Inside Salafi-Jihadist Governance Marta Furlan,2025-09-23 In the years following the Arab Spring a number of Islamist insurgent groups conquered swaths of territory across the Middle East and North Africa and began governing civilian populations These groups have been faced with the complexities of administering justice collecting taxes and providing public services such as health care and education How do Salafi jihadist armed groups which typically claim to be committed to ideological purity approach administration and what does this reveal about rule by insurgent forces This book is a groundbreaking comparative exploration of Salafi jihadist governance drawing on in depth case studies of the Islamic State in western Iraq and eastern Syria Hayat Tahrir al Sham in northwestern Syria and al Qaeda in the Arabian Peninsula in southern Yemen Marta Furlan examines rebels experiments in ruling considering issues such as the treatment of non Muslims the extent of civilian participation the use of coercive measures and the scope of social and political change She assesses whether there is a single model of Salafi jihadist governance the degree to which ideology and doctrine inform the

behavior of rebel rulers and the similarities and differences between Salafi jihadists and other armed nonstate groups Offering a window into the inner workings of government and civilian life under Islamist power Inside Salafi Jihadist Governance sheds new light on rule by nonstate groups more broadly *Digital Religion* Heidi A. Campbell, Ruth Tsuria, 2021-09-30 This book offers a critical and systematic survey of the study of religion and digital media It covers religious engagement with a wide range of digital media forms and highlights examples of new media engagement in all five of the major world religions From mobile apps and video games to virtual reality and social media the book provides a detailed review of major topics including ritual identity community authority and embodiment includes a series of engaging case studies to illustrate and elucidate the thematic explorations considers the theoretical ethical and theological issues raised This unique volume draws together the work of experts from key disciplinary perspectives and is the go to volume for students and scholars wanting to develop a deeper understanding of the subject area Thoroughly updated throughout with new case studies and in depth analysis of recent scholarship and developments this new edition provides a comprehensive overview of this fast paced constantly developing and fascinating field **Special Interest Tourism** Sheela Agarwal, Graham Busby, Rong Huang, 2018-01-24 Special interest tourism is growing rapidly due to a discerning and heterogeneous travel market and the demand for more focused activity or interest based tourism experiences This book approaches the topic from the perspective of both supply and demand and addresses the complexities now inherent in this area of tourism It presents a contextualised overview of contemporary academic research concepts principles and industry based practice insights and also considers the future of special interest tourism in light of the emergence of ethical consumerism Sometimes referred to as niche or contemporary tourism this book provides a complete introduction to the study of special interest tourism for students **Comparative Law and Anthropology** James A.R. Nafziger, 2017-12-29 The topical chapters in this cutting edge collection at the intersection of comparative law and anthropology explore the mutually enriching insights and outlooks of the two fields Comparative Law and Anthropology adopts a foundational approach to social and cultural issues and their resolution rather than relying on unified paradigms of research or unified objects of study Taken together the contributions extend long developing trends from legal anthropology to an anthropology of law and from externally imposed to internally generated interpretations of norms and processes of legal significance within particular cultures The book's expansive conceptualization of comparative law encompasses not only its traditional geographical orientation but also historical and jurisprudential dimensions It is also noteworthy in blending the expertise of long established acclaimed scholars with new voices from a range of disciplines and backgrounds New Approaches to Islam in Film Kristian Petersen, 2021-04-26 Many global film industries fail in expanding the role of Muslims on screen Too often they produce a dichotomy between good and bad Muslims limiting the narrative domain to issues of national security war and terrorism Naturally much of the previous scholarship on Muslims in film focused on stereotypes and the politics of

representation This collection of essays from an international panel of contributors significantly expands the boundaries of discussion around Muslims in film asking new questions of the archive and magnifying analyses of particular cultural productions The volume includes the exploration of regional cinemas detailed analysis of auteurs and individual films comparison across global cinema and new explorations that have not yet entered the conversation The interdisciplinary collection provides an examination of the multiple roles Islam plays in film and the various ways Muslims are depicted Across the chapters key intersecting themes arise that push the limits of how we currently approach issues of Muslims in cinema and ventures to lead us in new directions for future scholarship This book adds new depth to the matrix of previous scholarship by revisiting methodological structures and sources as well as exploring new visual geographies transnational circuits and approaches It reframes the presiding scholarly conventions in five novel trajectories considering new sources exploring new communities probing new perspectives charting new theoretical directions and offering new ways of understanding conflict in cinema As such it will be of great use to scholars working in Islamic Studies Film Studies Religious Studies and Media
