Calvinistic doctrines Is Augustine s theological view of sin election the death of
 Christ regeneration and sanctification the same as the Reformers the Puritans or even those who hold to the Gospel of Grace
 today This work is a survey of that question and demonstrates from Augustine s works that he was undoubtedly a Calvinist

 it p 8 **What Love Is This?** Dave Hunt, 2007-04-22 Many sincere Bible believing Christians are Calvinists only by default
 Thinking that the only choice is between Calvinism with its presumed doctrine of eternal security and Arminianism with its
 teaching that salvation can be lost and confident of Christ s promise to keep eternally those who believe in Him they
 therefore consider themselves to be Calvinists It takes only a few simple questions to discover that most Christians are
 largely unaware of what John Calvin and his early followers of the sixteenth and seventeenth centuries actually believed and
 practiced Nor do they fully understand what most of today s leading Calvinists believe Although there are disputed variations
 of the Calvinist doctrine among its chief proponents whom we quote extensively in context there is general agreement on
 certain core beliefs Many evangelicals who think they are Calvinists will be surprised to learn of Calvin s belief in salvation
 through infant baptism and of his grossly un Christian behavior at times as the Protestant Pope of Geneva Switzerland Most

shocking of all however is Calvinism's misrepresentation of God who is love It is our prayer that this volume will enable readers to examine more carefully the vital issues involved and to follow God's holy Word not man's teachings The first edition of this book was greeted by fervent opposition and criticism from Calvinists In this enlarged and revised edition I have endeavored to respond to the critics Dave Hunt **Is Calvinism And The TULIP Biblical?** James G

Battell, 2023-06-10 In post Reformation Britain many lay Christians were so terrified and traumatised over Calvinism's callous and careless misrepresentation and misunderstanding of predestination that suicide seemed the only possible option for such tortured souls to escape the pain and misery inflicted on them by those that should have known better One can only hazard a guess as to the sheer number of poor souls that actually ended their lives prematurely due to this horrendous twisting and perverting of what should have been a blessing to the repentant sinner and not a curse For those that do not know or understand what predestination in Calvinism is it is the belief that only a minority of sinners in each generation were literally chosen before the foundation of the world by God to be saved while others the vast majority were chosen for condemnation Eternal damnation in hellfire One tortured soul from this era who felt the full weight of the world on his young shoulders due to his Calvinistic upbringing was George Fox founder of the Quakers He would literally walk for miles every day in search of answers from learned men and ministers as to whether or not God had personally chosen him for salvation or for damnation Finally when he stopped consulting men and started consulting God and the Scriptures he was set free from this depression and despair and never doubted his salvation again In recent years and with the rise of the celebrity Christians and their mega churches Calvinist preachers like John MacArthur Paul Washer Justin Peters and Voddie Baucham to name just a few have carefully watered this damnable doctrine down so as to appease their ecumenical and mostly non denominational followers and donors But sooner or later when the sincere student of Scripture and students of Church history study this part of John Calvin's and Martin Luther's tainted theology they will realise they have been deliberately misled and conveniently kept in the dark May God bless this book to help any troubled souls to be set free from the shackles of Calvinism once and for all and be granted full peace and sanctuary in Christ Jesus love and forgiveness Amen James G Battell is a Christian writer radio broadcaster video maker and podcaster He also runs an international Bible believing ministry with his father www.excatholicsforchrist.com
