Isaac Abarbanel's Stance Toward Tradition Defense Dissent And Dialogue:

Isaac Abarbanel's Stance Toward Tradition Eric Lawee, 2012-02-01 Winner of the 2002 Nauchman Sokol Mollie Halberstadt Prize in Biblical Rabbinic Scholarship presented by the Canadian Jewish Book Awards Finalist 2002 Scholarship Morris J and Betty Kaplun Award presented by the National Jewish Book Council Financier and courtier to the kings of Portugal Spain and Italy and Spanish Jewry's foremost representative at court at the time of its 1492 expulsion Isaac Abarbanel was also Judaism's leading scholar at the turn of the sixteenth century His work has had a profound influence on both his contemporaries and later thinkers Jewish and Christian Isaac Abarbanel's Stance Toward Tradition is the first full length study of Abarbanel in half a century The book considers a wide range of Abarbanel's writings focusing for the first time on the dominant exegetical side of his intellectual achievements as reflected in biblical commentaries and messianic writings Author Eric Lawee approaches Abarbanel's work from the perspective of his negotiations with texts and teachings bequeathed to him from the Jewish past The work provides insight into the important spiritual and intellectual developments in late medieval and early modern Judaism while offering a portrait of a complex scholar whose stance before tradition combined conservatism with creativity and reverence with daring

Rashi's Commentary on the Torah Eric Lawee, 2019-04-09 Winner of the Jewish Book Council Nahum M Sarna Memorial Award in Scholarship This book explores the reception history of the most important Jewish Bible commentary ever composed the Commentary on the Torah of Rashi Shlomo Yitzhaki 1040 1105 Though the Commentary has benefited from enormous scholarly attention analysis of diverse reactions to it has been surprisingly scant Viewing its path to preeminence through a diverse array of religious intellectual literary and sociocultural lenses Eric Lawee focuses on processes of the Commentary's canonization and on a hitherto unexamined and wholly unexpected feature of its reception critical and at times astonishingly harsh resistance to it Lawee shows how and why despite such resistance Rashi's interpretation of the Torah became an exegetical classic a staple in the curriculum a source of shared religious vocabulary for Jews across time and place and a foundational text that shaped the Jewish nation's collective identity The book takes as its larger integrating perspective processes of canonicity as they shape how traditions flourish disintegrate or evolve Rashi's scriptural magnum opus the foremost work of Franco German Ashkenazic biblical scholarship faced stiff competition for canonical supremacy in the form of rationalist reconfigurations of Judaism as they developed in Mediterranean seats of learning It nevertheless emerged triumphant in an intense battle for Judaism's future that unfolded in late medieval and early modern times Investigation of the reception of the Commentary throws light on issues in Jewish scholarship and spirituality that continue to stir reflection and even passionate debate in the Jewish world today

The Land Is Mine Andrew D. Berns, 2022-04-12 After their expulsion from Spain in 1492 Sephardi Jews such as Isaac Abravanel Abraham Saba and Isaac Arama wrote biblical commentaries that stressed the significance of land They interpreted Judaism as a tradition whose best expression and ultimate fulfillment took place away from cities and

in rural settings Iberian Jewish authors rooted their moral teachings in an ethical treatment of the natural world elucidating ancient agricultural laws and scrutinizing the physical context and built environments of Bible stories The Land Is Mine asks what inspired this and suggests that the answer lies not in timeless exegetical or theological trends but in the material realities of late medieval and early modern Iberia during a period of drastic changes in land use The book uses a highly traditional source base in a decidedly untraditional way In Jewish Studies Andrew D Berns observes biblical commentary is typically studied as an intramural activity Though scholars have conceded that Jewish scriptural exegesis welcomes material and ideas from other fields and traditions little to no work treats premodern Hebrew Bible commentary as also drawing upon Classical and Christian sources as well as contemporary writings on land management and political economy Abravanel Saba and Arama were engaged with questions that had broad resonance during their lives the proper way to treat the land the best occupations to pursue and the ideal setting for human community Scriptural commentary was the forum in which they addressed these problems and posed solutions to them A work of intellectual history The Land Is Mine demonstrates that it is impossible to understand Jewish culture without considering the physical realities on which it depended **Hebraic**

Aspects of the Renaissance Ilana Zinguer, Abraham Melamed, Zur Shalev, 2011-08-25 This collection of essays offers a fresh look into Christian Jewish cultural interactions during the Renaissance and beyond Christian scholars it is shown were deeply immersed in a variety of Hebrew sources while their Jewish counterparts imbibed the culture of Humanism Amsterdam's People of the Book Benjamin E. Fisher, 2020-03-30 The Spanish and Portuguese Jews of seventeenth century Amsterdam cultivated a remarkable culture centered on the Bible School children studied the Bible systematically while rabbinic literature was pushed to levels reached by few students adults met in confraternities to study Scripture and families listened to Scripture based sermons in synagogue and to help pass the long cold winter nights of northwest Europe The community's rabbis produced creative and often unprecedented scholarship on the Jewish Bible as well as the New Testament Amsterdam's People of the Book shows that this unique Bible centered culture resulted from the confluence of the Jewish community's Catholic and converso past with the Protestant world in which they came to live Studying Amsterdam's Jews offers an early window into the prioritization of the Bible over rabbinic literature a trend that continues through modernity in western Europe It allows us to see how Amsterdam's rabbis experimented with new historical methods for understanding the Bible and how they grappled with doubts about the authority and truth of the Bible that were growing in the world around them Amsterdam's People of the Book allows us to appreciate how Benedict Spinoza's ideas were in fact shaped by the approaches to reading the Bible in the community where he was born raised and educated After all as Spinoza himself remarked before becoming Amsterdam's most famous heretic and one of Europe's leading philosophers and biblical critics he was steeped in the common beliefs about the Bible from childhood on **Targums and Rabbinic Literature** Zondervan, 2024-09-10

Jews and Blacks in the Early Modern World Jonathan Schorsch, 2004-04-12 This book offers the first in depth treatment of Jewish images of and behavior toward Blacks during the period of peak Jewish involvement in Atlantic slave holding

Exegesis and Poetry in Medieval Karaite and Rabbanite Texts Joachim Yeshaya, Elisabeth Hollender, 2016-09-27 This collection of essays offers an inquiry into the complex interaction between exegesis and poetry that characterized medieval and early modern Karaite and Rabbanite treatment of the Bible in the Islamic world the Byzantine Empire and Christian Europe Discussing a variety of topics that are usually associated with either exegesis or poetry in conjunction with the two fields the authors analyze a wide array of interactions between biblical sources and their interpretive layers whether in prose exegesis or in multiple forms of poetry and rhymed prose Of particular relevance are mechanisms for the production and transmission of exegetical traditions including the participation of Jewish poets in these processes an issue that serves as a leitmotif throughout this collection

Jews in the Early Modern World Dean Phillip Bell, 2008 Jews in the Early Modern World argues that the years between 1400 and 1700 represented a discrete cohesive and important period in Jewish history Given the significant demographic shifts that began just before and ended just after this period remarkable changes occurred in the history and experiences of Jews around the world This volume begins with a broad context of Jewish experiences under medieval Christianity and Islam It then turns to the early modern period first providing an overview of Jewish demography and settlement Next the nature and structure of Jewish community and social structures in the early modern period are explored In the final two chapters this book presents a broad overview of Jewish religious and cultural life and Jewish relations with non Jews throughout the early modern period Publisher

The Classic Jewish Philosophers Eliezer Schweid, 2008 This book provides a standard reference of the major medieval Jewish

philosophers as well as an eminently readable narrative of the course of medieval Jewish philosophical thought presented as a response to the spiritual intellectual challenges facing Judaism in that period Medieval Jewish Philosophy and Its Literary Forms Aaron W. Hughes, James T. Robinson, 2019-07-11 This well written accessible essay collection demonstrates a maturation in Jewish studies and medieval philosophy Choice Too often the study of philosophical texts is carried out in ways that do not pay significant attention to how the ideas contained within them are presented articulated and developed This was not always the case The contributors to this collected work consider Jewish philosophy in the medieval period when new genres and forms of written expression were flourishing in the wake of renewed interest in ancient philosophy Many medieval Jewish philosophers were highly accomplished poets for example and made conscious efforts to write in a poetic style This volume turns attention to the connections that medieval Jewish thinkers made between the literary the exegetical the philosophical and the mystical to shed light on the creativity and diversity of medieval thought As they broaden the scope of what counts as medieval Jewish philosophy the essays collected here consider questions about how an argument is formed how text is put into the service of philosophy and the social and intellectual environment in which philosophical texts were produced **The Time, Place, and Purpose of the Deuteronomistic History** Jeffrey C. Geoghegan, 2006 Be'erot Yitzhak Jay Michael Harris, 2005 Professor Isadore Twersky was one of the giants of the field of Jewish Studies Among his many accomplishments was the supervision of over thirty five dissertations in Jewish Studies ranging chronologically from the tenth century to the twentieth and geographically from the Middle East to the Mediterranean world and on to northern Europe east and west In this memorial volume many of his students pay homage to their late teacher in the only way he would have appreciated they have produced a collection of essays that show his and their remarkable range of interests and talents The result is an important collection of original scholarship on a wide range of topics in Jewish Studies
