Youth Street Gangs David C. Brotherton, 2025-05-16 Gangs have been heavily pathologized in the last several decades In comparison to the pioneering Chicago School's work on gangs in the 1920s we have moved away from a humanistic appraisal of and sensitivity toward the phenomenon and have allowed the gang to become a highly plastic folk devil outside of history This pathologization of the gang has particularly negative consequences for democracy in an age of punishment cruelty and coercive social control This is the central thesis of David Brotherton's celebrated book on street gangs Drawing on a wealth of highly acclaimed original research Brotherton explores the socially layered practices of street gangs including community movements cultural projects and sites of social resistance The book also critically reviews gang theory and the geographical trajectories of streets gangs from New York and Puerto Rico to Europe the Caribbean and South America as well as state sponsored reactions and the enabling role of orthodox criminology In opposition to the dominant gang discourses Brotherton proposes the development of a critical studies approach to gangs and concludes by making a plea for researchers to engage the gang reflexively paying attention to the contradictory agency of the gang and what gang members actually tell us This new edition has been revised and fully updated containing three new chapters offering alternative approaches to interventions in gang violence and to gang desistance drawing on detailed interviews with Antonio Fernandez King Tone former head of the Latin Kings The book is essential reading for academics and students involved in the study of juvenile delinquency youth studies deviance gang studies and cultural criminology

Cultures of Unemployment Godfried Engbersen, Kees Schuyt, Jaap Timmer, Frans van Waarden, 2006 An extraordinarily rich and detailed study of the social and economic life of unemployed and poor households Michael Sherraden in Social Work

The Making of Urban America Raymond A. Mohl, Roger Biles, 2023-10-03 The revised and updated third edition of *The Making of Urban America* includes seven new articles and a richly detailed historiographical essay that discusses the vast urban history literature added to the canon since the publication of the second edition The

authors extensively revised introductions and the fifteen reprinted articles trace urban development from the preindustrial city to the twentieth century city With emphasis on the social economic political commercial and cultural aspects of urban history these essays illustrate the growth and change that created modern day urban life Dynamic topics such as technology immigration and ethnicity suburbanization sunbelt cities urban political history and planning and housing are examined The Making of Urban America is the only reader available that covers all of U S urban history and that also includes the most recent interpretive scholarship on the subject

Gang Politics Kristian Williams, 2022-06-28 In three taut essays Kristian Williams examines our society's understanding of social and political violence what gets romanticized misunderstood or muddled He explores the complex intersections between gangs of all sorts cops and criminals Proud Boys and antifa Panthers and skinheads arguing that government and criminality are intimately related often sharing critical features As society becomes more polarized and the conviction that things are only going to get worse and more violent grows William's analysis is a crucial corrective to our simple unquestioned ideas about the role violence might or should play in our social struggles

The Culture and Politics of Contemporary Street Gang Memoirs Josephine Metcalf, 2012-07-02 The publication of Sanyika Shakur's *Monster: The Autobiography of an L A Gang Member* in 1993 generated a huge amount of excitement in literary circles New York Times book critic Michiko Kakutani deemed it a shocking and galvanic book and set off a new publishing trend of gang memoirs in the 1990s The memoirs showcased tales of violent confrontation and territorial belonging but also offered many of the first journalistic and autobiographical accounts of the much mythologized gang subculture In *The Culture and Politics of Contemporary Street Gang Memoirs* Josephine Metcalf focuses on three of these memoirs Shakur's *Monster* Luis J Rodriguez's *Always Running: La Vida Loca* Gang Days in L A and Stanley Tookie Williams's *Blue Rage Black Redemption* as key representatives of the gang autobiography Metcalf examines the conflict among violence thrilling sensationalism and the authorial desire to instruct and warn competing within these works The narrative arcs of the memoirs themselves rest on the process of conversion from brutal young gang bangers to nonviolent enlightened citizens Metcalf analyzes the emergence production marketing and reception of gang memoirs Through interviews with Rodriguez Shakur and Barbara Cottman Becnel Williams's editor Metcalf reveals both the writing and publishing processes This book analyzes key narrative conventions specifically how diction dialogue and narrative arcs shape the works The book also explores how these memoirs are consumed This interdisciplinary study fusing literary criticism sociology ethnography reader response study and editorial theory brings scholarly attention to a popular much discussed but understudied modern expression
