Opportunities and Challenges for Tourism and Hospitality in the BRIC Nations Dhiman, Mohinder Chand, 2016-09-06 The

stability and wealth of a nation's economy is dependent upon the success of various industrial sectors. The tourism industry has experienced massive growth in recent years, creating more jobs and becoming a source of foreign exchange. *Opportunities and Challenges for Tourism and Hospitality in the BRIC Nations* is a pivotal reference source for the latest scholarly research on the recent developments and contemporary issues within the services sector, highlighting cross-cultural implications as well as societal impacts of hospitality and tourism on emerging markets. Providing insight on managing and maximizing profitability, this book is ideally designed for researchers, professionals, upper-level students, and academicians involved in the services industry. *The Routledge Companion to Mindfulness at Work* Satinder K. Dhiman, 2020-09-08. Given the ever-growing interest in the benefits of mindfulness to organizations and the individuals who work in them, this Companion is a comprehensive primary reference work for mindfulness, including creativity and flow in the workplace, including business, healthcare, and educational settings. Research shows that mindfulness boosts creativity through greater insight, receptivity, and balance, and increases energy and a sense of wellbeing. This Companion traces the genesis and growth of this burgeoning field, tracks its application to the workplace, and suggests trends and future directions. With contributions from leading scholars and practitioners in business, leadership, psychology, healthcare, education, and other related fields, *The Routledge Companion to Mindfulness at Work* is an extensive reference work which will be a vital resource to the fields of management and organizational studies, human resource management, psychology, spirituality, cultural anthropology, and sociology. Each chapter will present a listing of key topics, a case or situation that illustrates the application of the themes, workplace lessons, and reflection questions. *Rethinking Cybercrime* Tim Owen, Jessica Marshall, 2020-11-13. The book provides a contemporary snapshot of critical debate centred around cybercrime and related issues to advance theoretical development and inform social and educational policy. It covers theoretical explanations for cybercrime, typologies of online grooming, online trolling, hacking, and law and policy directions. This collection draws on the very best papers from 2 major international conferences on cybercrime organised by UCLAN. It is well positioned for advanced students and lecturers in Criminology, Law, Sociology, Social Policy, Computer Studies, Policing, Forensic Investigation, Public Services, and Philosophy who want to understand cybercrime from different angles and perspectives.
