## **Israel's Lightning Strike The Raid On Entebbe 1976:**

**Israel's Lightning Strike** Simon Dunstan,2012-02-20 The Israeli Special Forces operation at Entebbe goes down in history as one of the most audacious counter terrorist assaults ever conducted On 27 June 1976 four terrorists two of the Popular Front for the Liberation of Palestine and two of the German Baader Meinhof terrorist group hijacked a passenger jet and forced a landing in Entebbe Uganda Here they were met by reinforcements and although releasing a few hostages transferred all the Jewish and Israeli prisoners to the terminal building As Idi Amin s assistance to the terrorists became increasingly clear the Israeli government began preparations for a military assault The element of surprise was crucial never before had such a large scale raid at such a long distance been successfully undertaken This is the incredible story of how the Israeli Special Forces defied radar for over 2 000 miles masqueraded as a tyrant in a Mercedes and captured uniforms and defeated an army in brutal combat in a triumph of sheer audacity and nerve A compelling book chronicling an incredible moment in history

*Israel's Lightning Strike* Simon Dunstan,2012-02-20 The Israeli Special Forces operation at Entebbe goes down in history as one of the most audacious counter terrorist assaults ever conducted On 27 June 1976 four terrorists two of the Popular Front for the Liberation of Palestine and two of the German Baader Meinhof terrorist group hijacked a passenger jet and forced a landing in Entebbe Uganda Here they were met by reinforcements and although releasing a few hostages transferred all the Jewish and Israeli prisoners to the terminal building As Idi Amin s assistance to the terrorists became increasingly clear the Israeli government began preparations for a military assault The element of surprise was crucial never before had such a large scale raid at such a long distance been successfully undertaken This is the incredible story of how the Israeli Special Forces defied radar for over 2 000 miles masqueraded as a tyrant in a Mercedes and captured uniforms and defeated an army in brutal combat in a triumph of sheer audacity and nerve A compelling book chronicling an incredible moment in history

**Avenging Angel** Ron Field,2012-11-20 The Harpers Ferry raid confirmed for many Southerners the existence of a widespread Northern plot against slavery In fact Brown had raised funds for his raid from Northern abolitionists To arm the slaves he ordered one thousand pikes from a Connecticut manufacturer Letters to Governor Wise betrayed the mixed feelings people held for Brown For some he was simply insane and should not be hanged For others he was a martyr to the cause of abolition and his quick trial and execution reflected the fear and arrogance of the Virginia slave owning aristocracy Many Northerners condemned Brown s actions but thought him right in his conviction that slavery had to end John Brown s raid on Harpers Ferry and his subsequent execution further polarized North and South and made a solution of the slavery issue central to the national debate which ultimately led to Civil War in 1861

**The Great Locomotive Chase** Gordon L. Rottman,2012-09-20 In April 1862 the stage was set for one of the greatest locomotive chases in history Union forces planned to steal a train and travel at high speed to Chattanooga Tennessee disabling the line as they went in order to cut off vital rail supplies to the Confederate stronghold of Atlanta Georgia some 100 plus miles to the

southwest What they hadn't banked on was the dogged determination of one man train conductor William Fuller who after realizing his train had been stolen began a frantic pursuit first by handcar then by top speed locomotive dealing with derailments by running miles on foot to the next station and single handedly removing drag ties from the track in front of his train The raiders were so hotly pursued that they had no time to inflict serious damage on the tracks and could not stop to gather more fuel Just north of Ringgold some miles south of Chattanooga The General ran out of wood and the raiders scattered into the forested Appalachian Mountains All were captured within days and sentenced to death Discover the history of one of the most colourful and dramatic episodes of the Civil War **Tombstone** Sean McLachlan,2013-06-20 The Gunfight at the OK Corral on 26 October 1881 is one of the most enduring stories of the Old West It led to a series of violent incidents that culminated in the Vendetta Ride in which Wyatt Earp Doc Holliday and several other gunslingers went after their rivals the Cowboys Like most tales of the Wild West the facts are buried under layers of myth and the line between good guys and bad guys is blurry Wyatt Earp leader of the so called good guys was charged with stealing horses in the Indian Territory in 1870 and jumped bail Becoming a buffalo hunter and gambler he got into several scrapes and earned a reputation as a gunfighter Several times he helped lawmen arrest outlaws but usually his assistance came more because of a personal grudge against the criminal than any real respect for law and order He even got fired from a police job in Wichita for beating up a political rival **Oldest Allies** René Chartrand,2012-09-20 Although somewhat overshadowed by Wellington's main campaign in the north the Alcantara raid was an outstanding success The primary objective of alarming and distracting the French forces in Spain was achieved Furthermore the raiders also succeeded in preventing a French incursion into Portugal and tied down one of Napoleon's best marshals There were further raids to come but the 1809 Alcantara raid delivered a strong permanent message that the Anglo Portuguese were willing and able to strike back against the French and that they would support their Spanish allies as much as they were able **The Fall of Eben Emael** Chris McNab,2013-02-20 In early May 1940 the fortress of Eben Emael was a potent sentinel over the Belgian Dutch borderlands The fortress covered 75 hectares on the surface had 5km of tunnels underground and was studded with bunkers gun turrets and casemates Add a garrison of 1200 men and the natural protection of 60m high canal walls and Eben Emael gave the impression of near impregnability Yet on 10 May just 78 elite airborne soldiers managed to defeat this fortress in an operation of unprecedented tactical skill Deployed by glider onto the very top of the fortifications they utilized elite training fast movement and specialist explosives to destroy many of the gun positions and trap much of the garrison within the fortress Simultaneously three other assault detachments conducted high risk glider operations to capture critical bridges over the Albert Canal By the end of 11 May following the arrival of German infantry reinforcements Eben Emael was in German hands This Eben Emael RAID title tells the complete fascinating story of this unique action **Blackbeard's Last Fight** Angus Konstam,2013-06-20 In April 1713 the War of the Spanish Succession came to an end During the conflict hundreds of privateers licenced pirates preyed on

enemy shipping throughout the Caribbean These privateers now found themselves out of a job and many turned to piracy One of them was Edward Teach more popularly known as Blackbeard He joined the pirates in New Providence now Nassau in the Bahamas and by early 1717 he had become a pirate captain From then on he caused havoc off the North American seaboard in the West Indies and off Honduras before appearing off Charleston South Carolina in May 1718 He blockaded this major port for a week an act that made Blackbeard the most notorious pirate of his day *Kill Hitler* Neil Short,2013-05-20 Although far from a typical raid the 20 July Plot Operation Valkyrie was still a daring and audacious attack undertaken by a small very brave group of individuals determined to kill Hitler Hitler was badly shaken by the blast and despite the fact that numerous other attempts had been made on the Führer's life since he came to power the July 20 Plot has achieved an almost mythic status Numerous books both factual and fictional have been written on the subject There have been several TV dramatisations and reconstructions including a MythBusters production which considered whether or not the attempt would have been successful if the bomb had been planted in Hitler's bunker German resistance to Hitler has also been depicted on film most notably by James Mason in *The Desert Fox* and more recently by Tom Cruise in *Valkyrie* an accurate and acclaimed version of the July 20 Plot **Pegasus Bridge** Will Fowler,2013-09-20 The night before D Day light infantry and a detachment of Royal Engineers landed by gliders at Pegasus Bridge which spanned the Caen Canal Quickly overwhelming the guards they managed to hold the bridge and help prevent German reinforcements from reaching the British landing beaches Will Fowler provides a detailed blow by blow account of this classic wartime raid **A High Price** Daniel Byman,2011-06-15 In the sixty plus years of the Jewish state's existence Israeli governments have exhausted almost every option in defending their country against terror attacks Israel has survived and even thrived but both its citizens and its Arab neighbors have paid dearly In *A High Price* Daniel Byman breaks down the dual myths of Israeli omnipotence and conversely ineptitude in fighting terror offering instead a nuanced definitive historical account of the state's bold but often failed efforts to fight terrorist groups The product of painstaking research and countless interviews the book chronicles different periods of Israeli counterterrorism Beginning with the violent border disputes that emerged after Israel's founding in 1948 Byman charts the rise of Yasir Arafat's Fatah and leftist groups such as the Popular Front for the Liberation of Palestine organizations that ushered in the era of international terrorism epitomized by the 1972 hostage taking at the Munich Olympics Byman follows how Israel fought these groups and new ones such as Hamas in the decades that follow with particular attention to the grinding and painful struggle during the second intifada Israel's debacles in Lebanon against groups like the Lebanese Hizballah are also examined in depth as is the country's problematic response to Jewish terrorist groups that have struck at Arabs and Israelis seeking peace In surveying Israel's response to terror the author points to the coups of shadowy Israeli intelligence services the much emulated use of defensive measures such as sky marshals on airplanes and the role of controversial techniques such as targeted killings and the security barrier that separates Israel from

Palestinian areas Equally instructive are the shortcomings that have undermined Israel's counterterrorism goals including a disregard for long term planning and a failure to recognize the long term political repercussions of counterterrorism tactics Israel is often a laboratory new terrorist techniques are often used against it first and Israel in turn develops innovative countermeasures that other states copy A High Price expertly explains how Israel's successes and failures can serve to inform all countries fighting terrorism today

**Publications Combined: Russia's Regular And Special Forces In The Regional And Global War On Terror** , Over 2 400 total pages Russian outrage following the September 2004 hostage disaster at North Ossetia's Beslan Middle School No 1 was reflected in many ways throughout the country The 52 hour debacle resulted in the death of some 344 civilians including more than 170 children in addition to unprecedented losses of elite Russian security forces and the dispatch of most Chechen allied hostage takers themselves It quickly became clear as well that Russian authorities had been less than candid about the number of hostages held and the extent to which they were prepared to deal with the situation Amid grief calls for retaliation and demands for reform one of the more telling reactions in terms of hardening public perspectives appeared in a national poll taken several days after the event Some 54% of citizens polled specifically judged the Russian security forces and the police to be corrupt and thus complicit in the failure to deal adequately with terrorism while 44% thought that no lessons for the future would be learned from the tragedy This pessimism was the consequence not just of the Beslan terrorism but the accumulation of years of often spectacular failures by Russian special operations forces SOF in the apt US military acronym A series of Russian SOF counterterrorism mishaps misjudgments and failures in the 1990s and continuing to the present have made the Kremlin's special operations establishment in 2005 appear much like Russia's old Mir space station wired together unpredictable and subject to sudden startling failures But Russia continued to maintain and expand a large variegated special operations establishment which had borne the brunt of combat actions in Afghanistan Chechnya and other trouble spots and was expected to serve as the nation's principal shield against terrorism in all its forms Known since Soviet days for tough personnel personal bravery demanding training and a certain rough or brutal competence that not infrequently violated international human rights norms it was supposed that Russian special operations forces steeped in their world of threats to the state and associated with once dreaded military and national intelligence services could make valuable contributions to countering terrorism The now widely perceived link between corrupt special forces on the one hand and counterterrorism failures on the other reflected the further erosion of Russia's national security infrastructure in the eyes of both Russian citizens and international observers There have been other more ambiguous but equally unsettling dimensions of Russian SOF activity as well that have strong internal and external political aspects These constitute the continuing assertions from Russian media the judicial system and other Federal agencies and officials that past and current members of the SOF establishment have organized to pursue interests other than those publicly declared by the state or allowed under law This includes especially the alleged intent to

punish by assassination those individuals and groups that they believe have betrayed Russia The murky nature of these alleged activities has formed a backdrop to other problems in the special units

**Understanding the Volatile and Dangerous Middle East** Steven Carol, 2019-09-26 The Middle East can be bewildering which is why we need to connect the dots that pull together the political economic diplomatic military cultural and religious pieces of the puzzle Professor Steven Carol slashes through the confusion with a topical approach focusing on key issues such as the geographic features of the Middle East demographics of the region the influence of Islam political processes shifting alliances war in the region and the need for security He also takes a careful look at perpetual negotiations attempts to secure peace and the role that the media play in how we view the region His goal to clarify the confusing nature of Middle East affairs and to combat the mistaken beliefs misrepresentations and outright fabrications about the region In a bid to reclaim the truth he shares basic principles relying on factual supporting evidence to prove their validity Seventy eight maps and numerous tables make understanding complex topics easier Whether you re a student educator bureaucrat or politician you ll find insights based on facts in *Understanding the Volatile and Dangerous Middle East*

**The Last Ride of the James-Younger Gang** Sean McLachlan, 2012-10-20 It was the beginning of the end for the James gang In the past ten years Frank and Jesse James had gone from unknown ex Confederate guerrillas to the most famous outlaws in the world A string of daring robberies of banks trains and stagecoaches had brought them fame admiration hatred and a surprisingly small amount of wealth In 1876 they planned their most daring raid yet to ride hundreds of miles from their home state of Missouri to rob the First National Bank at Northfield Minnesota This book will tell the story of one of the most daring bank jobs in American history With most of the gang being former bushwhackers they used many guerrilla tactics in the planning and execution of the raid yet failed because of poor discipline and their own fame which meant that every town in the Midwest had their guns loaded waiting to fight off bandits

**Grey Wars** N. W. Collins, 2021-06-29 An analysis of U S Special Operations at the center of America s twenty first century wars *Grey Wars* is for anyone who wants to understand today s fights Collins has done a great service by providing a well sourced clear and insightful look into the missions and activities of U S special operators Highly recommend Mike Thornton USN Seal ret Congressional Medal of Honor recipient and coauthor By Honor Bound Fascinating and deeply researched covering the defining moments in modern special operations *Grey Wars* is a must read for anyone interested in the post 9 11 world Admiral William H McRaven USN ret Ninth Commander of the U S Special Operations Command This original and accessible book is a comprehensive authoritative analysis of U S Special Operations U S Special Operations Command trains and equips units to undertake select military activities frequently high risk missions often for the purposes of counterterrorism and counterinsurgency Since 9 11 impelled by an attack on U S soil these forces have been a central instrument of America s military campaign operating in about one hundred countries on any given day This fight neither hot war nor cold peace was launched and executed as a new type of global war in 2001 and has since splintered into a spectrum

of regional conflicts The result is our nation s grey wars hazy and lethal This contemporary history incorporating extensive interviews and archival research by security studies expert N W Collins delves deeply into the transformation of these forces since 9 11 *Cinematic Terror* Tony Shaw,2014-11-20 The first history of cinema s treatment of terrorism from the birth of film to today **Kenyatta and Britain** W. O. Maloba,2017-09-15 This book is the first systematic political history of Jomo Kenyatta Kenya s founding president The first of two parts it explores Kenyatta s formative years in nationalist activism in Kenya and Britain the complex links between colonial and British intelligence services and Kenyatta s career and the political compromise he forged between Kenya and Britain This book draws on primary sources to analyze this compromise which marked his transformation from leader to darkness and death to the most beloved post colonial African leader in the West

Fighting at the Legal Boundaries Kenneth Watkin,2016 *Fighting at the Legal Boundaries* offers a holistic approach towards the application of the various constitutive parts of international law The author focuses on the interaction between the applicable bodies of law by exploring whether their boundaries are improperly drawn or are being interpreted in too rigid a fashion Emphasis is placed on the disconnect that can occur between theory and practice regarding how these legal regimes are applied and interact with one another Through a number of case studies *Fighting at the Legal Boundaries* explores how the threat posed by insurgents terrorists and transnational criminal gangs often occurs not only at the point where these bodies of law interact but also in situations where there is significant overlap In this regard the exercise of the longstanding right of States to defend nationals including the conduct of operations such as hostage rescue can involve the application of human rights based law enforcement norms to counter threats transcending the conflict spectrum Fighting at the Legal Boundaries Kenneth Watkin OMM, CD, QC,2016-05-03 *Fighting at the Legal Boundaries* offers a holistic approach towards the application of the various constitutive parts of international law The author focuses on the interaction between the applicable bodies of law by exploring whether their boundaries are improperly drawn or are being interpreted in too rigid a fashion Emphasis is placed on the disconnect that can occur between theory and practice regarding how these legal regimes are applied and interact with one another Through a number of case studies *Fighting at the Legal Boundaries* explores how the threat posed by insurgents terrorists and transnational criminal gangs often occurs not only at the point where these bodies of law interact but also in situations where there is significant overlap In this regard the exercise of the longstanding right of States to defend nationals including the conduct of operations such as hostage rescue can involve the application of human rights based law enforcement norms to counter threats transcending the conflict spectrum

Protecting Nationals Abroad and the Reconceptualization of Sovereignty Ioanna Pervou,2025-09-26 This book helps to conceptualize the doctrine of forcible protection of nationals abroad and illustrates the key elements of state practice States interest in protecting their nationals abroad is timeless nationality and allegiance are constitutive elements of sovereignty and in some cases take precedence over territoriality Yet the forcible protection of nationals abroad has long been debated

and attracted the attention of international legal theory. Currently it is particularly in the spotlight due to Russia's invocation of the doctrine in the armed conflict against Ukraine. However, protection of nationals abroad is a concept which is expected to fuel international debate in the years to come primarily because of globalization and the growing trend of more and more people living outside their country of birth. Chapters 1 and 2 delve into the doctrine of protecting nationals abroad. More specifically, Chapter 1 examines how the doctrine was formulated and applied in the pre-Charter era and explores whether there was a customary rule permitting the use of force to protect a state's nationals abroad, while Chapter 2 offers an overview of the doctrinal debate which followed the United Nations Charter and the prohibition of the use of force. In turn, Chapters 3 and 4 take a closer look at state practice from 1945 onwards. Chapter 3 outlines the major features of states' practices and their justifications for using force for the sake of their nationals. Chapter 4 assesses the Russian discourse on the protection of nationals abroad specifically with regard to the armed conflict with Georgia, the rhetoric preceding the annexation of Crimea and the military invasion of Ukraine. Lastly, Chapter 5 explains how the protection of nationals abroad could be made more human-centric and go beyond *jus ad bellum*. This chapter reinterprets the concept of nationals and sheds light on the terms expatriates, naturalized foreigners and diaspora, suggesting that there is a gap between diplomatic and forcible protection, one not reflected in international law, regulation and which needs to be addressed.

When people should go to the books stores, search launch by shop, shelf by shelf, it is in point of fact problematic. This is why we present the books compilations in this website. It will entirely ease you to look guide **Israels Lightning Strike The Raid On Entebbe 1976** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections.
