Go West Young Women The Rise Of Early Hollywood:

Go West, Young Women! Hilary Hallett, 2013-01-15 In the early part of the twentieth century migrants made their way from rural homes to cities in record numbers and many traveled west Los Angeles became a destination Women flocked to the growing town to join the film industry as workers and spectators creating a New Woman Their efforts transformed filmmaking from a marginal business to a cosmopolitan glamorous and bohemian one By 1920 Los Angeles had become the only western city where women outnumbered men In Go West Young Women Hilary A Hallett explores these relatively unknown new western women and their role in the development of Los Angeles and the nascent film industry From Mary Pickford's rise to become perhaps the most powerful woman of her age to the racist moral panics of the post World War I years that culminated in Hollywood s first sex scandal Hallett describes how the path through early Hollywood presaged the struggles over modern gender roles that animated the century to come The Oxford Handbook of American Women's and Gender History Ellen Hartigan-O'Connor, Lisa G. Materson, 2018-09-04 From the first European encounters with Native American women to today s crisis of sexual assault The Oxford Handbook of American Women s and Gender History boldly interprets the diverse history of women and how ideas about gender shaped their access to political and cultural power in North America Over twenty nine chapters this handbook illustrates how women s and gender history can shape how we view the past looking at how gender influenced people's lives as they participated in migration colonialism trade warfare artistic production and community building Theoretically cutting edge each chapter is alive with colorful historical characters from young Chicanas transforming urban culture to free women of color forging abolitionist doctrines Asian migrant women defending the legitimacy of their marriages and transwomen fleeing incarceration Together their lives constitute the history of a continent Leading scholars across multiple generations demonstrate the power of innovative research to excavate a history hidden in plain sight Scrutinizing silences in the historical record from the inattention to enslaved women s opinions to the suppression of Indian women's involvement in border diplomacy the authors challenge the nature of historical evidence and remap what counts in our interpretation of the past Together and separately these essays offer readers a deep understanding of the variety and centrality of women's lives to all dimensions of the American past even as they show that the boundaries of women American and history have shifted across the centuries **Sartorial Fandom** Elizabeth Affuso, Suzanne Scott, 2023-04-03 In recent years geeks have become chic and the fashion and beauty industries have responded to this trend with a plethora of fashion forward merchandise aimed at the increasingly lucrative fan demographic This mainstreaming of fan identity is reflected in the glut of pop culture T shirts lining the aisles of big box retailers as well as the proliferation of fan focused lifestyle brands and digital retailers over the past decade While fashion and beauty have long been integrated into the media industry with tie in lines franchise products and other forms of merchandise there has been limited study of fans relationship to these items and industries Sartorial Fandom shines a spotlight on the fashion and

beauty cultures that undergird fandoms considering the retailers branded products and fan made objects that serve as forms of identity expression This collection is invested in the subcultural and mainstream expression of style and in the spaces where the two intersect Fan culture is in many respects an optimal space to situate a study of style because fandom itself is often situated between the subcultural and the mainstream Collectively the chapters in this anthology explore how various axes of lived identity interact with a growing movement to consider fandom as a lifestyle category ultimately contending that sartorial practices are central to fan expression but also indicative of the primacy of fandom in contemporary taste cultures

Main Street Movies Martin L. Johnson, 2018-01-23 See yourself in the movies Prior to the advent of the home movie camera and the ubiquitousness of the camera phone there was the local film This cultural phenomenon produced across the country from the 1890s to the 1950s gave ordinary people a chance to be on the silver screen without leaving their hometowns Through these movies residents could see themselves in the same theaters where they saw major Hollywood motion pictures Traveling filmmakers plied their trade in small towns and cities where these films were received by locals as being part of the larger cinema experience With access to the rare film clips under discussion Main Street Movies documents the diversity and longevity of local film production and examines how itinerant filmmakers responded to industry changes to keep sponsors and audiences satisfied From town pride films in the 1910s to Hollywood knockoffs in the 1930s local films captured not just images of local people and places but also ideas about the function and meaning of cinema that continue to Borderland Films Dominique Brégent-Heald, 2015-11-01 An examination of the intersection of North resonate today American borderlands and culture as portrayed through early twentieth century cinema **Red Dead Redemption** John Wills, Esther Wright, 2023-03-30 While the Western was dying a slow death across the cultural landscape it was blazing back to life as a video game in the early twenty first century Rockstar Games Red Dead franchise beginning with Red Dead Revolver in 2004 has grown into one of the most critically acclaimed video game franchises of the twenty first century Red Dead Redemption History Myth and Violence in the Video Game West offers a critical interdisciplinary look at this cultural phenomenon at the intersection of game studies and American history Drawing on game studies western history American studies and cultural studies the authors train a wide ranging deeply informed analytic perspective on the Red Dead franchise from its earliest incarnation to the latest Red Dead Redemption 2 2018 Their intersecting chapters put the series in the context of American history culture and contemporary media with inquiries into issues of authenticity realism the meaning of play and commercial promotion and the relationship between the game and the wider cultural iterations of the classic Western The contributors also delve into the role the series development has played in recent debates around working conditions in the gaming industry and gaming culture In its redeployment and reinvention of the Western's myth and memes the Red Dead franchise speaks to broader aspects of American culture the hold of the frontier myth and the Wild West over the popular imagination the role of gun culture in society depictions of gender and ethnicity in mass media and the

increasing allure of digital escapism all of which come in for scrutiny here making this volume a vital sweeping and deeply **Ideal Beauty** Lois W. Banner, 2023-09-15 Ideal Beauty reveals the woman behind the revealing cultural intervention Garbo mystique a tough negotiator who used her newfound power in Hollywood to develop a distinctly new feminist screen persona Examining how she was an icon who helped to define female beauty in the twentieth century the book also considers Garbo's spiritual and sexual exploration away from the camera's glare Below the Stars Kate Fortmueller, 2021-07-13 Longlisted for the 2022 Kraszna Krausz Book Award Moving Image Category Despite their considerable presence in Hollywood extras and working actors have received scant attention within film and media studies as significant contributors to the history of the industry Looking not to the stars but to these supporting players in film television and recently streaming programming Below the Stars highlights such actors as precarious laborers whose work as freelancers has critically shaped the entertainment industry throughout the twentieth and twenty first centuries By addressing ordinary actors as a labor force Kate Fortmueller proposes a media industry history that positions underrepresented and quotidian experiences as the structural elements of the culture and business of Hollywood Resisting a top down assessment Fortmueller explores the wrangling of labor unions and guilds that advocated for collective action for everyday actors and helped shape professional norms She pulls from archival research in person interviews and firsthand observation to examine a history that cuts across industry boundaries and situates actors as a labor group at the center of industrial and technological upheavals with lasting implications for race gender and labor relations in Hollywood White Robes, Silver Screens Tom Rice, 2016-01-04 The Ku Klux Klan was reestablished in Atlanta in 1915 barely a week before the Atlanta premiere of The Birth of a Nation D W Griffith's paean to the original Klan While this link between Griffith's film and the Klan has been widely acknowledged Tom Rice explores the little known relationship between the Klan's success and its use of film and media in the interwar years when the image function and moral rectitude of the Klan was contested on the national stage By examining rich archival materials including a series of films produced by the Klan and a wealth of documents newspaper clippings and manuals Rice uncovers the fraught history of the Klan as a local force that manipulated the American film industry to extend its reach across the country White Robes Silver Screens highlights the ways in which the Klan used produced and protested against film in order to recruit members generate publicity and define its role within American society Women Adapting Bethany Wood, 2019-05-29 When most of us hear the title Gentlemen Prefer Blondes we think of Marilyn Monroe and Jane Russell's iconic film performance Few however are aware that the movie was based on Anita Loos s 1925 comic novel by the same name What does it mean Women Adapting asks to translate a Jazz Age blockbuster from book to film or stage What adjustments are necessary and what if anything is lost Bethany Wood examines three well known stories that debuted as women's magazine serials Gentlemen Prefer Blondes Edith Wharton's The Age of Innocence and Edna Ferber's Show Boat and traces how each of these beloved narratives traveled across publishing theatre and film through adaptation She

documents the formation of adaptation systems and how they involved women s voices and labor in modern entertainment in ways that have been previously underappreciated What emerges is a picture of a unique window of time in the early decades of the twentieth century when women in entertainment held influential positions in production and management These days when filmic adaptations seem endless and perhaps even unoriginal Women Adapting challenges us to rethink the popular platitude The book is always better than the movie Women's Transborder Cinema Esha Niyogi De,2024-12-10 Can we write women's authorial roles into the history of industrial cinema in South Asia How can we understand women's creative authority and access to the film business infrastructure in this postcolonial region Esha Niyogi De draws on rare archival and oral sources to explore these questions from a uniquely comparative perspective delving into examples of women holding influential positions as stars directors and producers across the film industries in India Pakistan and Bangladesh De uses film tropes to examine the ways women directors and film entrepreneurs claim creative control within the contexts of anti colonial nationalism and global capitalism The region s fictional cinemas have become staging grounds for postcolonialism with colonial and local hierarchies merged into new imperial formations De s analysis shows how the gendered intersections of inequity and opportunity shape women s fiction filmmaking while illuminating the impact of state and market formations on the process Innovative and essential Women's Transborder Cinema examines the works of South Asia's women filmmakers **The Bower Atmosphere** Victoria Lamont, 2024 from a regional perspective In the Land of the Unreal Lisa Messeri, 2024-02-02 Lisa Messeri offers an ethnographic exploration of a contemporary community of Los Angeles based storytellers media artists and tech innovators formed around virtual reality believing that it could remedy society sills
