Debate in American Public Policy investigates sixteen important and controversial policy issues. Each article gives substantial background as well as current analysis of the issue in addition to the following special features: a pro/con box that examines two competing sides of a single question, a detailed chronology, an annotated bibliography, and Web resources, photos, charts, graphs, and maps. Book jacket: *Issues for Debate in American Public Policy*. The CQ Researcher, 2017-03-20. This collection of non-partisan reports written by award-winning CQ Researcher journalists focuses on provocative current policy issues. As an annual publication that comes together just months before it goes to press, the volume is all new and as up to date as possible. And because it's CQ Researcher, the policy reports are expertly researched and written, showing all sides of an issue. Chapters follow a consistent organization: exploring three issue questions, then offering background, current context, and a look ahead, and feature a pro/con debate box. All issues include a chronology, bibliography, photos, charts, and figures.

Issues for Debate in Environmental Management. CQ Researcher, 2010. *Issues for Debate in Environmental Management* is a contemporary collection of articles covering core issues within the broad topic of environmental management. The book is intended to supplement core courses in the Business and Management curriculum titled *Environmental Management*, *Sustainability and Business*, and *Society*, among other similarly titled courses. The book begins with a feature article titled *The New Environmentalism: Can New Business Policies Save the Environment* and progresses through 16 articles of topics generally covered in environmental management courses, including global warming, the green economy, clean energy sources, water sources, and other opportunities for business and management exploration. Book jacket: *Issues in Race and Ethnicity*. CQ Researcher, 2017-10-13. In the wake of a divisive presidential election charged with debates over immigration and identity politics, Americans continue to grapple with questions of race and ethnicity. This collection of nonpartisan and thoroughly researched reports focuses on provocative issues, including gentrification, the Black Lives Matter movement, and the resurgence of white supremacy, anti-Semitism, and the Alt Right. Because it's CQ Researcher, the policy reports are expertly researched and written, showing all sides of the debate. Chapters follow a set template: exploring three issue questions, then offering background, an overview of the current situation, and a look ahead. All issues include a chronology, bibliography, yes/no debate box, photos, charts, and figures. **Issues in Race and Ethnicity, 6th Edition**. CQ Researcher, 2012-09-15.
