Argument Veronika Weidner,2018-12-29 This book examines the so called hiddenness argument of the Canadian philosopher John L Schellenberg The hiddenness of God is a topic evincing a rich tradition in the monotheistic religions of Judaism Christianity and Islam Rather recently an argument emerged claiming that the hiddenness of God reveals on closer inspection the non existence of God Some say that Schellenberg s hiddenness argument is likely as forceful as the argument from evil rendering theism rather implausible or even false In this book an account of the traditional theistic notion of divine hiddenness is presented which contrasts sharply from Schellenberg s use of the term Moreover a well needed detailed exposition of the premises of the hiddenness argument is offered thereby preparing the ground for an even more in depth future hiddenness debate Furthermore a reply to the argument is given which challenges the truth of one specific subpremise according to which belief that God exists is necessary in order to personally relate to God Even though a plausible case is made that the hiddenness argument is unsound it is beyond dispute that the argument deserves more serious reflection by theists and atheists alike **The Go-anywhere Thinline Bible** HarperBibles (Firm),2010 A Phenomenological Reading of Hosea 12:4-5 and 11:1-2 Andrew Oberg,2023-12-06 A Phenomenological Reading of Hosea 12 4 5 and 11 1 2 Commune with Us explores two passages from the Hebrew Bible s prophetic book containing puzzling plurals in the original language pieces so enigmatic they are usually changed entirely in translation Andrew Oberg however considers them delightfully confusing and through in depth examinations builds a patchwork version for each These reconstructions are then brought to bear on four separate interpretative interactions per pairing based on alternative pre comprehensions that Oberg investigates using phenomenological methods to trace describe and wonder on the resulting responses Finally Oberg widens the focus of study and presents an approach to engaging with scripture of whatever faith and lineage that moulds the lessons taken into a technique that could be applied by any reader for a deeper interrogation of their literary heritage Oberg finds that the treasures we have received from tradition still yet always have volumes and volumes to speak **NRSV Go-Anywhere Thinline Bible Catholic Edition (PB)** Harper Bibles,2011-02-01 The Ideal On the Go Portable Bible The Go Anywhere Thinline Bible Catholic Edition is the perfect size to go with you anywhere for personal use travel or gift giving One touch will tell you why this distinctive Bible will be your constant companion Features Include Less than 1 inch thick Easy to read 9 point type in a double column setting Bonded leather with craft sewn binding for added strength and long life Fine Bible paper to maximize readability and portability Concordance for finding key verses Gilded edges and a ribbon marker Presentation page and maps The New Revised Standard Version NRSV Catholic Edition is fully approved for study by Catholics by the United States Conference of Catholic Bishops and is recognized in many scholarly circles worldwide as the most accurate translation to English from the original Hebrew and Greek texts **The Catholic Comparative New Testament** Oxford University Press,2005 The Catholic Comparative New Testament features eight complete Catholic New Testaments translated by dedicated scholars and gathered into a single convenient volume This

edition includes both word for word translations of the scripture as well as thought for thought translations Readers can compare verses at a glance with facing page translations four translations per page in a clear easy to read typeface The CCNT features four word for word translations Douay Rheims Revised Standard Version Catholic Bible New Revised Standard Version Catholic Bible and the New American Bible These translations follow as closely as possible the New Testament s original wording making them perfect for close readings of the text The Jerusalem Bible the Good News Bible the New Jerusalem Bible and the Christian Community Bible represent the thought for thought school of Bible translation These translations emphasize the intended meaning of the original vocabulary adapting it to English syntax and grammar making it easier to understand for the lay reader The Catholic Comparative New Testament offers the most unique and informed way of reading scripture with its eight different translations Beautifully printed on the highest quality material the CCNT is an excellent study guide for the value

The Christ Is Dead, Long Live the Christ Andrew Oberg,2022-07-07 The Christ Is Dead Long Live the Christ A Philotheologic Prayer a Hermeneutics of Healing is a call for renewal and reinvention Following a brief examination of the historical Jesus Yeshua using his actual Aramaic Hebrew name the book moves into a phenomenological study of the image idea and the place of both in our felt experiences Looking closer at what we think were the actual words of this wandering sage the picture we arrive at is one that will surprise possibly unsettle Moved out of our traditional comfort zones we find the need to question what we have been told were Yeshua s teachings compelling us to further rethink messages on the afterlife human finitude so called atonement theologies and above all the kingdom of God Whatever this vision was and might yet be it seems central to Yeshua s efforts and so we finally weigh these kingdom facets against a broader ideascapes offering suggestions for how a Yeshuan kingdom project situated within the panoply of a widely comprehended Judaic way of being might yield fresh life to we who find worth in the utterances and what they point towards to we who wonder about a more human e world

American Religious History Gary Scott Smith,2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture

Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic. Religious teachings, values, and practices deeply affected political structures and policies, economic ideology and practice, educational institutions and instruction, social norms and customs, marriage and family life. By analyzing religion's interaction with American culture and prominent religious leaders and ideologies, this reference helps readers to better understand many fascinating, often controversial, religious leaders, ideas, events, and topics. The work is organized in three volumes devoted to particular periods. Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes. These essays are followed by approximately 120 alphabetically arranged reference entries providing objective, fundamental information about topics related to religion in America. Each volume presents nearly 50 primary source documents, each introduced by a contextualizing headnote. A selected general bibliography closes volume three.

The Reader's Adviser, 1977 ***Great Souls*** David Aikman, 2003-01-01 As a senior journalist with Time magazine, David Aikman witnessed some of the most important world events and interviewed many of the prominent global power figures of his time. In this moving volume, Aikman profiles six of these figures: Billy Graham, Nelson Mandela, Aleksandr Solzhenitsyn, Mother Teresa, Pope John Paul II, and Elie Wiesel. He explains how each of these luminaries personify specific virtues that are sorely needed today: salvation, forgiveness, truth, compassion, human dignity, and remembrance. Aikman's meticulous research provides extraordinary insights into the lives of these great individuals who have changed the century by their works and personal examples. These beautifully written profiles, based on personal interviews with some of these great souls, provide the reader with models of excellence that will delight the mind and lift the spirit.
