Is The Bible Worth Reading, and Other Essays L. K. Washburn, 2019-12-17 In *Is The Bible Worth Reading and Other Essays* L K Washburn undertakes a rigorous examination of the Bible's relevance in contemporary society weaving together a series of thought provoking essays that challenge conventional interpretations of scripture With a scholarly yet accessible style Washburn engages with theological arguments historical contexts and modern ethical dilemmas offering a nuanced discourse on the intersection of faith and reason The book's literary context situates itself within the broader conversation of religious critique and appreciation inviting readers to ponder not just the content of the text but also its implications for daily life L K Washburn a seasoned theologian and educator draws from a rich background in comparative religion and philosophy His passion for exploring the complexities of religious texts has led him to investigate not only their historical significance but also their transformative power in the modern world This collection of essays reflects his deep commitment to fostering thoughtful dialogue around faith urging readers to engage critically with sacred texts rather than accepting them at face value This collection is highly recommended for readers interested in theology philosophy and the humanities as it provides both academic rigor and profound insights into the Bible's enduring impact Washburn's approachable prose ensures that those from all walks of life can engage with the material making this book a valuable addition to the libraries of both scholars and curious readers alike

Is the Bible Worth Reading Lemuel K. Washburn, 2018-01-18 Excerpt from *Is the Bible Worth Reading And Other Essays* I have not said that there are not wise sayings in the Bible or a few dramatic incidents but there are just as wise sayings and wiser ones too out of the book and there are dramas of human life that surpass in interest anything contained in the Old or New Testament No person can make a decent excuse for reading the Bible more than once To do such a thing would be a foolish waste of time But our stoutest objection to reading this book is not that it contains nothing particularly good but that it contains so much that is positively bad To read this book is to get false ideas absurd ideas bad ideas The injury to the human mind that reads the Bible as a reliable book is beyond repair I do not think that this book should be read by children by any human being less than twenty years of age and it would be better for mankind if not a man or woman read a line of it until he or she was fifty years old About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www](http://www.forgottenbooks.com)

Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find

the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

IN HIS NAME E. Christopher Reyes,2014-05 The way to maintain a Christianized falsehood is to stigmatize the real truth to such an extent that it would be heresy to even listen to it For one who is seeking historical truth A record held sacred is for the most part fundamentally vitiated vitiated Random House 1 spoiled marred 2 perverted corrupted 3 rendered invalid Tacitus 1 2 13 p 25 56 What does Christianity teach man Christianity teaches that the human race is depraved fallen and sinful D James Kennedy Why I Believe World Publishing 1980 This book is about the Christian leadership which planned from the very beginning to deceive mankind force feed mankind with their intellectual arrogance convolutions superstitions and boldly admit to it fabricating lies so preposterous and so deliberately outlandish that even the saints who also obliged Christian subjects with their theological tunnel vision had to write of them The series of books entitled In His Name will virtually challenge everything you have been taught about Christianity Just because something is old or of antiquity does not necessarily mean that it is the Truth 1 Timothy Christian apologists proclaim that Christianity is

not only a Revelation of Divine Truth it is also the Inspiration to a more virtuous life excerpt from The History of the Orthodox Church by Rev Constantine Callinikos Time itself will someday expose the fallacies of their faith a faith that not only deceives its followers but a faith that will also condemn them and condemn all constructive sacred learning

Oh what a tangled web we weave When first we practice to deceive Sir Walter Scott

Why do Christian churches refuse to let their congregations read of the beginnings of their faith Why does the Christian Church refuse to allow their membership to read of the original authors Why does the Church equate suffering with virtue This book will challenge your beliefs It is meant to get one to think rationally sensibly realistically However one must know that most churches do not want you to think rationally they would rather you not think at all At one time the Catholic Church even issued guidelines as to which books a university could with permission disseminate to its students and even the works of Aristotle the Prince of Philosophers and the Holy Bible itself were actually forbidden

The Black Church - Where Women Pray and Men Prey Deborrah Cooper, 2012 This book continues an uncomfortable examination of Prosperity Gospel the con game of religion and slick preachers The truth is revealed about the many ways Black women are set up in churches by unscrupulous men out to control demean sexually abuse and rob them and their children Back cover
