Go And Make Disciples:

Clueless - Go and Make Disciples Ambassador Monday O. Ogbe, 2023-06-15 Have you ever been told to go and win souls for Christ through street evangelism or any other setting and you just sense you are not cut out for this When you eventually manage to convince someone to accept Jesus as savior you begin to realize you are clueless as to where to begin in the discipleship journey If that is your situation you are not alone As a Christian of over thirty 30 years listening to sermons from different pulpits from around the world over media networks and at our local churches I am amazed at the lack of or non existence of practical teaching on how to actually go out and make disciples of all nations as Jesus Christ instructed us during His last command to the disciples until the last thirteen years that this insight came to me in my visible encounter with the Lord Jesus Christ on 22nd of April 2006 You will find the story on the encounter in the introductory part of Clueless Go Make Disciples Even then I am still fine tuning my understanding I know and I am aware that there are countless Christians who love the Lord dearly and are involved in relentless church activities week in and week out that have no clue as to how to really go out and make disciples of all nations Some of our church pews are filled with recycled converts that do not know their left from their right concerning disciple making after years of conversion Some of our churches have become like the dead sea where we keep taking in messages and not being equipped to let out the treasure within This book Clueless Go and make disciples was written for you to equip you as a practical how to book for the great commission work using Discovery Bible Study and the best of Disciple Making movement Training the trainer T4T and other disciple making processes all in one place Questions like How do you make sense of the various disciple making movement what fits into your particular church setting What works for you What are the positive results of stories out there from different disciple making movements By the time you are done reading Clueless Go and make disciples you will begin to actually make disciples and equip other groomed leaders to do likewise in any and every setting where you find yourself and your fruit will certainly remain From the many approaches to discipleship out there you will find your unique style and place in the body of Christ and function in that office effectively You will find practical tips on how to start a group amongst different people groups Urban and rural and look for trigger points within any setting to start a discovery process You will identify your unique gifting in the body of Christ and function effectively within it and much much more

The Priority of Making Disciples

Danny Clymer, 2020-08-18 Those in the church and ministry are familiar with the Great Commission the call to go forth and make disciples However for many it isn't that easy in a world increasingly influenced by doubters and distractions Many Christian leaders may talk about it but few really do it Making disciples isn't a complicated program but a simple plan that comes only from Jesus Now a diverse group of pastors representing urban and rural communities secular and Christian areas as well as diverse multicultural backgrounds and all known for successfully making new disciples have gathered these sermons to encourage others to be disciple makers too Discover How Jesus practiced the Great Commission before He ever

preached it Why discipleship begins with a whole life understanding of worship When disciple making gets confused with church growth efforts These and countless other insights will help guide you in a faithful deliberate effort to fulfill the Great Commission no matter where you live or what communities in which you minister Included in the book are The sermon texts and their outline formats 12 study guides one for each sermon that can be used in small group or one on one settings in the week following the preaching of the sermon A final appendix providing a self evaluation tool that helps each person being disciplined to evaluate the progress they are making in their walk with Christ

Make Disciples! Terry A. Bowland, 1999 Let us make no mistake about it Evangelism is not simply learning Bible facts Evangelism is not simply understanding sociological information Evangelism is taking part in God's great work of redeeming the world through Christ It is to reach out and allow God's power and presence to extend into the lives of people through our daily lives When we increasingly become aware of God working within us the result will be joy joy in our daily tasks and joy in the lives we touch Wherever God's will is done the ultimate result for us will be joy

Go and Make Disciples Reuven Ross, Yanit Ross, 2014-08-27 The purpose of Go and Make Disciples is to encourage personal spiritual growth and give vision for investing into others God chose disciple making as His ultimate means of winning the entire world but most believers are made into disciples as a by product of general church ministry they have not had someone to personally invest in them If there is a shortcut to maturity in the kingdom of God it is when mature godly believers purposefully impart the Word of God to teachable men and women who want to grow in the Lord Just as Jesus had a strategy for making disciples and developing leaders so should we Having a vision for making disciples means understanding the Lord's purposes in spending most of His ministry time with just twelve men Jesus disciples received the full explanation of His teachings and the benefit of personal friendship with Him Because this is still the Lord's heart for those who believe in Him we who are His true disciples must be willing to invest in others as Jesus did We need to see that it is God's normal for us to intentionally make disciples since Jesus modeled it commanded it and trained His men to do it Strategic disciple making is still the Lord's ordained method for building the Church and preparing ministries The Lord wants to have an equipped army ready to reap the harvest and conserve it as He again sends revival throughout the world In the face of the persecution that will accompany the revival it is disciplined believers who will remain faithful and endure to the end Therefore it is expedient that people not only find Jesus as their Messiah but also that they yield to His lordship mature into His likeness as His disciple and invest their lives in discipling others Our Master's last words should be our first priority In all four gospels Jesus commands His followers to evangelize and make disciples as their chief ministry among men This is evidenced in the significance of the net used to catch fish in the Sea of Galilee in Israel The net had a twofold purpose to catch the fish and to keep them in the boat Catching the fish is equivalent to evangelism and salvation and keeping them in the boat is equivalent to discipleship and sanctification Notice the last words of Jesus before He ascended back to Heaven as recorded in the gospels Go and make disciples of all the nations Matt 28 19 Go into all the

world and preach the gospel to every creature Mark 16 15 repentance and remission of sins should be preached in His name to all nations Luke 24 47 To Peter and to those of us who love Him He says feed My lambs tend My sheep feed My sheep John 21 15 17 Reuven and Yanit Ross are international Bible teachers American born they have lived in Israel and South Africa over the last three decades and have had the additional privilege of ministering in numerous other nations The Rosses have no natural children they love the spiritual children that God has allowed them to invest in many of whom are leaders today They have authored six other books which are described on their website www.makingdisciples.net *Be a Disciple, Make a Disciple* Ellie M Littleton, 2019-04-22 The twenty first century Church has the same Holy Spirit power and many more modern day resources than the first century Church yet the first century Church had greater success in making disciples Why They followed the plan Jesus gave them and He blessed it But the more worldly progress we ve made the more we ve deviated from Jesus s plan by choosing programs entertainment and socials with only surface level encounters We neglect to make a connection with the lost and they see no real commitment from the church So they come and go as we continue to meet and plan more programs To end the cycle we must go and make disciples as Jesus taught investing our lives in the lives of others Do you long to live the Great Commission and make disciples but you re not sure how In *Be a Disciple Make a Disciple* Ellie Littleton offers biblical examples and concepts that break down the hard work of discipleship into sixteen thought provoking lessons So go and make disciples This is to my Father s glory that you bear much fruit showing yourselves to be my disciples John 15 8 niv As the Lord s earthly ministry got under way He began by making disciples and never stopped until He ascended into heaven Had the disciples not followed His example we would not be disciples of Jesus today As Ellie s pastor I ve seen her live out the principles she teaches in this book I highly recommend this book to all Christians so we can all follow Jesus s command to make disciples Rev David Warren South Shelby Baptist Church Shelby Alabama

Follow Me J Lee Grady, 2022-02-01 God has placed the next generation into our hands Who will raise them up if the church does not This book will teach you how to effectively mentor the next generation of Christians You will learn how to disciple others in their faith while getting outside of your comfort zone to increase your relationship with God If we want to change the world with the gospel we must stop focusing on crowds and events and reclaim Jesus method of relational discipleship Jesus final mandate to His followers was Go and make disciples yet today most of the church is oblivious to what discipleship is and few Christians are actually investing their lives in helping other believers grow spiritually A vast paradigm shift is needed in the church today in order to reach the next generation and advance the gospel in the twenty first century In *Follow Me* J Lee Grady uses many New Testament examples as well as his own experience in mentoring dozens of young leaders and a clear strategy for discipling others that can be used by individuals and churches Grady makes a compelling case that Christianity was never intended to be a spectator sport where huge crowds sit and listen to one preacher on a Sunday Jesus intended all believers to engage in ministry and this includes the work of discipling other believers So many

Christians today live in a box of limitation We must understand that the Christian life is an adventure of the Holy Spirit working through them This book will help believers get out of that box and begin the exciting adventure of spiritual multiplication *Go and Make Disciples* Ian Malins,2010 Pastoral Letters of the United States Catholic Bishops Catholic Church. The Meaning of "Make Disciples" in the Broader Context of the Gospel of Matthew Lindsay D. Arthur, 2022-05-09 Students of the Bible are generally comfortable with their understanding of the command make disciples Matt 28 19 Indeed most of them would argue that the Gospel writer Matthew spells out very clearly the meaning of the term in the Great Commission Matt 28 16 20 by utilizing three key words viz go ing baptizing and teaching This point of view is the result of centuries of scholarly opinion that has looked primarily if not solely to these three adjacent participles of make disciples Matt 28 19 and not to the entire Gospel of Matthew for the meaning of the command This book does not suggest that going baptizing and teaching are not to be considered in determining the essence of Christian disciple making Rather it contends that the three terms should not be our only source of meaning This problem is tackled herein by demonstrating that Matthew establishes a framework within the Great Commission itself that points to a fuller meaning of make disciples in the broader context of his Gospel and that the Gospel writer expects his reader to draw on his entire Gospel to grasp the full meaning of this important command
