Is God Anti Gay Questions Christians Ask:

Is God anti-gay? Sam Allberry, 2013-07-01 A practical and sensitive exploration of the Bible's teaching on homosexuality. It's the hot topic of the moment. Christians, the church, and the Bible seem to be out of step with modern attitudes towards homosexuality. And there is growing hostility towards those who hold a different view to the culture's. So is God homophobic? And how do we relate to both Christians and non-Christians who experience same sex attraction? In this short, simple book, Sam Allberry wants to help confused Christians understand what God has said about these questions in the scriptures. Drawing on his own experience, he offers a positive and liberating way forward through the debate. This revised and updated version includes answers to some new questions, including: Should Christians attend gay weddings? Isn't the Christian view of sexuality dangerous and harmful? Is it sinful to experience same sex attraction? **Four (and a half) Dialogues on Homosexuality and the Bible** Donald J.

Zeyl, 2022-02-07 *Four and a half Dialogues on Homosexuality and the Bible* explores four different interpretive approaches to biblical texts regarding homosexuality and same sex marriage. Differences of interpretation are discussed openly, honestly, and charitably. The dialogues' four characters maintain friendship with each other despite their disagreements, and so the book serves as a model of how difficult, potentially divisive conversations on a controversial topic might be conducted. Three of the four perspectives presented for examination are well represented in the existing literature; the fourth is not as familiar and is offered and developed as a proposal for bridging the divide that persists among theologically conservative Christians who honor the authority of Scripture over their thinking and their living. Ongoing conflict over this issue is destructive of the unity toward which the Bible summons all believers to strive, and so the book includes also a call to create space for one another, both individually and institutionally, for differences in theological conclusions and in community practices. Each of the dialogues begins with one of the characters telling their personal story regarding their sexuality, continues with that character's case for their view, and concludes with a series of suggested discussion questions. **60 Questions Christians**

Ask About Jewish Beliefs and Practices Michael L. Brown, 2011-10 Respected scholar and Messianic Jew answers sixty common questions Christians have about Jewish people, culture, practices, and the Jewish background to the New Testament.

What Does the Bible Really Teach about Homosexuality? (eBook) Kevin DeYoung,2015-11-09 In WHAT DOES THE BIBLE REALLY TEACH ABOUT HOMOSEXUALITY award winning author Kevin DeYoung challenges each of us the skeptic and the seeker the certain and the confused to take a humble look at God s Word regarding the issue of homosexuality After examining key biblical passages in both the Old and New Testaments and the Bible s overarching teaching regarding sexuality this timely book responds to popular objections raised by Christians and non Christians alike making this an indispensable resource for thinking through one of the most pressing issues of our day

Do Ask, Do Tell, Let's Talk Brad Hambrick,2016-03-01 Conversations among friends accomplish more than debates between opponents Conversations on controversial issues do not to go well when the dialogue happens community to community or figurehead to figurehead Whether it s race religion or politics groups don t talk well with groups Too much is at stake when we feel like our words and actions speak for the collective whole Platforms and podiums will never accomplish what can only be done around dinner tables and in living rooms Two individuals from those respective groups are much more likely to forge a good relationship influencing one another in various ways Unfortunately an individual who listens well is often viewed by his or her collective compatriots as engaging in compromise at the group level representing each side fairly feels too much like agreement That is why the aim of this book is friendship Friendship is the level at which influence can be had because the dialogue does not seek to represent an agenda but to understand a person Friendship is what protects good points from becoming gotcha moments The subject for which this approach may be most vital for the modern church may be homosexuality and same sex attraction SSA Yet our approach has tended to be more polemical or political than pastoral and personal Churches have articulated their position on a conservative sexual ethic Churches have re examined the key biblical texts that are challenged in defense of a progressive sexual ethic As important as these things are however they do not equip everyday Christians to develop meaningful friendships with people who experience same sex attraction or have embraced a

gay identity In the absence of relationship our theology becomes theory Many Christians are seeing that the church's unwillingness to befriend people who experience SSA has blocked us from engaging with the subject of homosexuality on a person to person level We are reticent to engage relationships where it feels probable that there will be awkwardness Admittedly this book is not as neat as you might like for it to be Many tensions will be navigated maybe not all contradictions will be avoided However when it comes to being salt and light for the sake of the gospel it seems far better to choose possible messiness over guaranteed ineffectiveness That means we must realize that it is good for us to have conversations where we don't know what to say This is part of the essence of being a growing person When we're not having conversations that challenge us to think about new things we will commit sins either of pride or apathy We should always be praying that God will bring people into our lives who will provide the opportunity for us to ask new and important questions The desire of this book is to be a resource God uses to grow his people into excellent ambassador friends to their classmates colleagues and family members who experience SSA If this is what you want to do and be then God will be faithful to complete this work in you regardless of the strengths and weaknesses insights and oversights of this book Philippians 1:6 Thank you for taking this journey with me Brad Hambrick Grounded in Grace Jonathan Holmes, 2024-09-09 Jonathan Holmes explores the challenges children face in forming their identity and offers guidance for parents in helping their children build their identity in Christ *Правила игры* Джим Эстеп, Дэвид Роддкап, Гари Джонсон, Джаред Джонсон, 2025-08-12 51 e2 PDF A4

Can You Be Gay and Christian? Michael L. Brown, 2014-05-06 The question of how the church deals with homosexuality has become the great moral and spiritual issue of this generation How do we respond to gay people who tell us how much they love the Lord and experience God's power How do we answer them when they say that the greatest law is the law of love and that love requires us to embrace them as they are What do we do with the argument that the Old Testament laws such as the prohibition against homosexuality and the dietary laws no longer apply Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth The book also provides practical guidelines for ministry and shows readers how they can resist the gay agenda while reaching out to their gay friends and family
