Francesco Belcastro

Islam In The Balance Ideational Threats In Arab Politics:

Islam in the Balance Lawrence Rubin, 2014-06-04 *Islam in the Balance Ideational Threats in Arab Politics* is an analysis of how ideas or political ideology can threaten states and how states react to ideational threats. It examines the threat perception and policies of two Arab Muslim majority states, Egypt and Saudi Arabia, in response to the rise and activities of two revolutionary Islamic states established in Iran 1979 and Sudan 1989. Using these comparative case studies, the book provides important insight about the role of religious ideology for the international and domestic politics of the Middle East and in doing so advances our understanding of how why and when ideology affects threat perception and state policy. Rubin makes clear that transnational ideologies may present a greater and more immediate national security threat than shifts in the military balance of power, first because ideology or ideational power triggers threat perception and affects state policy, second because states engage in ideational balancing in response to an ideological threat. The book has significant implications for international relations theory and engages important debates in comparative politics about authoritarianism and Islamic activism. Its findings about how an Islamist regime or state behaves will provide vital insight for policy creation by the US and its Middle East allies should another such regime or state emerge.

Threats and Alliances in the Middle East May Darwich, 2019-09-26 Examines Saudi and Syrian policies during three pivotal wars to understand how identity and power influence state behaviour in the Middle East. Routledge Handbook on Middle East Security Anders

Jägerskog, Michael Schulz, Ashok Swain, 2019-02-11 *Routledge Handbook on Middle East Security* provides the first comprehensive look at Middle East security issues that includes both traditional and emerging security threats. Taking a broad perspective on security, the volume offers both analysis grounded in the hard military and state security discourse but also delves into the soft aspects of security employing a human security perspective. As such, the volume addresses imminent challenges to security such as the ones relating directly to the war in Syria but also the long term challenges. The traditional security problems which are deep seated are at risk of being exacerbated also by a lack of focus on emerging vulnerabilities in the region. While taking as a point of departure the prevalent security discourse, the volume also goes beyond the traditional focus on military or state security and considers non traditional security challenges. This book provides a state of the art review of research on the key challenges for security in the Middle East; it will be a key resource for students and scholars interested in Security Studies, International Relations, Political Science and Middle Eastern Studies.

Sectarianism and Civil War in Syria Raymond Hinnebusch, Morten Valbjørn, 2025-04-14 As an epicentre of sectarian conflict before and after the Arab uprising, Syria provides an excellent laboratory for the study of sectarianization. This book compares variance in Syria's sectarianism over time and across place to expose its causes and its varying impact on Syria's society and polity. The book begins with an introductory chapter examining key approaches to and debates over sectarianism in Syria from which a framework of analysis is derived. Subsequent empirical chapters are divided into two sections. Several

chapters examine key aspects of sectarianism at the national level looking at the interaction of sectarianism and state formation over the long term the internal evolution of sectarianization during the uprising the impact of the regional power struggle on Syria's sectarianization and whether sectarianism was institutionalized by civil war governance in both regime and opposition controlled areas A second set of chapters looks at sectarianism in Syria's different cities regions and communities notably in Damascus Homs Hama Aleppo Idlib the Alawi coast and the Druze and Christian communities The concluding chapter makes use of the analytical framework to systematically compare the evidence from the empirical cases in order to identify regularities Providing nuanced insights into the Syrian case whilst informing broader theoretical discussions of sectarianism this book will appeal to students researchers and general readers interested in Middle Eastern politics and political science generally

The Arab Gulf States and the West Dania Koleilat Khatib, Marwa Maziad, 2018-10-30 This book examines the changing image of the Arab Gulf States in the West It addresses the question of perception in international relations and how the Arab States of the Gulf have pursued various endeavors to project themselves into Western imagination The book chapters generate ideas on how perceptions came about and ways to improve cultural and political realities on the ground in the Arab Gulf States Thus it paves the way for a new area of research in the field of Gulf Studies that extends beyond traditional international relations frameworks by weaving elements of intercultural communication into the mix Recognizing yet extending beyond a traditionally realist framework which has dominated the analysis of Arab Gulf States foreign relations with western countries this book tackles both the materialist and the symbolic in the efforts and initiatives launched by the Arab Gulf States Some chapters maintain a social scientific approach about the politics of the Arab Gulf States in the West from an international relations lens Others employ theoretical frameworks that were founded on the notion of the encounter with anthropological lenses and concepts of intercultural communication In addition to the value of this academic research agenda as such some of the chapters also touch upon the added importance of policy oriented input As the Arab Gulf States actively engage with the West the book would widely appeal to students and researchers of Gulf politics and international relations

Routledge Handbook of International Relations in the Middle East Shahram Akbarzadeh, 2019-03-26 This handbook examines the regional and international dynamics of the Middle East It challenges the state society dichotomy to make sense of decision making and behavior by ruling regimes The 33 chapter authors include the world's leading scholars of the Middle East and International Relations IR in order to make sense of the region This synthesis of area studies expertise and IR theory provides a unique and rigorous account of the region's current dynamics which have reached a crisis point since the beginning of the Arab Spring The Middle East has been characterized by volatility for more than a century Although the region attracts significant scholarly interest IR theory has rarely been used as a tool to understand events The constructivist approach in IR highlights the significance of state identity shaped by history and culture in making sense of international relations The authors of this volume consider how IR

theory can elucidate the patterns and principles that shape the region in order to provide a rigorous account of the contemporary challenges of the Middle East The Routledge Handbook of International Relations in the Middle East provides comprehensive coverage of International Relations issues in the region Thus it offers key resources for researchers and students interested in International Relations and the Middle East

Confronting the Caliphate Isak Svensson, Daniel Finnbogason, Dino Krause, Luís Martínez Lorenzo, Nanar Hawach, 2022 Draws from a novel survey on civil resistance against the IS in Mosul after the IS lost control of the city Utilizes contemporary Arab language social media blogs and news websites in order to document protests against jihadists in Syria Includes interviews with activists and civilian in Syria and Lebanon who have lived under rule of jihadist groups

Foreign Policy of the Islamic Republic of Iran Przemyslaw Osiewicz, 2020-11-29 Providing a well balanced and impartial perspective on the foreign policy of the Islamic Republic of Iran this book contributes to a better understanding of the current foreign policy of Iran especially its internal and external determinants Combining theoretical and practical aspects it provides readers with a short analysis of Iranian foreign policy The first part is dedicated to the Pahlavi era between 1925 1979 The second consists of three chapters covering issues relating to ideological and institutional aspects of Iranian foreign policy after 1979 The last part incorporates eight case studies which best present both regional and global dimensions This comprehensive study contains a synthesis of views and opinions of commentators and scholars who often represent contradictory perspectives Serving as a key reference and starting point for further studies this book will be of interest to students and researchers studying Iranian foreign policy international relations and Middle Eastern studies

Beyond Sunni and Shia Frederic Wehrey, 2018-02-01 Surveys the landscape of modern sectarianism within Islam in North Africa and the Middle East

Syrian Foreign Policy Francesco Belcastro, 2019-04-24 Examining Syrian foreign policy during the Ba th years from 1963 to 1989 this book traces the alliances of the Levantine country from a historical perspective and in the context of recent political developments Syrian Foreign Policy analyses the pivotal alliances of Damascus using a theoretical framework based on neoclassical realism an approach which incorporates domestic factors such as the role of ideology within a realist perspective Covering Syria s relations with Egypt Iraq Jordan Saudi Arabia Iran and the Soviet Union it asks the question what led to the formation of each alliance and what has caused either its break up or its continuation Belcastro seeks to answer this questions but also reflects on the country s foreign policy today and its broader implications for Syria and the whole region Making use of case studies to build upon a strong theoretical analysis this book will be useful to students and scholars of Middle Eastern politics as well as politics and International Relations more generally

Iran and the Security Order in the Persian Gulf Javad Heiran-Nia, 2024-07-23 This book examines the security arrangements of the Persian Gulf with a particular focus on Iran s security plans since the beginning of the Islamic Revolution and follows it during Hassan Rouhani presidency The book provides responses to the questions regarding the security plans of the Islamic Republic of Iran vis a vis the Persian Gulf and

why the plans of the Rouhani government in this regard have not been welcomed by the countries of the region. It also analyses the security approach to establish comprehensive and lasting security in this region. Highlighting the importance of Iran's plans during Rouhani's presidency, the author indicates that it provides a codified and clear solution for achieving security in the region from the viewpoint of Iran. These plans have come closer to the logic of realism and have moved away from the idealism of the past plans. Seeking to create a balance against other actors in the region, Iran's plans are not welcomed by the region's countries because it seeks to bring other actors such as Russia and China to the Persian Gulf in order to balance against the United States. The book designs a security model for sustainable security in the Persian Gulf and how to achieve a model for regional dialogue. Comparing the transition to realistic logic in relation to other Iranian plans regarding the Persian Gulf, this book offers an innovative analysis of Iran's plans for the security of the Persian Gulf. It will be of interest to researchers in political science, International Relations, political geography, regional studies, security studies, and Middle East Studies.

Shari'a, Inshallah Mark Fathi Massoud, 2021-05-27 Shari'a Inshallah shows how people have used shari'a to struggle for peace, justice, and human rights in Somalia and Somaliland.

Syria in Ruins David S. Sorenson, 2016-09-19 Syria is home to one of the most brutal and protracted civil wars in history, posing a threat to global stability and enabling the expansion of the Islamic State, sometimes called ISIS. This in-depth analysis reveals the beginning, present state, and future of this conflict. The current crises involving ISIS have attracted worldwide attention to the complex politics and cultural panorama of the Middle East, including Syria. Political analyst and author David S. Sorenson discusses the ongoing civil war in Syria from its origins to its key players and to its propagation into neighboring countries. In the process, the work delves into Syria's demographics, history, economy, and security to illustrate the civil war's impact on the Middle East and the world. This in-depth analysis covers the Assad regime, ISIS's role in the region, possible outcomes of the conflict, and security implications for the country. Starting with a history of Syria, the work identifies the factors that have contributed to the onset and continuation of the civil war, moves on to an analysis of the outbreak and growth of the war, and points out key factors that fueled its intensity. A look at the Islamic State considers the internationalization of the Syrian civil war, explaining how the addition of many parties outside of Syria have made the war more violent and protracted. The book concludes by considering alternative endings for the conflict and addressing the role of world powers in the conflict and its outcome.

The Struggle for Supremacy in the Middle East Simon Mabon, 2023-03-16 Outlines the impact of the rivalry between Saudi Arabia and Iran across the Middle East, challenging assumptions about proxy wars and sectarianism.

New Perspectives on Middle East Politics Robert Mason, 2021-05-25 An ideal primer on contemporary Middle East Politics, covering the entire MENA region from an interdisciplinary perspective. Islam In The Balance Ideational Threats In Arab Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Islam In The Balance Ideational Threats In Arab Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Islam In The Balance Ideational Threats In Arab Politics has opened up a world of possibilities. Downloading Islam In The Balance Ideational Threats In Arab Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Islam In The Balance Ideational Threats In Arab Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Islam In The Balance Ideational Threats In Arab Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Islam In The Balance Ideational Threats In Arab Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Islam In The Balance Ideational Threats In Arab Politics, users

should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Islam In The Balance Ideational Threats In Arab Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Islam In The Balance Ideational Threats In Arab Politics Books

What is a Islam In The Balance Ideational Threats In Arab Politics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Islam In The Balance Ideational Threats In Arab Politics PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Islam In The Balance Ideational Threats In Arab Politics PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Islam In The Balance Ideational Threats In Arab Politics PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Islam In The Balance Ideational Threats In Arab Politics PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression

reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
